

Soundarya Educational Trust

Soundarya Institute of Management and Science

Soundaryanagar, Sidedahalli, Nagasandra Post, Bangalore-560073

Institutional Distinctiveness

The Institution has bestowed the system observant on the corporate industry which seeks to choose and promote students who are skilled in communication and other soft skills required in the job description. In line with, SIMS tends to facilitate the students with pre-placement training from beginning of the course. In 2022-23, institution had MoU with Seminar Room that organized 16 Industry Institute Interface program under the banner INSPIRE. A Mou was signed for pre-placement training of 150 hours which was conducted by JV Global in association with My little Bit – an NGO. MoU was signed with Glovish technologies for Technical training of 60 hours on Machine learning and IoT for final year BCA. Post selection technical training of about 45 hours was provided by Apt works in hybrid mode. Mentorship by established Alumni was organized to bridge between academic and corporate etiquette and also offering placement. To strengthen the corporate skills & culture, about 14 value added program, 30 industrial visits, Global program @ Malaysia, Hands-on experience program at Coir board, about 13 in house workshops etc were facilitated in the year 2022-23. Out of 252 graduating students, 79 got placement with the median salary of 5.4L CTC and the highest package of 12.0L CTC at Akamai Technologies. About 68 students opted for higher education Immersion
