Strategic Curriculum Planning and Delivery

**Summative report on Department Advisory committee meeting for
the academic year 2023-24**

Post Accreditation initiative:

The Department Advisory Committee (DAC) was established in the 2022-23 academic year. This committee is responsible for formulating and recommending new or revised program goals and objectives. It also evaluates curriculum planning, delivery methods, and innovative teaching strategies, while exploring opportunities for value addition and modular approaches. Furthermore, the DAC identifies and addresses discrepancies between the curriculum and industry requirements, providing critical feedback and recommendations for necessary improvements. The DAC includes department faculty, academics from other institutions, industry experts, and alumni.

17.	Commencement of valuation	25.07.2022 onwards

Some General Guidelines:-

- In view of the importance of "social distancing" colleges shall take necessary steps to ensure that the students are given exposure to laboratory assignments / practical experiments through virtual laboratories, sharing of the recorded visuals of laboratory work and digital resources available for the purpose. The link provided by Ministry of Human Resource Development for virtual laboratories to facilitate the students of science may also be suitable for such purposes.
- Every institute should develop virtual classroom and video conferencing facility and all teaching staff should be trained with the use of the technology.

Note:-

- The college shall submit the applications for issue of Eligibility Certificates in respect of Foreign Nationals before 17.11.2021. The application received after this date will not be considered.
- The last date for obtaining permission from University for admission to III / V & VII semester on transfer from other colleges/Universities and readmission to III / V & VII semester is before 10.11.2021.
- Prior permission must be obtained from the University for opting Additional English/Language for only eligible candidates as per Guidelines / Instruction for admission to under graduate courses Notification No:Aca.I/Guidelines/2004-05, dated: 02.09.2004.
- The Principal shall ensure to obtain permission from the University for the students who have discontinued the degree programme within the five years from the date of joining (N+2=5 years UG courses and BHM and BVA courses N+2=6 years).

1. The Guidelines for completion of degree circulated vide circular No: Aca-IJGC-Guidelines/Spec Period/2017-18, dated. 13.07.2017 may be displayed on the College Notice Board.
2. Regulations Governing the Choice Based Credit System (Semester Scheme) in the Undergraduate and Integrated Masters Degree Programmes in the Faculties of Arts, Science and Commerce shall be followed for the academic year 2020-21.
3. Principals are requested to allot the invigilation work to the teachers of major subjects such as Commerce, Management, English, Mathematics, Economics, etc., in the beginning of the theory examination and relieve them immediately for evaluation work.
4. Principals are further requested to compulsorily collect the evaluation attendance certificates from all the teachers who attended evaluation work in different subjects and produce them before the Local Inquiry Committee for verification at the time of visit.
5. During vacation, it is mandatory for teachers to undertake theory valuation and practical examination related work assigned by the University. Otherwise disciplinary action will be initiated for dereliction of duty, in the case of University, Government, and Aided College teachers and in the case of Unaided colleges attending to the examination work is one of the conditions to continue Affiliation.
6. Wherever Bio-Metric attendance is implemented, the principals are requested to take permission from the Higher Authorities to waive the requirement of attendance of the teachers on the days of the examination related work in the University especially during the evaluation of answer books.
7. The colleges have to collect and remit the fee as prescribed by the University.
8. The Principals are requested to adhere to the above schedule of Calendar of Events and follow the Rules and Regulations strictly.
9. National Education Policy (NEP) for 1st semester only.

Industry Inspiration Program 2022

○ Introduction and industry application of Mobile App Development

Aman Alok

Chief Executive Officer,
CODOT

2nd,3rd & 7th November 2022

4:00pm to 5:30 pm

Mr Aman is a Co-founder & CEO, CoDot has raised a pre-seed investment at a valuation of a million dollar: An app with branching-narrative stories where the plot unfolds as per the choices you take in a story.

He has successfully led 30 projects on Market Research, Go-To-Market Strategy, and Digital Marketing.

As a social entrepreneur, Mr Aman has been active as an advisor/mentor to many college-level clubs across India and have a training experience of addressing more than 300 students across Bangalore (in person) and rest of India (digitally) in various skills - web design & development, marketing, and data science to promote the culture of freelancing and self-sustainability.

Also, He has been actively 'lay counseling' and successfully handled more than 25 cases of people suffering from depression, drugs addiction, etc. under proper professional guidance and care.

About the Session

The speaker discussed the introduction and industry application of Mobile App Development. He started by providing an overview of what mobile app development is and its importance in today's digital world. He then highlighted the various platforms for mobile app development such as iOS and Android, and the programming languages used such as Java and Swift. The speaker also demonstrated the process of developing a mobile app, starting from conceptualization, design, development, testing, and deployment. He emphasized the importance of conducting thorough research and understanding the target audience to ensure that the app meets their needs. He also highlighted the different tools and resources available to developers to aid in the development process. The speaker discussed the different phases of app development, including prototyping, coding, debugging, and testing. He also emphasized the importance of regularly updating and maintaining the app to ensure it remains relevant and bug-free. Overall, the speaker provided a practical and hands-on approach to mobile app development, which was beneficial to attendees looking to develop their own apps.

Learning Outcomes

Learning mobile app development can open up new career paths, increase earning potential, and enhance personal and professional growth.

About

Industry Inspiration Program 2022

The industry is rapidly changing and innovating in the present context and it has become extremely difficult for higher education institutions to constantly upgrade syllabus and train faculty as per new industry requirements.

While that is the case, it is equally important to communicate the real-time industry application of what's being taught as per the curriculum and prepare students early for industrial environments and requirements.

Seminarroom identifies key areas within the curriculum that requires industry intervention and maps relevant industry experts to each module.

The objective of this program is to inspire students by giving the relevance and importance of studying each subject and the potential opportunities with respect to:

Placement Opportunities, Higher Education Opportunities, Research and Innovation, and Entrepreneurship

Feedback

Industry Inspiration Program 2022

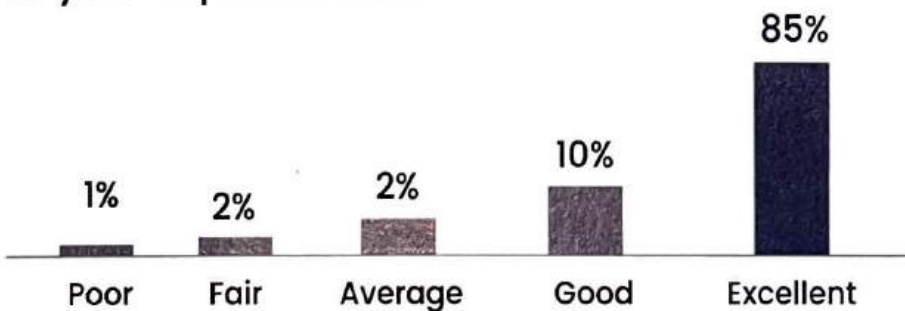

Did you enjoy the session?

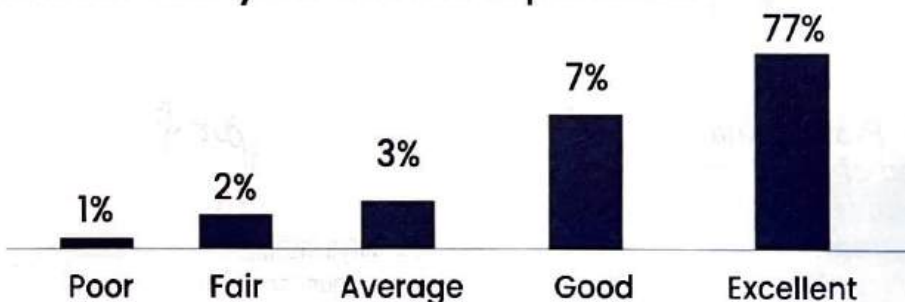

Please rate the speaker's knowledge of the topic

How did the session compare to your expectations?

Please rate your overall experience:

Feedback

Industry Inspiration Program 2022

The session gave an introductory insight into the mobile app development. It has enable the students to introduce themselves to world of app development. Thanks for this amazing session.

Worth attending the session specially for one interested in app development. Speaker provided great insights on simple strategies that one can use to build the mobile app.

Its a very intriguing and full of learning. The concepts of mobile app development was very beautifully explained

Great session. The way the information was presented was ideal and useful. Very practical.

I have learned so much with this session. it is amazing all this new information, all the new possibilities for available to develop and become a mobile app developer.

The course was clearly presented by Mr Aman and the discussions were very helpful for people like me who's new in app development

MANAGEMENT &
SCIENCE**

VISION

**NURTURE FUTURE LEADERS THROUGH
ACADEMIC EXCELLENCE AND
HOLISTIC DEVELOPMENT**

MISSION

**FACILITATE AND FOSTER INDIVIDUALS
TO ATTAIN INTELLECTUAL AND SOCIETAL GROWTH
TO BE A GLOBAL CITIZEN**

CORE VALUES

- * Joyful learning
- * Kindness
- * Integrity
- * Compassion
- * Service to mankind

Department of **PURE SCIENCE**

VISION

INSPIRE, INNOVATE AND EXCEL

MISSION

**PROMOTING CREATIVITY, CRITICAL
THINKING IN PURSUIT OF ACADEMIC
EXCELLENCE IN SCIENCE AND
TECHNOLOGY THROUGH RESEARCH**

PROGRAM EDUCATIONAL OBJECTIVES

1	Demonstrate proficiency in fundamental scientific principles and methodologies across various disciplines.
2	Apply critical thinking and problem-solving skills to analyze complex scientific problems and develop innovative solutions.
3	Collaborate effectively in interdisciplinary teams to address scientific challenges and achieve common goals.
4	Demonstrate entrepreneurial leadership and effective communication skills, promoting collaboration and teamwork in scientific contexts.

PROGRAM OUTCOMES

1	Disciplinary Knowledge: Graduates will demonstrate expertise in their scientific discipline's core concepts, theories, and methodologies.
2	Communication Skills: Graduates will proficiently communicate innovative ideas and discoveries across scientific platforms.
3	Critical Thinking and Problem-Solving: Graduates will critically analyze complex problems and apply scientific tools to develop solutions.
4	Research Skills: Graduates will excel in research methodologies, data analysis and interpretation to contribute to scientific advancements.

COURSE OUTCOMES

CO	Details
This course will enable the students to:	
CO1	Understand the algebraic concepts of Matrices and elementary transformation of Matrices.
CO2	Analyze the Eigen values and Eigen vectors, Cayley-Hamilton theorem.
CO3	Comprehend the fundamental concepts of successive differentiation and partial derivatives of two or more variables of Differential Calculus
CO4	Analyze the concepts of reduction formulae of Integral Calculus and its applications and the concepts of length, area, surface area and volume of solids of revolution
CO5	Understand the concepts of analytical geometry in three dimension and equations of sphere, right circular cylinder and cone.

MODULE-1	<p>Matrices:Recapitulation of Symmetric and Skew Symmetric matrices, Elementary row and column transformations, Row reduced echelon form, Rank of a matrix, Normal form of a matrix, Inverse of a matrix by elementary operations. Solution of system of linear equations; Criteria for existence of non- trivial solutions of homogeneous system of linear equations, Solution of non-homogeneous system of linear equations. Eigen values and Eigen vectors of square matrices of order 2 and 3, Cayley-Hamilton theorem (with proof), Finding A^2 , A^3 , A^4 and inverse of matrices by Cayley-Hamilton theorem.</p> <p style="text-align: right;">Total Teaching Hours 14hrs</p>
Andragogy	Problem Solving Seminar Assignments Group Discussions

Assessment	Assessment Title	Assignment/Seminar/Class Test
	Marks / Rubrics	10M
	Description	Assignment through Question Bank Seminar of particular topics by students Class Test/Unit Test
Suggested books / Reference	<ol style="list-style-type: none">1. Matrices, Shanthi Narayan & P K Mittal, 5th edition, New S Chand and Co. Pvt. Ltd., 2013.2. Theory of Matrices, B S Vatssa, New Delhi: New Age International Publishers, 2005.3. Matrices, A R Vashista, Krishna Prakashana mandir, 2003	

MODULE-2	<p>Differential Calculus-I</p> <p>Successive Differentiation: nth Derivatives of Standard functions e^{ax+b}, $(ax + b)^n$, $\log(ax + b)$, $\sin(ax + b)$, $\cos(ax + b)$, $e^{ax}\sin(bx + c)$, $e^{ax}\cos(bx + c)$, Leibnitz theorem (with proof) and examples based on Leibnitz theorem.</p> <p>Partial Derivatives: Functions of two or more variables-explicit and implicit functions, partial derivatives of higher order, Homogeneous functions- Euler's theorem, total derivatives, differentiation of implicit and composite functions, Jacobians and standard properties and problems.</p> <p style="text-align: right;">Total Teaching hours : 14 Hrs</p>

VISION

FOSTERING A CULTURE OF EXCELLENCE IN ACADEMICS AND
RESEARCH

MISSION

INSPIRE AND EMPOWER INDIVIDUALS THROUGH INNOVATION AND
INDUSTRY INTERFACE

PROGRAM EDUCATIONAL OBJECTIVES

1. PEO1: Develop students' analytical skills for effective decision-making in Commerce, Trade, and Industry.
2. PEO2: Develop proficiency in leveraging data-driven insights and emerging technologies to drive strategic goals in dynamic business environments.
3. PEO3: Demonstrate leadership skills among students in their chosen professional fields for achieving personal and professional excellence
4. PEO4: Inspire students to acquire skills for societal progress, emphasizing values, accountability, and lifelong learning.

PROGRAM OUTCOMES

- PO 1: Develop proficiency in fundamental concepts of accounting, finance, taxation, marketing and business management.
- PO 2: Demonstrate proficiency in analyzing and interpreting financial statements and data using higher-order thinking skills
- PO 3: Leverage technological advancements to identify and capitalize on market trends, fostering innovative entrepreneurship in dynamic business landscapes.
- PO 4: Contribute commerce knowledge for societal growth, social welfare, and sustainable progress. (through corporate responsibility and sustainable practices)
- PO 5: Acquire employability opportunities through practical skill development, networking, and industry engagement initiatives within the commerce sector.

COURSE OUTCOMES

On successful completion of the course, the students' will be able to

- CO 1: Understand the treatment of underwriting of shares.
- CO 2: Understand the concepts and accounting treatment of Issue of shares under various types.
- CO 3: Know the valuation of intangible assets.
- CO 4: Know the valuation of shares.
- CO 5: Prepare the financial statements of companies as per companies act, 2013.

MODULE-1	UNDERWRITING OF SHARES Introduction -Meaning and need for underwriting, Advantages of Underwriting, SEBI regulations regarding underwriting, Underwriting Agreement, Underwriting Commission. Underwriter, Functions of Underwriter, Types of Underwriting, Marked and Unmarked Applications, Problems on determination of liability of underwriters. Total Teaching hours : 10						
ANDRAGOGY	Flipped learning, Practical Exercises, Role Play						
ASSESSMENT	<table border="1"><tr><td>Assessment Title</td><td>Compile and analyze SEBI guidelines for underwriting shares and underwriters. Prepare a sample underwriting agreement for a company issuing shares.</td></tr><tr><td>Marks/Rubrics</td><td>10 Marks Compile and analyze SEBI guidelines for underwriting shares, and prepare a comprehensive underwriting agreement aligned with SEBI regulations, graded based on understanding (4 marks), analysis (3 marks), drafting (3 marks), and clarity of presentation (1 mark)</td></tr><tr><td>Description</td><td>Present a detailed report on SEBI guidelines and Draft a comprehensive underwriting agreement, incorporating SEBI regulations.</td></tr></table>	Assessment Title	Compile and analyze SEBI guidelines for underwriting shares and underwriters. Prepare a sample underwriting agreement for a company issuing shares.	Marks/Rubrics	10 Marks Compile and analyze SEBI guidelines for underwriting shares, and prepare a comprehensive underwriting agreement aligned with SEBI regulations, graded based on understanding (4 marks), analysis (3 marks), drafting (3 marks), and clarity of presentation (1 mark)	Description	Present a detailed report on SEBI guidelines and Draft a comprehensive underwriting agreement, incorporating SEBI regulations.
	Assessment Title	Compile and analyze SEBI guidelines for underwriting shares and underwriters. Prepare a sample underwriting agreement for a company issuing shares.					
	Marks/Rubrics	10 Marks Compile and analyze SEBI guidelines for underwriting shares, and prepare a comprehensive underwriting agreement aligned with SEBI regulations, graded based on understanding (4 marks), analysis (3 marks), drafting (3 marks), and clarity of presentation (1 mark)					
Description	Present a detailed report on SEBI guidelines and Draft a comprehensive underwriting agreement, incorporating SEBI regulations.

BRIDGE COURSE & ANIMATION WORKSHOP

- **Title :** BRIDGE COURSE & 2D ANIMATION WORKSHOP
- **Date :** 13 - Sept - 2022 to 20 - Sept - 2022
- **Time :** 8.00 - 1.30
- **Venue :** LH - 307 & Computer Lab
- **Introduction :**

The teaching methodology as well as studying pattern undergoes tremendous changes during the transition from pre-university level to degree program. To ensure the smooth sailing during this phase, lot of guidance and hand holding from teaching fraternity is very much needed. So, before the commencement of regular classes bridge course is conducted for newly inducted students. The syllabus for the course is framed in such a way that, equal importance is given to Basic Mathematics, Algorithms, Advanced skill such as Gaming workshop for Higher Education.

- **Guest profile :**

Sagar Deshpande :

2D Animator and Artist with over 8 years of experience, he is proficient with 2D Animation software like Adobe Animate, Toon Boom Harmony, TV Paint etc. He has also worked in the field of Pre-production and Illustration and has hands-on experience in Storyboarding, Character Design, Layout Design. He has trained hundreds of students to build their own digital art. He has skill set in 2D Animation, Character designing and Storyboarding. He is a dedicated, passionate and hardworking personality. He likes to enrich young minds with creativity in the field of animation.

- **Objectives**

- To demystify what is expected of students in degree classes and
- To provide adequate foundation in the core applied science subjects, limited to moderate level so that students do not face any difficulty when the classes commence.
- To bridge the gap between two levels of competence and to provide students the confidence and skills to successfully transition to college and new curriculum.

- **Outcomes**

- Students were able to connect with programming classes in their curriculum.
- Through gaming workshop students were able to generate basic animated games.

1. Feedback analysis (Enclosed)
2. Action taken report(ATR) for the feedback
 - a. Advance Gaming workshop will be planned in upcoming days as a part of Content development projects.
3. Attendance sheet for the event (Enclosed)
4. Bridge Time table (Enclosed)

Action taken Report for the Academic year 2023-24

Institution: Soundarya Institute of Management & Science

Report by: IQAC

Considering the feasibility of upgrading the curriculum, a comprehensive feedback survey was conducted among major stakeholders. This survey aimed to gather insights and opinions from students, teachers, alumni, and employers regarding potential improvements to our curriculum.

Summary of Feedback

Stakeholders	Observations	Action taken
Students	Need for skill-oriented courses, advanced learning modules, job-oriented courses, interview training, and career guidance	Introduced practical skill courses and advanced modules, added career-focused electives and internships, implemented mock interviews and resume workshops, and expanded career counseling with expert-led seminars. Implementation: <ul style="list-style-type: none"> ● MOU Exchange and Interaction with IBM ● Adhoc training on silk dying and printing ● Global Immersion program @ Malaysia
Teachers	Teachers are unable to create syllabi due to university affiliation but are involved in university committees.	Implemented in-house Value Added Programs allowing teachers to develop and design course content, align programs with industry needs, and create e-content for curriculum enrichment, leveraging their roles on university boards and committees. Implementation: e-content development <ul style="list-style-type: none"> ● Advance Excel ● Strategic Customer Engagement ● Power BI ● Activity Based Learning
Alumni	Alumni expressed concerns that the current course may not sufficiently improve job prospects for students.	Introduced additional courses and certifications designed to enhance job readiness and employability, ensuring that students gain relevant skills and qualifications that benefit their career prospects. Implementation <ul style="list-style-type: none"> ● Pre-Placement Training and mentoring session from sims alumni working in Akamai Technology &

		<p>Appisode Pvt. LTd.</p> <ul style="list-style-type: none"> ● Edu.Net foundation (Next Generation employment training - EY) ● Entrepreneurial Echoes (Orientation Program by Alumni Entrepreneurs) ● 2D Game Art workshop conducted by KAMS to create job market in Animation industry.
Employer	Employers noted that graduates lacked specific skills and practical experience needed for the job market. They also recommended incorporating startup support through various schemes.	<p>Added industry-relevant courses and increased practical training opportunities. Established stronger partnerships for internships and hands-on projects. Additionally, set up a pre-incubation center to support startups and implement various schemes for entrepreneurial ventures.</p> <p>Implementation: Training & Placements</p> <ul style="list-style-type: none"> ● Garuda Aerospace (Drone technology) ● Finistra Fintech Software solutions (Financial training) ● Capgemini (Customer Executive Services) ● 100 hours internship from Computer Society of India – Bangalore Chapter.
