Faculty coordinator(s)	Ramya Sheshadri

Objective(s) & Outcome(s)		
Objective(s)	1	Structured Internship Opportunities: Establish a framework for offering structured and meaningful internships, ensuring that students gain practical, hands-on experience relevant to their academic studies and career aspirations.
	2	Career Readiness: Ensure that students develop essential workplace competencies such as communication, teamwork, time management, and problem-solving, preparing them for seamless integration into the workforce.
	3	Mentorship and Guidance: Provide students with access to experienced industry professionals who can mentor and guide them through their internships, fostering personal and professional growth.

Outcome(s)	1	Enhanced Employability: Interns will develop industry-relevant technical skills and workplace competencies, making them more competitive in the job market.
	2	Career Clarity: Students will gain insights into various career paths and roles within their industry, helping them make informed career decisions based on first-hand experience..
	3	Improved Job Readiness: Increased confidence and preparedness for entering the job market, resulting in a smoother transition from training to employment.
