ABOUT THE AUTHORS

Mr. Stikenth S is corrently working as a Director in IT Services Company. He has worked as Selfware Engineer, Project Leader, Technical Leader, Corporate Trainer and Project Manager in various MRC companies. We has worked as MOD of BCA & MCA department in BRN Adarch College and worked as Guest Faculty in various colleges in Bangalore. He has 23 years of experience in Academic and IT Profession. We traine hage number of students in Pragramming languages like C, C++, Data Structures, Jave, Python, DBRS, Oracle, Web Programming and J2EE. The author has written more than 13 technical text books in the field of computer science & mathematics and all his backs have been well received by both student and teachers community. He is a passionate about creative and innovative content creation.

Mr. Manoj Kumar N is an assistant professor of Computer Belence at Boundarya Institute of Management and Science, Bengaloro. He is well versed in Python programming, Problem Salving using C, OOPs using Java, Cyber Sacurity, Android Application Development, Web Technologies...so an. He has been contributing his expetites knowledge as a faculty member of Computer Science for the last 9 years. His good number of research papers was published in several national international and UGC Care journals. Mr Manoj Kumar is also good at training UPSC aspirants. For the last 9 years, he has been rendering an exceptional contribution to the lives of students both in academics and competitive examinations. His quest for learning and exploring opportunities and knowledge is a testimony of Mr Manoj Kumar's book.

Prof. Anuradha Sindhia holds the position of Assistant Professor in the Department of Computer Science at Soundarya Institute of Management and Science, Bangalore. With a rich experience spanning over 13 years, she demonstrates exceptional proficiency in various Computer Science domains such as Problem Solving Techniques using C, Data Structures, DBMS, Computer Architecture and the Design and Analysis of Algorithms, among others. Prof. Anuradia has made substantial contributions to academia, evidenced by her numerous publications, including one featured in the esteemed UGC Care list. In 2021, she served as a Board of Examinations (BOE) Member for Bangalore University, showcasing her dedication to educational excellence.

Our Other Books for BCA
