Dear Sir,

Sub: Declaration of Research Funds.

With regard to the above subject, I would like to bring to your kind notice that the Governing Council has resolved to allocate the funds received from non-governmental organizations and individual donors towards research activities in the college for the academic year 2023-24. The funding will also be disbursed to support innovative research projects that align with our institutional goals and strategic priorities for the year 2024-25. Accordingly, I request you to identify four projects; two from Science, one each from Humanities and Technology for funding.

Hence, I request you to call for proposals from Faculty members of our college under Minor research Project grant. Kindly acknowledge receipt of this letter and confirm the acceptance of the same.

Regards

Keerthan Kumar .M

**RESEARCH AND DEVELOPMENT CELL
SEED MONEY FOR RESEARCH PROPOSAL CALL 2024**

Research and development cell at SIMS invites the application for Research Funding from faculty members of our Institution.

Scheme: Seed money for Research.

Guidelines: The guidelines for submission of project proposals In Science, Humanities and Technology should be in the prescribed format of the R & D Department.

Objective: The primary objective of the proposed incentive scheme is to encourage the faculty members of our institution to undertake research and other research related activities.

Eligibility: The principal Investigator for the proposed research shall be a full-time faculty member of SIMS.

Nature and Duration of Support:

This scheme provides research support to an individual researcher. The project duration will be for a period of 12 to 18 months.

Selection & Mode of Application:

Applications are invited once in a year through a notification based on the availability of funds. An applicant is eligible to submit only one proposal during a call and if selected for funding, he/she shall not apply again before completion of the existing project.

Plagiarism:

Submitted proposals must be original in idea and content. Plagiarism of any kind will not be accepted. All submitted proposals are subject to a similarity check and may be rejected if plagiarism is found.

How to Apply:

Three hardcopies of research proposal in the prescribed format may be submitted to the Head, Research and Development Cell. Soft copy of the proposal should be sent to the mail id: research.dev2021@soundaryainstitutions.in.

Call opening Date: 30/08/2024

Call closing Date: 30/09/2024

R&D HEAD

PRINCIPAL

Soundarya Educational Trust (Regd.)
SOUNDARYA INSTITUTE OF MANAGEMENT & SCIENCE
(Recognised by Govt. of Karnataka & Affiliated to Bangalore University)
Accredited by NAAC with "B+" Grade

Date: 26-09-2024

Dr. Sandeep Nair
Registrar, Evaluation
Chanakya University
Bangalore.

Sub: Request to be a member of the Review committee for selection of Minor Research Projects.

Dear Sir,

Soundarya Institute of Management and Science is one of the premier institutions of Soundarya Educational Trust® started way back in 2007 with the intention of imparting quality education, producing responsible, competent, capable students to meet the challenges of present competitive globalised world and also good human-being to construct a better society to live in. The institution is affiliated to Bangalore University and offering UG programmes in Commerce, Business Administration, Aviation Management, Computer Science, Pure Science, Journalism, Criminology, Forensic-Science & PG programmes in Commerce and Masters in Business Administration. The institution is reaccredited by NAAC with "B+" Grade and is also recognized by the UGC under Section 2(f) and 12(B).

Soundarya Institute of Management and Science (SIMS) has long been committed to foster knowledge creation and innovation. Our institution boasts of comprehensive ecosystem that includes several specialized units such as Research and Development Cell (R & D Cell), Institution Innovation Cell (IIC), Entrepreneurship Cell (E-Cell), Intellectual Property Rights Cell (IPR), and Indian Knowledge System Cell. Through these units staff and students of SIMS has achieved significant milestones, including:

- Over 150 publications in National, and International Conferences.
- More than 10 UGC, Scopus and Web of Science Publications.
- Faculty authorship of books and book chapters at both National and International levels.
- Published more than 12 National and International Patents.
- Success in state and national-level business plan competitions, with our students winning the Best Business Plan of the Year 2022-23 awarded by FKCCI.

Institution has industry academia collaborations with prestigious organizations such as the Central Coir Research Institute, Regional Coir Board, Karnataka Science Technology Academy, ISRO, IBM, ITC, CSIR Labs, CSTRI, and 22 other Private and Government Agencies for research and other academic activities.

As the institution commitment to address key social, environmental and educational challenges to promote Sustainable practices, Our management encourages the faculty to undertake research projects aligned with these objectives and has been funding continuously for the research activities in the institution. This year seed money has been allotted by our management for funding the minor research projects, two in Science stream and one each from Humanities and Technology.

In this regard, the R&D department has called for Minor Research Project Proposals for the academic year 2024-25 from our faculty members. We invite you as a member of the review committee for the selection of the minor research project proposals. We believe your expertise would greatly enhance the evaluation process.

We sincerely hope you will consider this request and join us in our endeavor.

Best Regards,
