## Health Camp

Soundarya Institute of Management and Science organized a health camp on 12/07/2024 to sensitize the significance of “*Health on Priority*”. A group of personnel of SPARSH hospital volunteered to bestow the event. All the teaching fraternity and non teaching members were carefully administered by the Team SPARSH and addressed the necessity. The event was acknowledged by the management members of Soundarya educational Trust and the administration of SIMS. The celebration was successfully officiated by NSS program officer Somashekarappa B K.

## Report on World Environment Day In association with Coir Board

Date: 5<sup>th</sup> June, 2023

Venue: Amphitheatre.

Title: A Report on World Environment Day in “Soundarya Institute of Management and Science”.

### **Introduction:**

The World Environment day event was conducted in “Soundarya Institute of Management and Science” on June 5 2023. The theme for the year 2023 is “BEAT PLASTIC POLLUTION”. The purpose of conducting this event was to create awareness about Environmental pollution and their adverse effect on Ecosystem. The event aimed to educate people about the effect of more plastic usage on Environment and how to reduce the usage of plastic by replacing them by Biodegradable materials.

### Objectives of the program:

- The primary objective of the session was to raise awareness among the students about the effects of usage of more plastic.
- The event aimed at educating students to reduce the usage of plastic and to switch for biodegradable materials
- The awareness about adverse effect of Environmental pollution for the future generation was also a concern.
- The participants were also educated about Coir which is biodegradable material and suggested to make use of products made using Coir.

### Key takeaways:

- Participants understood the effects of plastic for the Ecosystem.
- They also got ideas about less usage of plastic and make Environment plastic free.

### Expected Outcomes:

- Participants educate the public about the minimal usage of plastic.
- Students will make their home and campus plastic free area.
- Participants will plant trees to keep our Environment green and Pollution free.

### Actual Outcomes:

- Students were attracted to the coir products and purchased them for their use.
- Plastic bags are replaced by paper bags and cloth bags.
- Watering the plants and planting the trees wherever necessary was also observed.

To, **COMMANDING OFFICER,**  
 Air Force Station,  
 Chimney Hills

**Subject: Kindly permit for sapling in new our campus, adjunct to Airforce Campus**

Dear Sir,

With reference to above mentioned subject, I would like to bring to your notice that Soundarya campus (Thotadaguddhalli behind Government Primary School) is planning to Plant Saplings in our campus on 15<sup>th</sup> August 2024 onwards. As a part of the event, I am extending an invitation to you to be part of the program. The aim of the program is to spread the importance of planting sapling in the contemporary world and its value among upcoming generations.

I am also seeking your permission to plant the saplings because, our campus is very much adjunct to Air Force campus for that we are seeking your permission to plant the sapling. I am sure you will support in this noble concerns and permit for the same.

Therefore, I am requesting you to accept out invitation and grace the program on the day.

With regards,

## Report on International Women's Day

Name of The Committee: SPARSH- Women Empowerment Cell

Name of the event : International Women ' s Day

Event Date: 21<sup>st</sup> March 2024

Event Coordinators: Ms.Thanuja, Ms.Ramya Seshadri & Dr.Roopa Shettigar

Beneficiaries: Staff & Students

### Objectives:

The International Women's Day program organized by SPARSH - Women Empowerment Cell aimed to:

- Celebrate the achievements of women in various fields.
- Raise awareness about gender equality and women's rights.
- Provide a platform for discussing challenges and opportunities for women in different sectors.
- Recognize and honor women who have made significant contributions to society.
- Inspire and empower women within the institution to pursue their goals and aspirations.

### Outcomes

- The event successfully raised awareness about gender equality issues and women's contributions to various sectors.
- Panel discussions facilitated knowledge sharing and dialogue on pertinent topics, inspiring attendees to take action.
- The institution's gesture of awarding the panelists recognized and appreciated the achievements of women leaders.
- Attendees were inspired by the stories and experiences shared by panelists, encouraging them to pursue their aspirations fearlessly.

In conclusion, the International Women's Day program organized by SPARSH- Women Empowerment Cell achieved its objectives of celebrating women's achievements, promoting gender equality, and inspiring positive action within the institution.

It has been converted to research paper and presented in national conference at Dayanand Sagar College of Arts, Science and Commerce at Bangalore. (Publication process in pipeline)

## **A STUDY ON TRAVELLERS PERCEPTION TOWARDS VANDE BHARAT EXPRESS TRAIN – BANGALORE TO DARWAD**

**Manju**

**Dr.Prashanth Kumar C.P.**

**Vaibhav S Arwade**

---

Vande Bharat Express also known as train 18 is an indigenous Sem-high speed train in India it was designed and built by the Integral Coach Factory (ICF) IN DARWAD Vande Bharat Express is known for its modern feature such as automatic doors. Onboard wi-fi, GPS based passenger information system and mars. It run on electric Traction, offering a smooth and efficient travel Experience for passengers.

It was introduced by the Indian Railway and was in augurated by Prime minister Narendra Modi on Feb-15-2019.

It is introduced to revolutionize train travel in India by providing a world-class Experience with modern amenities and cutting-edge technology its introduction aimed to enhance passenger comfort, safety and speed showcasing. India's capabilities in indigenous high-speed train manufacturing additionally. It was part of the government efforts strengthen the county's railway infrastructure.

The Vande Bharat Train, also known as Train 18, offers several benefits such as higher speed, improved passenger comfort, enhanced safety features reduced travel time. Compared to conventional trains. It's designed to modernize India's railway infrastructure and provide passengers with a more efficient and enjoyable travel experience.

The Compilation of 200 structured questionnaires on the facilities provided in the Vande Bharat Train represents a comprehensive effort to assess and evaluate passenger experiences and satisfaction levels .Through meticulous data collection and analysis, valuable insights can be gleaned regarding the strengths and areas for improvement of the train's amenities and services. This extensive dataset will serve as a valuable resource for policymakers, railway authorities, and stakeholders involved in the continual enhancement of the Vande Bharat Train. By leveraging the feedback gathered from passengers, informed decisions can be made to further optimize and tailor the facilities to meet the evolving needs and expectations of travellers, ultimately ensuring a superior and more fulfilling journey experience aboard the Vande Bharat Train.

**SOUNDARYA "LAHARI"**  
A Public Lecture Series

On Friday 17.03.2023 @ 5.30pm to 7.00pm  
@ Soundarya Comp. PU College Campus

**The Science of Personal Health Management**  
Some Questions & Answers  
ವ್ಯಕ್ತಿಯ ಆರೋಗ್ಯವನ್ನು ಸುಗಮವಾಗಿ ನಿರ್ವಹಿಸುವ ವಿಜ್ಞಾನ

Dr. Prakash C. Basu

Soundarya Institute of Research and Innovation (SIRI), is a new effort to provide space for Research and Innovation activities across the Soundarya Group of Institutions. Soundarya "LAHARI", a public lecture series, proposed to be held regularly on third Friday/Sunday of every month. Soundarya "LAHARI" sets to provide a unique discourse opportunity for public on various contemporary issues that touch on academic and social interventions. It is hoped to place the vastness of knowledge available in the minds of people to appreciate the accrued benefits to take further applications. The series includes disciplines such as Science, Mathematics, Philosophy, Humanities, Arts and Media with equal gendered interface and strictly focused on quality matters. This month's program, the second in the series, "Focuses attention to questions and how best about understanding health in a very scientific way".

Dr. Prakash C. Basu, an expert in the field of Personal Health Management, will discuss the science of personal health management, covering topics such as diet, exercise, stress management, and more. The session will be held in Kannada and English, and will be a valuable opportunity for students and the general public to learn about the latest research and findings in the field of personal health management.
