Principal

Objective

- To spread awareness among students, faculty and staff about the value of entrepreneurship and its role in career development and employability
- To provide academic resources to students/ staff by teaching them the innovation (technology, process or business innovation) is a mechanism to solve the problems of the society and consumers.
- To nurture entrepreneurs by suggesting them with new ideas to focus on the market niche.
- To encourage students to develop entrepreneurial mindset through experiential learning by exposing them to training in cognitive skills (e.g. design thinking, critical thinking, etc.), by inviting first generation local entrepreneurs or experts to address young minds.
- To initiate idea and innovation competitions, hackathons, workshops, bootcamps, seminars, conferences, exhibitions, mentoring by academic and industry personnel, throwing real life challenges, awards and recognition should be periodically organized.
- To nurture students for creating start up through the education; integration of education activities with enterprise-related activities should be done.

Institution's Innovation Council (IC) established at

Soundarya Institute of Management & Science, Bengaluru Urban

had undertaken various activities prescribed by Innovation Cell, Ministry of Education, Govt. of India to promote Innovation and Start-up in campus during the IC calendar year 2022-23.

Prof. TG Sitharam
Chairman
AICTE

Dr. Abhay Jere
Chief Innovation Officer
MOE, Innovation Cell

Mr. Dipan Sahu
Assistant Innovation Director
MOE, Innovation Cell

Letter of Appreciation

Dear Sir/Madam,

Please accept our sincere gratitude to all the chief functionaries and every members of the IC Institution's Innovation Council (IC) of Soundarya Institute of Management & Science for the continuous support and contribution towards building the innovation and entrepreneurship culture development in your campus and also extending support to help other IC institutions towards growth of the IC network during the academic year 2022-23.

Chief Functionaries of the IC at Soundarya Institute of Management & Science, Bengaluru Urban

Name	Position
DR VANI RAMESH	President
GIRISHA	NISP Co-ordinator
Mr Shivakumar U Ganachari	Vice President
Mrs. Malavelze M	Start up Activity Coordinator
Mrs Prithvi Heggade M.P	Innovation Activity
Mrs. Ranjya Seshadri	Internship Activity Coordinator
Mrs. Rekha C	IPR Activity Coordinator
Sujeesh Surendran	Social Media
Dr. ROOPA SHETTIGAR	Convener

As we are progressing towards a 'quality' driven I&E ecosystem development, we strongly believe that the IC model and its unique structure is definitely putting your HEI's thoughts, actions and aspirations in a systematic way to achieve inclusive and holistic development of the ecosystem.

Thanks & regards.

Yours Sincerely,

Dipan Kumar Sahu

Assistant Innovation Director
MoE's Innovation Cell, Govt. of India

Guest lecturer Report - 03

Title : Interactive Session on Ideation tools for Innovation

Resource Person: SURAJIT SEN, Founder, CREST Technologies.

Time : 12:00 am – 1:00 pm

Venue : Ocarina

Date : 28th Oct 2022

Introduction :

Ideation is the stage of the innovation process in which new ideas and concepts are generated using a multi-stage process consisting of phases and gates. While ideation generally describes the creative, multi-stage methodology of idea generation, we understand idea management to be more of an operational process in the corporate context for the systematic generation, enrichment, evaluation, and management of ideas in all phases of the innovation process.

Guest Profile:

An entrepreneur, Surajit Sen, at the Indian Institute of Science in Bengaluru, he received his bachelor's degree in electronics and communication engineering. He joined Indian Telephone Industries after graduating and worked on the team that developing a communications system for the Indian Army's communication system. In 2008, he founded Crest Technologies, which at first offered corporate training. A cutting-edge linking programme that could link printed documents with multimedia and web pages was created by Crest Technologies in 2010.

Objectives :

- To inspire and motivate the pupils to come up with innovative ideas.
- To encourages the growth of critical thinking and decision-making skills in pupils.
- Enables pupils to approach difficulties wisely by preparing themselves.
- To know opportunities for value generation are the subject of ideation.
- To Enables pupils unique set of inspiration triggers.

Outcomes :

- Pupils learned to think creatively and beyond the box.
- Learn Reverse thinking, testing long-held ideas, analogous thinking, and coming up with the worst case scenario for a problem are all techniques that can help you think creatively and innovatively.
- Gain the ability to spot business possibilities where others only perceive issues.
- Learn to recognize social issues and have context analysis skills.
- Learn to examine emerging technology and rapidly grasp how they might be used to address issues.

EVENT REPORT

Event Name: Planning Idea and customer Validation

Date: 10-10-2022

Venue: : Ocarina

Time: 10:30 AM to 12:30 PM

Objectives:

1. To undertake planning for new ideas.
2. To create and execute strategic plan.
3. To integrate the plan and create a strategic roadmap.

Expected Outcome:

1. To build an articulated plan for the ideas.
2. To create a plan and identify the prioritised needs.
3. To build a better plan with simple, proven, practical step

Actual Outcome:

1. Students were able to anticipate the contingencies and plan according.
2. Students were able to decide how best they can use the resources for planning.
3. Students got to know that planned actions are not planned outcomes

Staff Coordinators

1. Prof. Afaq Ahmed
2. Prof. Vibin
3. Prof. Aishwarya

Brief about the event : The Department of Business Administration organised a session for the first year BBA students.

The speaker Mr Ramesh Venkatraman gave wonderful insights about different perspectives, approaches and interventions and ideas for planning. Stressed on planning and risk scenarios.

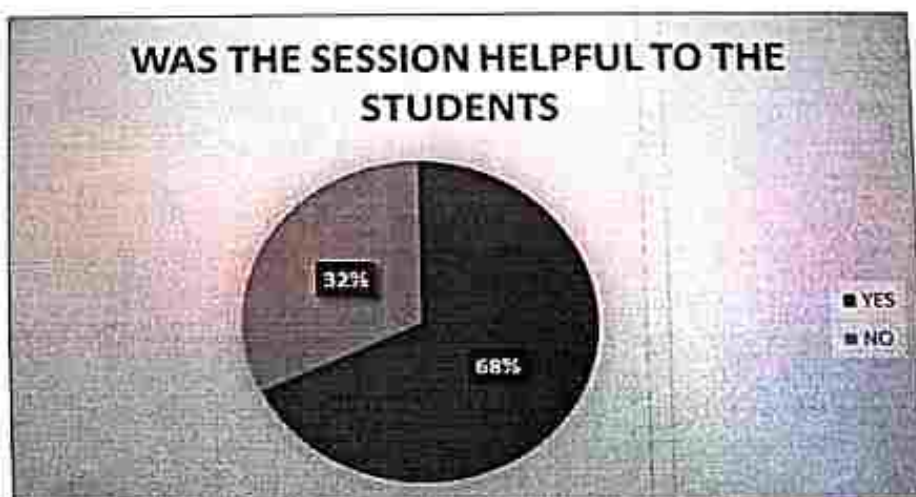

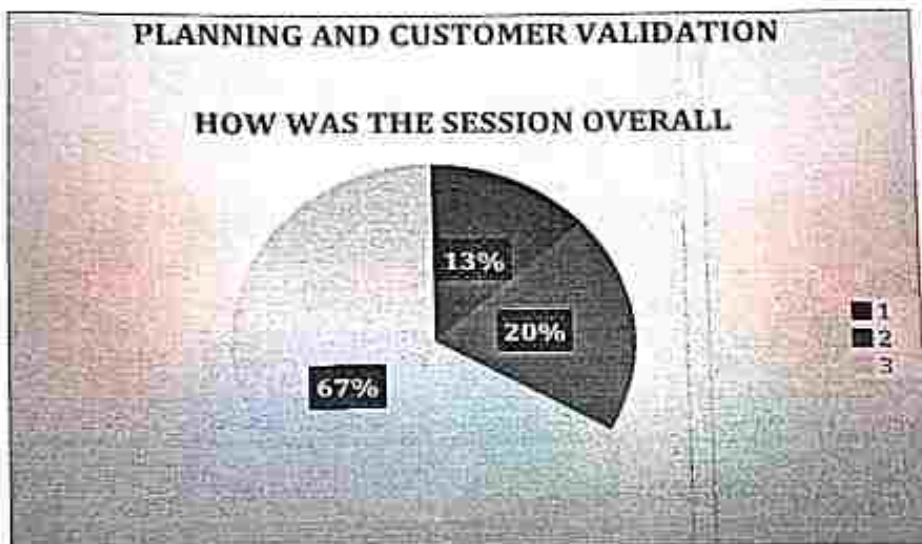

The ideas which were generated should have proper customer validation. The speaker asked the students to actively participate and initiate and plan ideas especially in taking risks with the customers which is also an essential for entrepreneurship.

Nature of the Event: Pervasive on planning process

No of participants: 40

No of Audience: 40

Report on Employability and Entrepreneurship Enhancement Program

Date: 30.05.2023

Venue: Ocarina

Introduction:

On 30.05.2023, an engaging guest talk was conducted at the "Soundarya Institute of Management & Science" by the MBA Department in association with IQAC, IIC & G20. This talk focused on the importance of Employability & Entrepreneurship Enhancement in students' careers. The aim was to enlighten and equip students with knowledge about the current market scenario and encourage them to consider entrepreneurship as a viable alternative to traditional employment.

Program Objectives:

- Foster students' awareness of the significance of Employability & Entrepreneurship Enhancement.
- Provide students with comprehensive insights into the prevailing market trends and opportunities.

Key Takeaways:

- Participants gained valuable knowledge regarding the benefits and relevance of entrepreneurial pursuits.
- Participants were introduced to a variety of online courses aimed at enhancing employability and fostering career growth.

Expected Outcomes:

- Familiarity with the entrepreneurial mindset and exposure to online courses for improved employability.
- Enhanced ability among participants to recognize opportunities and embark on the entrepreneurial path.

Actual Outcomes:

- Participants developed a deeper understanding of the entrepreneurial journey.
- Increased confidence and expanded opportunities for better employment and entrepreneurship.

Report on Employability and Entrepreneurship Enhancement Program:

On 30.05.2023, the MBA Department of the Soundarya Institute of Management & Science organized an enlightening guest talk on Employability & Entrepreneurship Enhancement. The session commenced at 10:00 AM with an introduction to the program and the esteemed guest speaker, Mr. Shashank Lokesh. Mr. Lokesh, a highly accomplished entrepreneur, possesses extensive knowledge and experience in the field of Employability and Entrepreneurship Enhancement. He began his career as the Co-Founder and Chief Executive Officer of Teaminup.io, a successful startup. Since February 2023, he has been working as the Chief Product Officer, further enriching his expertise in the industry.

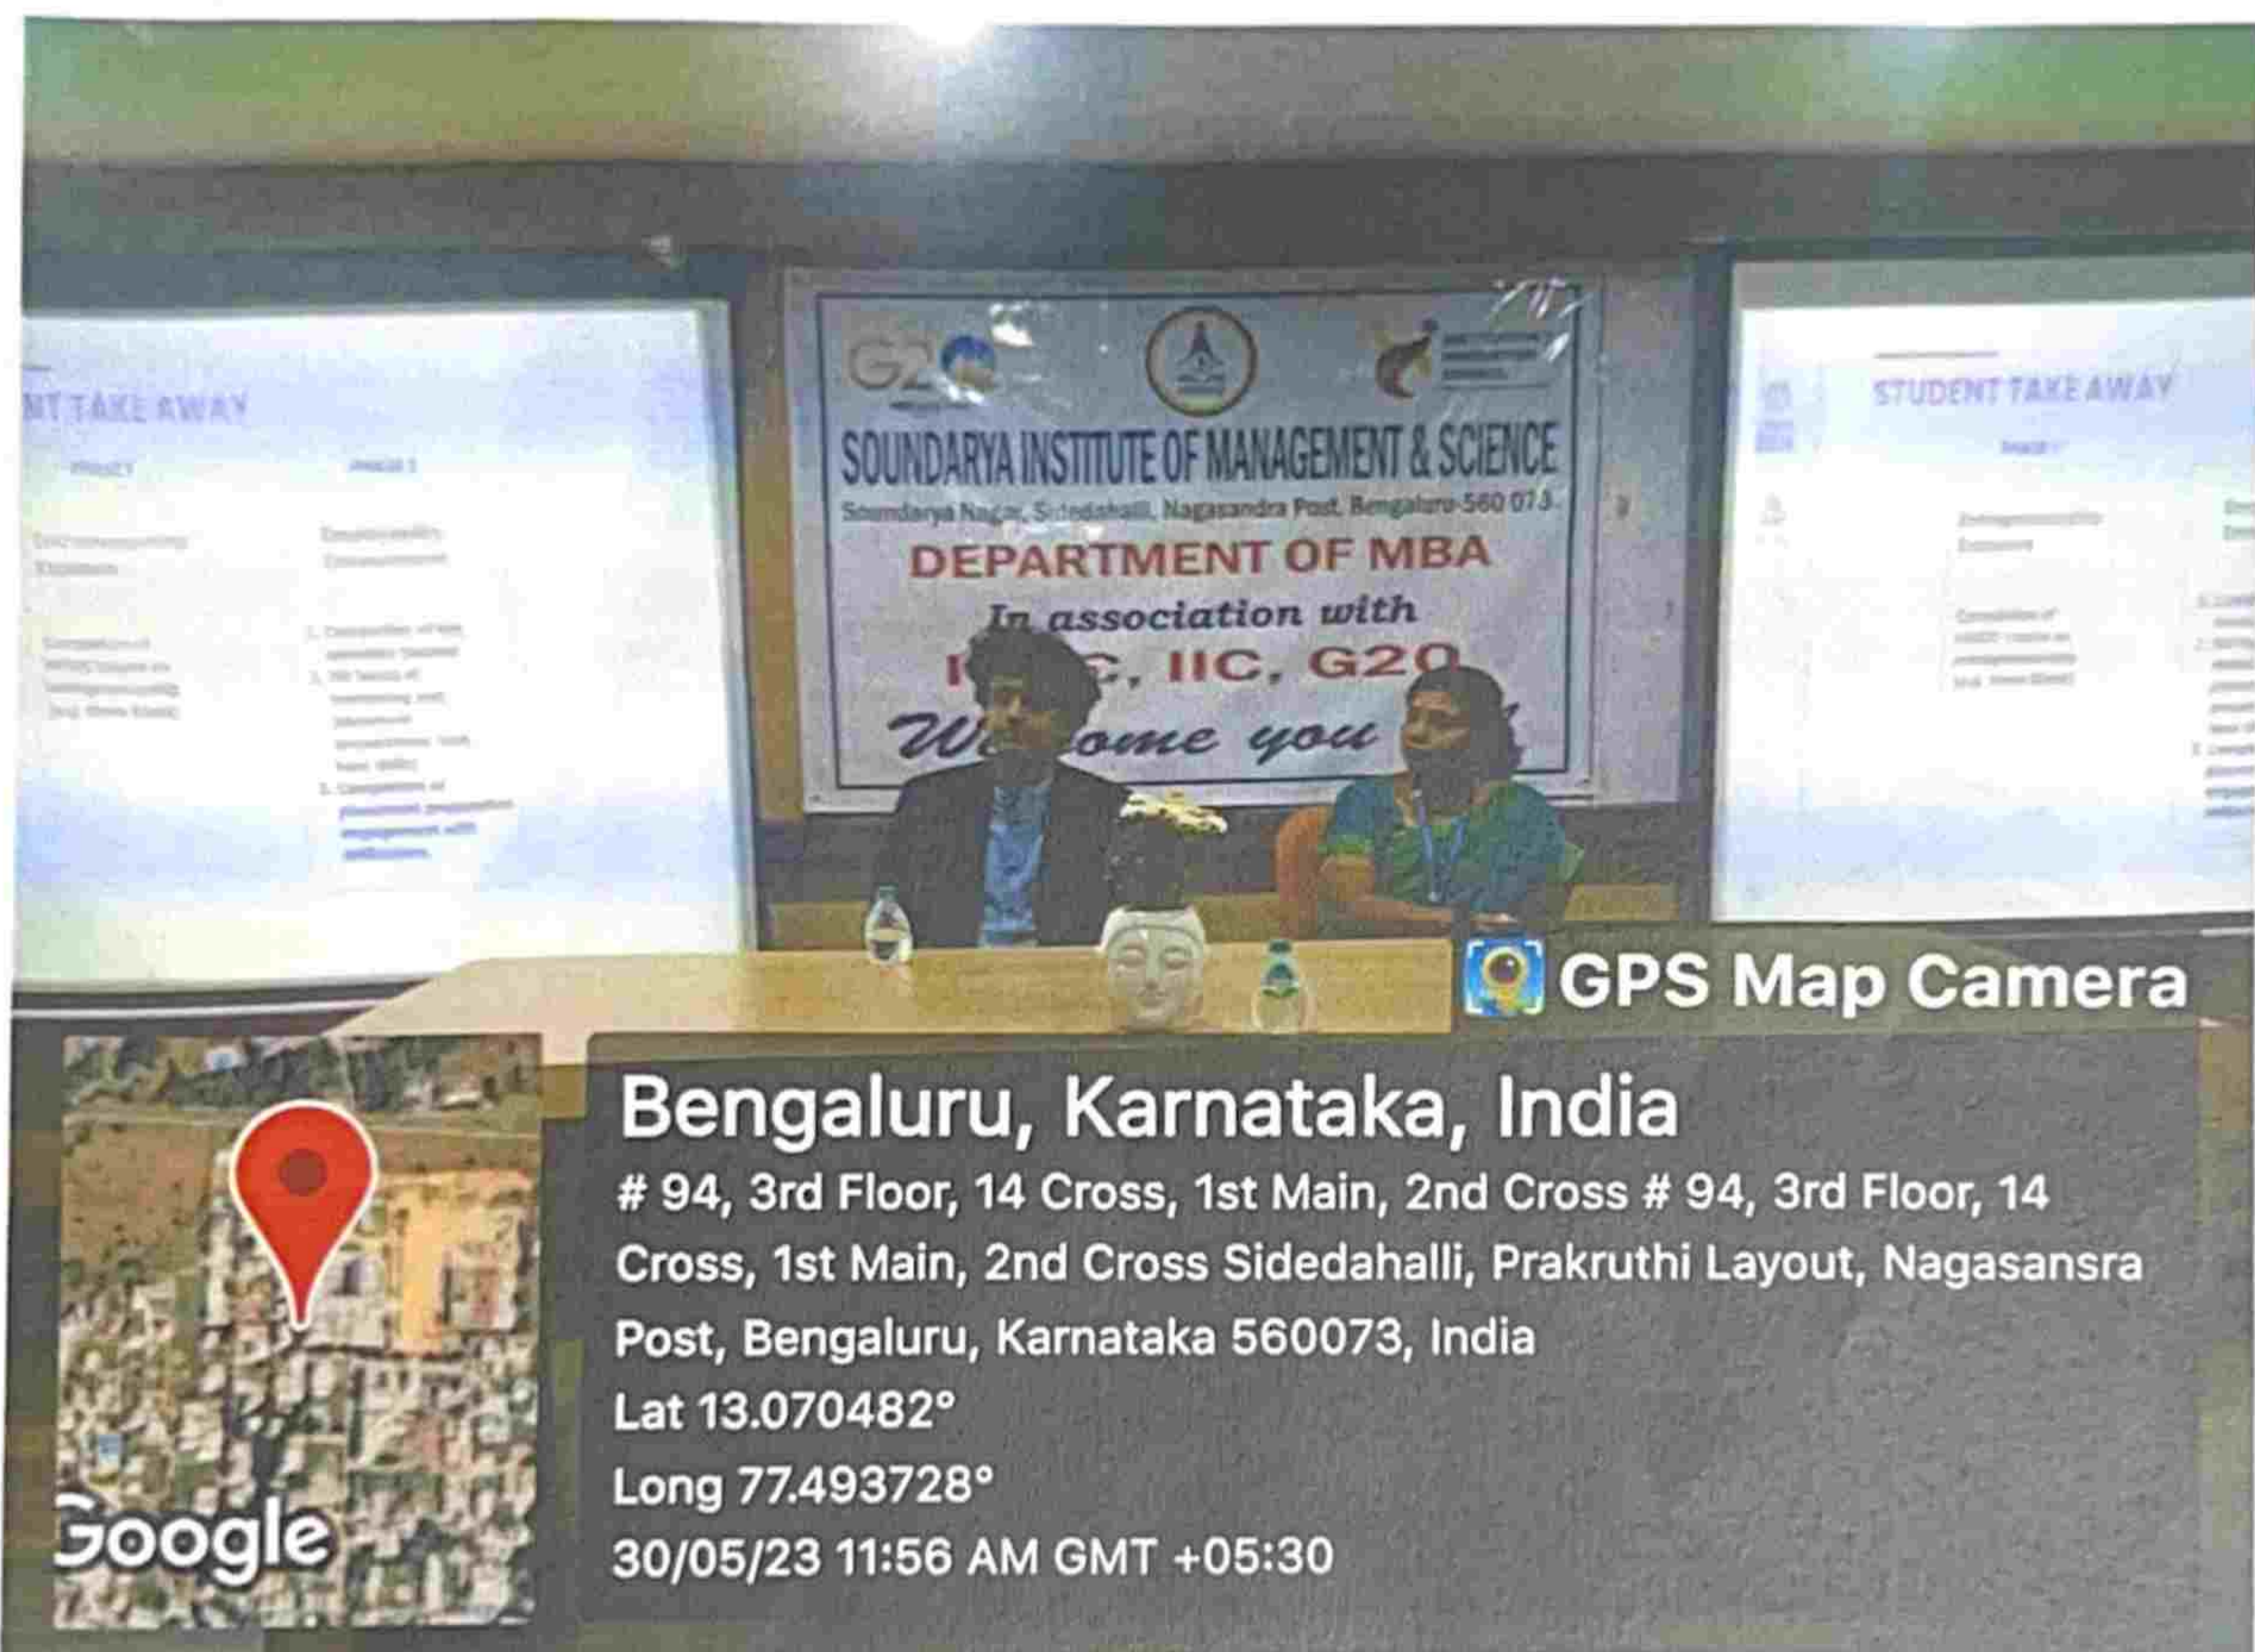

Mr. Shashank Lokesh

Keynote Speech by Mr. Shashank Lokesh:

Mr. Lokesh's keynote speech captivated the audience with his profound insights and practical wisdom. He commenced by sharing his personal journey of entrepreneurship, discussing the challenges he faced and the lessons he learned along the way. Mr. Lokesh emphasized the importance of having a strong foundation in employability skills, which go beyond academic qualifications, to succeed in today's competitive job market.

Drawing from his own experiences, Mr. Lokesh highlighted the significance of entrepreneurial thinking and its impact on personal and professional growth. He explained how cultivating an entrepreneurial mindset enables individuals to identify and seize opportunities, adapt to changing circumstances, and continually innovate. Mr. Lokesh shared valuable strategies and techniques for enhancing employability, including developing critical thinking, problem-solving, communication, and leadership skills.

Insights into Entrepreneurship:

During his speech, Mr. Lokesh provided valuable insights into the world of entrepreneurship. He discussed the characteristics of successful entrepreneurs, such as resilience, perseverance, and the ability to learn from failures. Mr. Lokesh emphasized the importance of passion and purpose in driving entrepreneurial endeavors, urging students to pursue ventures aligned with their interests and values.

Furthermore, Mr. Lokesh shed light on the current entrepreneurial landscape, highlighting emerging industries and trends. He emphasized the potential of technology and digital platforms in creating innovative solutions and disrupting traditional industries. Mr. Lokesh encouraged students to explore entrepreneurship as a viable career path, showcasing the freedom, autonomy, and fulfillment it can offer.

Interactive Sessions and Q&A:

Following the keynote speech, the session continued with interactive sessions and a Q&A segment. Students enthusiastically participated, seeking further guidance and clarification on various aspects of employability enhancement and entrepreneurship. Mr. Lokesh addressed their queries, providing practical advice and sharing real-life examples from his entrepreneurial journey.

Key Takeaways:

The guest talk on Employability & Entrepreneurship Enhancement with Mr. Shashank Lokesh provided students with several key takeaways, including:

Importance of Employability Skills: Students realized that employability skills are crucial for success in the job market, beyond academic qualifications. They understood the significance of developing a diverse skill set that includes critical thinking, problem-solving, communication, and leadership abilities.

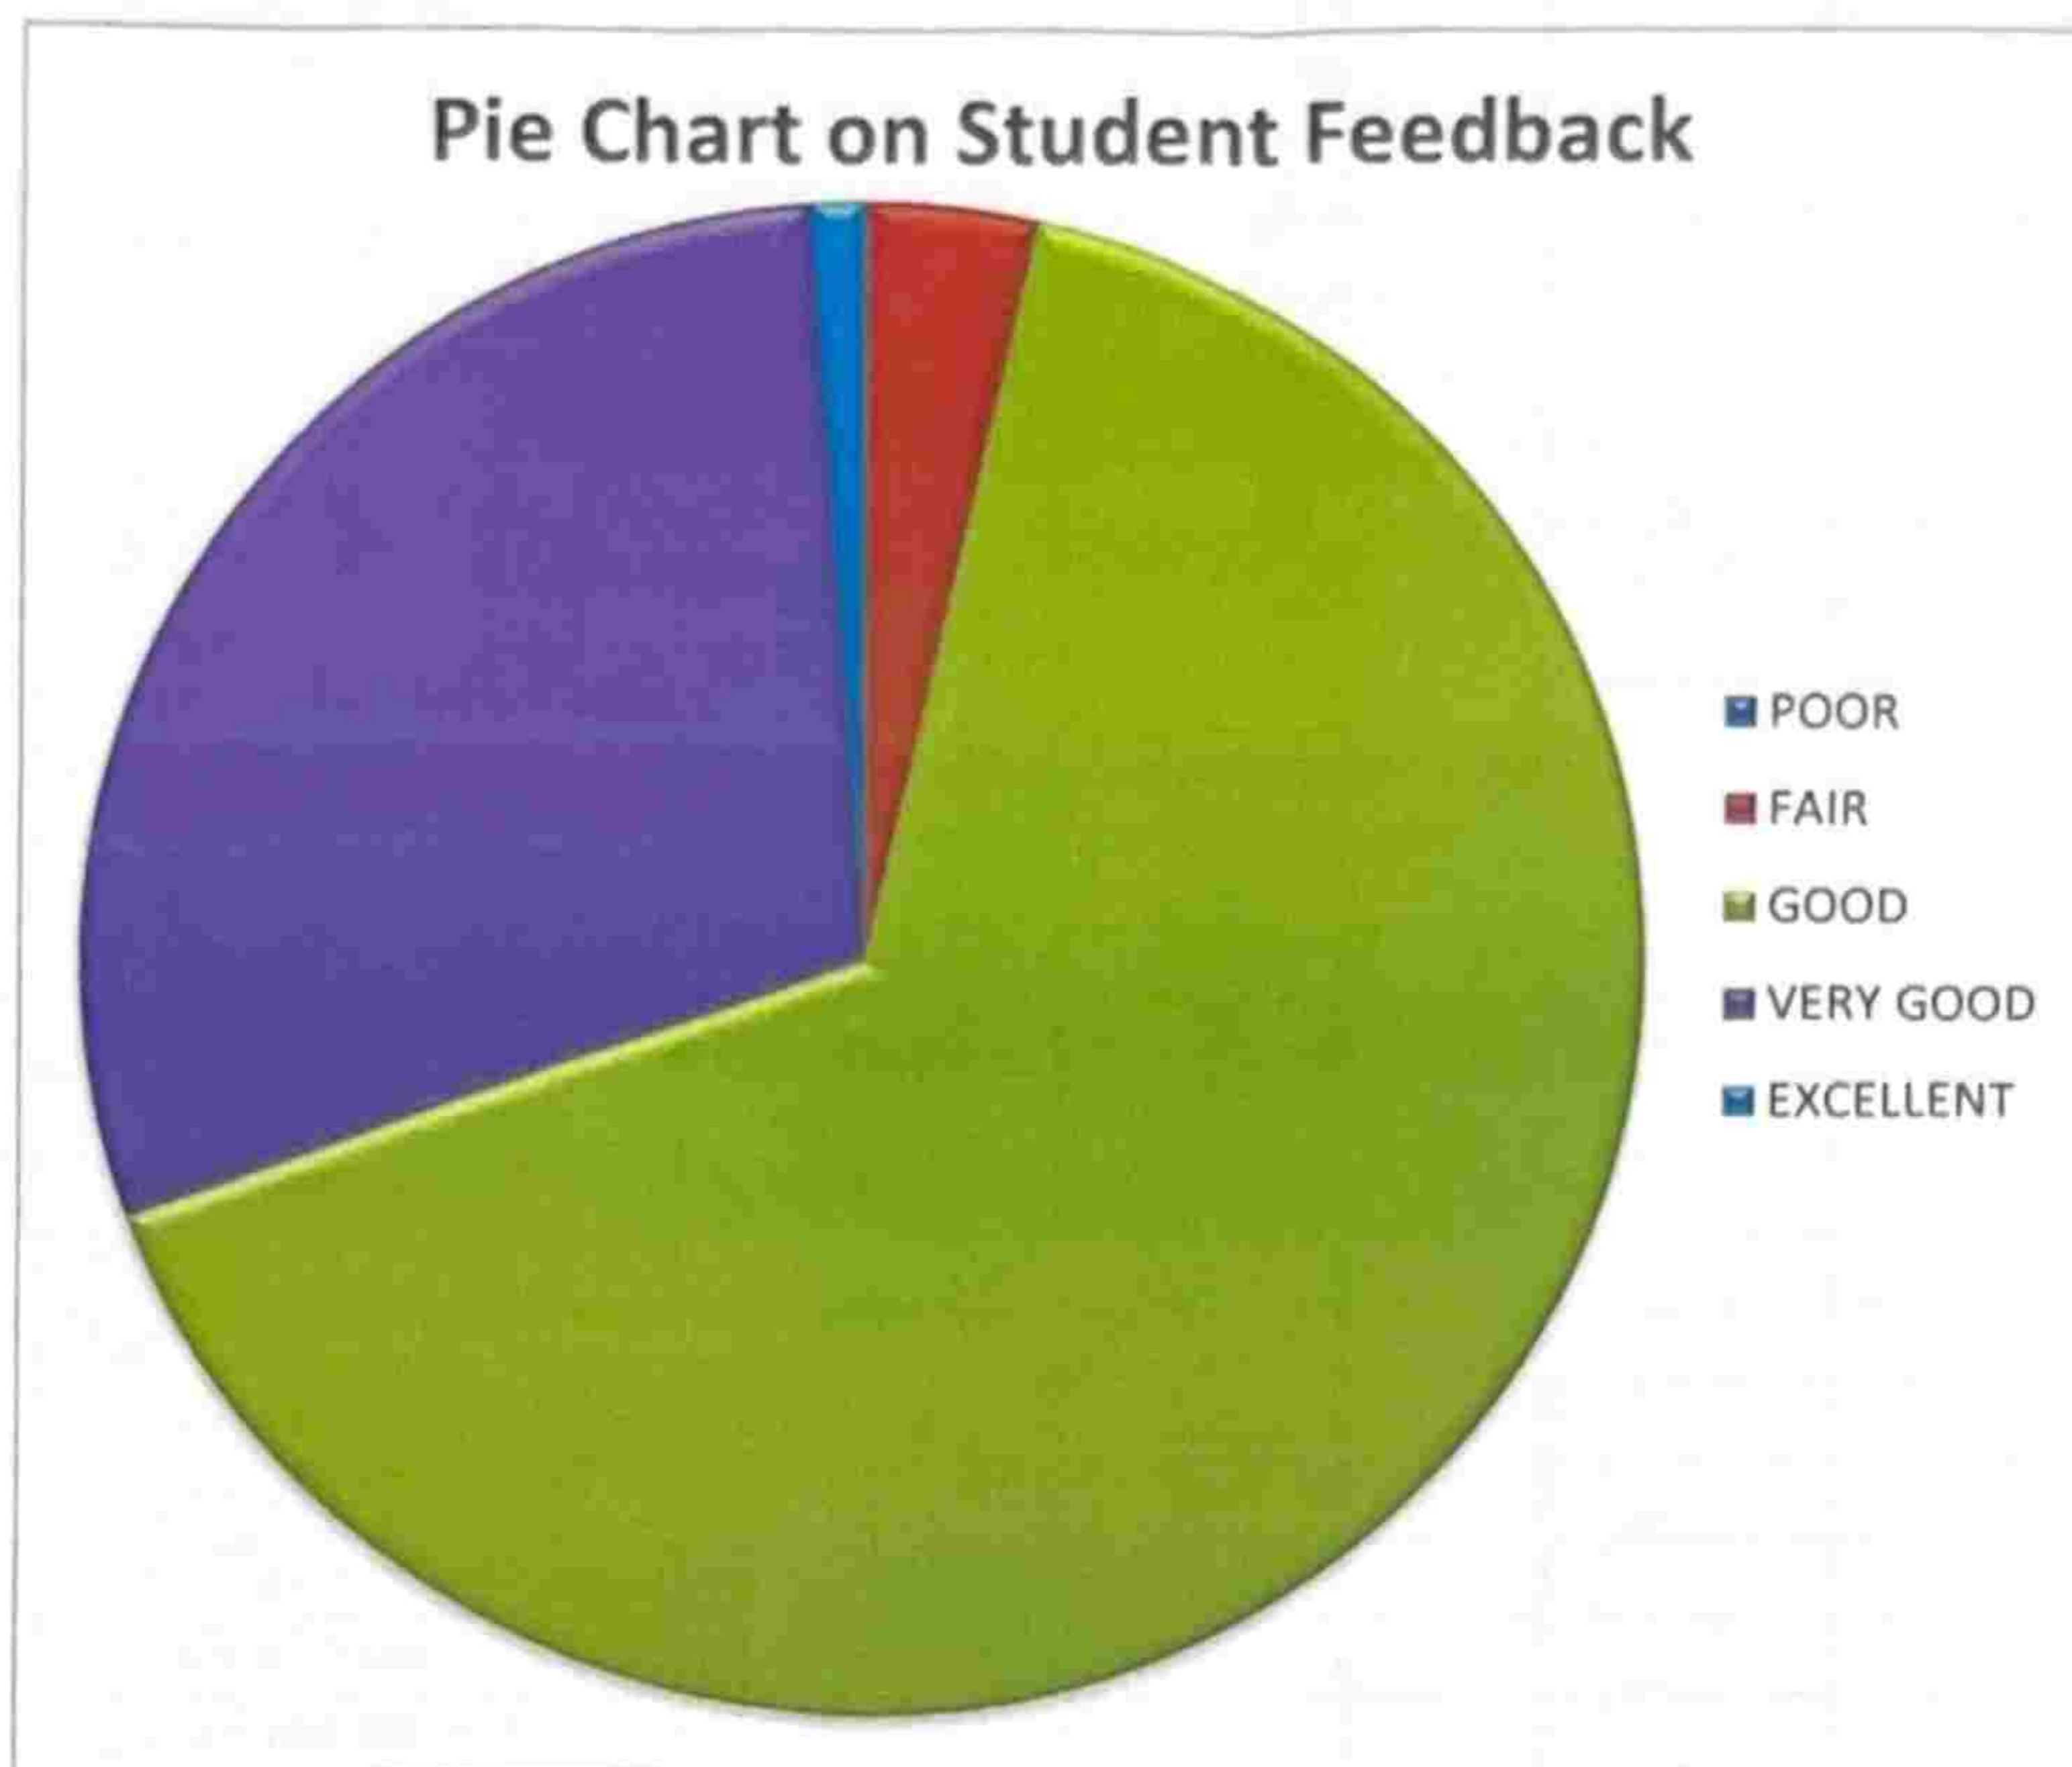

Entrepreneurial Mindset: The talk emphasized the value of cultivating an entrepreneurial mindset, which enables individuals to identify opportunities, adapt to change, and drive innovation. Students gained insights into the characteristics and qualities of successful entrepreneurs.

Opportunities in Entrepreneurship: Mr. Lokesh's insights into the current entrepreneurial landscape and emerging industries inspired students to consider entrepreneurship as a viable career path. They learned about the potential of technology and digital platforms in creating innovative solutions.

Practical Guidance: Through the interactive sessions and Q&A segment, students received practical guidance from Mr. Lokesh, who shared his experiences and provided valuable advice on navigating the world of entrepreneurship and enhancing employability.

GUEST TALK ON

Legal Approach for Commencement
of Business

Mr. Yogesh G
LAW PRACTITIONER

Date: 29/05/2023

Time :10.00 Onwards

Dr. Vasu B A
Principal & Director
SIMS

Mr. Keerthan Kumar
CEO, SET

Guest Talk on Legal Approach for Commencement of Business

Date: 29.05.2023

Venue: Ocarina

Introduction:

A guest talk addressing the legal approach for commencing a business was held at the "Soundarya Institute of Management & Science" on 29.05.2023 organized by the MBA Department. The objective of the talk was to raise awareness and educate students about the crucial legal considerations when starting a business. The session provided students with a comprehensive understanding of various business structures, such as Sole Proprietorship, Partnership, Limited Liability Partnership, One Person Company, and Private Limited Company.

Program Objectives:

- Increase students' awareness of the importance of legal considerations in business.
- Provide students with a comprehensive understanding of different types of businesses.

Key Takeaways:

- Participants acquired knowledge about the significance of legal aspects in business and learned about different types of businesses and their requirements.
- Participants gained insights into the essential steps involved in establishing a business.

Expected Outcomes:

- Introduction to the legal frameworks and processes required for starting a business.
- Development of participants' ability to identify potential legal issues.

Actual Outcomes:

- Participants gained a greater understanding of the legal approach to commencing a business.
- Improved confidence and increased opportunities for implementation.

Report on Legal Approach for Commencement of Business:

The session commenced at 10:00 AM with an introduction to the program and the guest speaker, Mr. Yogesh Govi. Mr. Govi possesses extensive knowledge and experience in the legal aspects of business, holding a Masters in Business Law. He began his career as an associate with senior advocates Krishna Bhat and S. Krishna Swamy from 2000 to 2005. Subsequently, he worked as a senior associate at the law firm K R Chawla & Co. from 2006 to 2008 and later with Kochhar & Co., another law firm, from 2009 to 2016. Since 2017, he has been working as an independent law practitioner.

Mr. Yogesh Govi

Areas of Legal Practice:

- Handling pleadings and litigations at trial courts, high courts, and the National Company Law Tribunal.
- Representing a Japanese company in contested cases related to data theft in India.
- Providing corporate legal assistance on a retainer basis.
- Teaching Indian Penal Code and other legal subjects at Ramaiah Institute of Legal Studies.
- Offering title opinions on immovable properties for housing loans with State Bank of India.
- Contesting litigations on behalf of land buyers against fraudulent sale transactions.
- Assisting with banking compliance for Foreign Direct Investment (FDI) in relation to FEMA regulations.
- Ensuring legal compliance for online banking and more.

The guest talk successfully increased participants' exposure to the legal approach for commencing a business. It enhanced their confidence and created opportunities for practical implementation. The speaker's expertise and experience provided valuable insights into the legal considerations involved in establishing a business. Overall, the session achieved its objectives by raising awareness among students about the importance of legal aspects and equipping them with knowledge to navigate the legal landscape when commencing a business.

In order to enhance engagement and comprehension, the session incorporated interactive elements. Students actively participated in quizzes covering various aspects of business, stimulating critical thinking about real-world scenarios involving legal issues in business. The session concluded with a question-and-answer period, allowing students to seek clarification on specific topics and express their viewpoints. The speaker addressed a range of inquiries, fostering a deeper understanding of the subject matter.

In summary, the guest talk on the legal approach to commencing a business held at our college was highly successful. The students gained valuable insights into the significance of business startups and the legal considerations involved. The interactive activities and the question-and-answer session contributed to an engaging learning experience, encouraging active participation and knowledge sharing. These initiatives will provide students with a platform to explore emerging business issues and inspire them to become responsible entrepreneurs.

Research & Development (R & I)

Objective

- **Raising awareness:** To promote R&I and research opportunities to students and faculty
- **Encouraging research:** To Create an environment that encourages faculty and students to pursue research, and to publish their findings
- **Identifying research areas :**To Identify areas of research that are important to the university, and forming research teams
- **Collaborating:** To Identify potential collaborators from industry, academia, and other organizations
- **Solving problems:** To Generate ideas and solutions to academic and societal problems

Intellectual Property Right (IPR)

Objective

The objectives of the IPR cell at SIMS are to foster a supportive environment for intellectual property development by:

- Conducting IPR awareness programs
- Encouraging patent creation through financial assistance
- Promoting the commercialization of IPRs

These initiatives aim to stimulate innovation and help both students and faculty explore opportunities related to intellectual property rights.

Pre-Incubation

Objective

- **Fostering Innovation and Entrepreneurship:** Encourage students and faculty to develop innovative ideas and explore entrepreneurial ventures.
- **Providing Mentorship and Guidance:** Offer expert mentorship to help transform ideas into viable business models.
- **Supporting Prototype Development:** Provide resources and facilities to assist in developing and testing early-stage prototypes.

**Research & Development

RESEARCH POLICY AND GUIDELINES

SCOPE AND APPLICABILITY OF THE POLICY

In the pursuit of excellence in SIMS, a vibrant research culture is considered as a nurturing ground for innovative ideas and applications. This Research policy is applicable to all the existing Faculty members, Staff and Students.

OBJECTIVES OF THE POLICY IS TO:

1. Embrace Research as a vital part of the education.
2. Preserve and enhance the quality of Research undertaken.
3. Increase funding support for research through external and internal sources, create translucent, effective and efficient systems for accelerating research outputs through national and international funding agencies and collaborations.
4. Creation and maintenance of research infrastructure to enable conduct of state-of-the-art research through funded projects.
5. Confirm a facilitating environment for conduct of high-quality original research by all individuals affiliated with the Institutions and provide continued and effective support for pursuit of research activities.
6. Safeguard of intellectual property (IP) generated as a result of research conducted at the Institutions
7. Encourage and facilitate multi-disciplinary research collaborations within different Departments of the college along with other reputed Institutes, Universities and Research Organizations both in India and abroad.
8. Improve the research shape of the College by effective diffusion of research activities and achievements of the college at all levels to maximize the impact and recognition of research done.
9. The College has subscribed to some of the popular databases that have a rich collection of resources. The College has a policy to update the library resource continuously and frequently based on the request from the Departments.
10. In Order to encourage research at all levels, the college conducts research paper presentation competitions among Undergraduate students.

11. The College encourages its faculty members to apply for the research funding from governmental institutions, industry and non-profit foundations.
12. At SIMS the faculty members are encouraged to take up Minor Research Projects (MRP) to promote excellence in research in various disciplines. The management also provides seed money for encouraging Minor Research Projects within the Institution.
13. The Institution encourages the faculty members to apply for patents and also publish them.
14. At SIMS, faculty members are encouraged to raise funds under consultancy services.

IMPLEMENTATION

The implementation of the policy will be carried out under the guidance of **Principal of the college, Research and Innovation Cell and Scrutiny Committee.**

1. The articles with the affiliation of Soundarya Institute of Management & Science alone will be considered for the financial incentive.
2. Before sending the work to any journal, faculty can submit the paper to Scrutiny Committee for a plagiarism check.
3. After Scrutiny Committee approval, faculty can send the paper for publication.

RULES AND REGULATIONS

Following are the rules and regulations and the documents to be submitted by the faculty members after attending presenting any events like Conference/ FDP/Workshop/Seminar etc.,

I. CONFERENCE (NATIONAL AND INTERNATIONAL)

- No. of conferences per semester per faculty – Minimum one
- The faculty members should fill the intimation proforma available with the **Scrutiny committee** at the time of abstract communication. The scrutiny committee will provide the remarks whether the conference can be taken up or not. If the scrutiny committee rejects the conference proposal and faculty still would like to go for the conference, the college doesn't bear such expenditures.

Documents

- Registration details (brochure, payment)
- Abstract communication (mail acceptance)
- Attendance
- OOD
- Certificate
- Financial claim
- Conference proceeding

2. PUBLICATION THROUGH CONFERENCE

- Publication details (link)
- Copy of the publication
- ISSN number/ISBN number

3. PUBLICATION IN JOURNAL

Rules and regulation for publication in Journals

- At least one publication per faculty per semester is required
- Research paper should be published in list of journals given below
 - ✓ Peer reviewed journal
 - ✓ UGC CARE- group 1
 - ✓ UGC CARE- group 2
 - ✓ Scopus indexed
 - Quantile 1
 - Quantile 2
 - Quantile 3
 - Quantile 4
 - ✓ Web of Science
 - ✓ ABDC Journal
- Peer reviewed journals can be checked through online with the help of scrutiny committee
- Other than peer-reviewed and ABDC journals, can be checked through given link

UGC website link- <https://ugccare.unipune.ac.in/Apps1/Home/Index>

- After submitting the research paper below details should be given to the scrutiny committee.

Sl. No	Title of the Research Paper	Name of the Author/s	Department of the teacher	Name of the Journal	ISSN/ISBN No.	Link of the Journal	Stage of the publication Submitted/ Under review/ Accepted for publication	Year of the publication

Note: 1. Financial assistance will be given based on publication charges.

2. Financial assistance will be given for Experimental expenditure and Field work, provided necessary documents are submitted.

4. CONSULTANCY SERVICES

The Consultancy Services offered by the college will be under three broad categories namely:

- **Extension Based Consultancy**-Extending Knowledge through training on curriculum/Pedagogy such as Corporate Training, Training for Competitive Exams etc.
- **Functional Consultancy** –Non-Business Enterprises such as Market Survey, Feasibility Study, Software Testing, Validation of Research Methods and other support assignments supporting research etc.
- **Research Based Consultancy**- It is a typical Research based projects on Sciences & Social Sciences which is not covered under functional Consultancy.

The disbursement of profit after deduction of all expenditures would be 70:30. However this ratio is not fixed. Based on the utilization of college resources, the ratio will differ.

Documentation:

A brief summary how the consultancy services impact the institutions.

- Communication letter (requisition for consultancy, consultant Name, consultant fee, period etc.,)
- Expertising field
- Acceptance letter from Principal
- MOUs (If applicable)
- Financial statement with an authorized signature

5. MINOR RESEARCH PROJECT AND MAJOR RESEARCH PROJECT

Rules and Regulations for Major Research Project and Minor Research Project

Purpose of MOU: MoU is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth.

Duration: -

Major Research Project (MRP): Major Research Project duration is 2 to 3 years (based on sanctioning agency)

Minor Research Project (MRP): Minor Research Project duration is 6 months to 1 year.

Funding: -

For Major Research Project: funding depends on the sanctioning authority.

For Minor Research Project: Institution will sanction the fund up to **Rs.....**

Rules and Regulations:

- ✓ Principal Investigator need to submit a research proposal to Scrutiny committee and Principal to get approval.
- ✓ The proposal should come through respective Department (Not individually) to get approval from Scrutiny committee and Principal.
- ✓ Principal investigator should belong to SIMS only.
- ✓ Proposal should include Abstract, Objectives, Hypothesis, Statement of the problem, Scope of Research, Research Design, Proposed Findings, Suggestions and Conclusion.
- ✓ Researcher need to submit Tentative expenditure details.
- ✓ Need to explain the benefits of MRP towards institution and society.
- ✓ Name of the funding agency, if so, make an MOU with the same.
- ✓ Fulfill the project within stipulated time period, if not, give an explanation to Scrutiny committee and get extension period if required.
- ✓ The proposed topic should come under main stream of the respective course.
- ✓ The outcome of the MRP should be published in reputed journals.

Documentation:

- Research proposal
- Principal investigator and Co investigator details, field assistant details

6. BOOK PUBLISHED, ARTICLES, EDITED BOOKS ETC.,

Rules and Regulations:

- Authors name should be associated with SIMS
- Compliment copy should be submitted to the College library

Documentations:

- Titles of the books
- Authors name
- Publication Details
- Financial assistance received from college

7. WORKSHOP/ FDP/ MDP/SDP (SKILL ENHANCEMENT PROGRAM)/ SEMINARS /SYMPOSIUM/ RESEARCH CONCLAVE (NATIONAL AND INTERNATIONAL)

- No of seminars per semester per faculty – Minimum one
- The faculty members should fill the intimation proforma available with the Scrutiny committee before attending any events. They will provide the remarks whether the above said events will be value added or not. If the scrutiny committee rejects the proposal, and faculty still would like to go for the above said events the college doesn't bear such expenditures.

Documentations

- Registration details (brochure, payment)
- Attendance certificate
- OOD
- Certificate
- Financial claim

8. RULES AND REGULATIONS FOR ORGANIZING ANY CONFERENCE, SEMINARS WORKSHOP, FDP, MDP IN THE COLLEGE CAMPUS.

Aims and objectives:

1. To enhance technical and professional competency as well as organizing skill of the faculty members
2. To promote interaction with professionals working in specific areas of research in Academic Institutions, Research Labs, and Industries.
3. To provide exposure on latest developments in Academia Research/ Industry to the students from renowned Academicians/Researchers/ Entrepreneurs/Experts from Industry.

MODE OF SEEKING APPROVAL:

The proposals may be submitted in any of three segments with broad guidelines as specified here under:

8.1 CONFERENCE/ e- CONFERENCE (National / International)

- o All departments will be eligible to organize International/National Conference/e-Conference of 2 to 3 days duration either alone or jointly, covering various sub-themes under one broader area.

- Desiring Departments may submit the proposal for organizing the event to Organizing Secretary for seeking administrative and financial approvals. The Organizing Secretary may choose suitable faculty members in his/her core team for smooth organization of the Conference/e-Conference. The Organizing Secretary shall strive to seek external sponsorships from different organizations/agencies such as AICTE, INSA, DRDO, CSIR.
- DST, Professional bodies, Industries, etc. Preferably the International/National Conference/e-Conference must be organized under the umbrella of some National/International professional society.
- Normally only one International/National Conference/e-Conference shall be organized by the Department in an academic year. However, under special circumstances (where some external agency has agreed to sponsor the entire expenses to be incurred on organizing the Conference/e-Conference) more than one Conference may be allowed in a financial year.
- The Organizing Secretary of the proposed Conference shall apply to Principal giving details of the estimated expenditure under various heads such as Honorarium and TADA to Experts (if applicable), Boarding & Lodging (if applicable), Contingency Stationery Miscellaneous items etc. The proposal shall also mention about the amount to be collected as registration fee, external sponsorships, etc.
- The proposal submitted by the Organizing Secretary must be evaluated at the Level of Institution by committee. This committee shall examine the proposal for its objectives,
- theme(s), justification, and details of Experts/Speakers. The tenure of the members of this committee shall be one academic year.

This Institute Level Committee shall give its specific recommendations to accept/reject the proposals based on the merit of the proposal and the extent of funding.

- Non-refundable registration fee may be collected from the participants preferably through **Soundarya Souharda Credit Co-operative Ltd.** Collect and the details may be shared with the Institute cashier as under:

Conference		e-conference		
Description	International	National conference	International Conference	National Conference
Participants from Academia/ R&D	Rs. 3000 for foreign delegates	Rs.1000	Rs. 2000 for foreign delegates	Rs.500
Participants from Industry	Rs.5000 for foreign delegates	Rs. 2000	Rs. 1000 for foreign delegates	Rs.300
Students	Rs.1000 for foreign delegates	Rs.500	Rs. 300 for foreign delegates	Rs.200
Attendee/ listener	Rs.500 for foreign delegates	Rs.300	Rs. 200 for foreign delegates	Rs.100

- The registration fee completely or partially may be waived off for some of the participants belonging to the sponsoring organization/Industry depending on the sponsorship amount.
- After seeking approval from the principal, they shall issue the necessary permission letter.
- The Organizing Secretary will be responsible for taking all necessary measures with regard to the issues of International Participants wherever applicable. The Organizing Secretary will be responsible for maintaining of all relevant records (registration/attendance, stock registers, cash book, etc.) and make these available as and when required.
- The Organizing Secretary will also be responsible for completing all the formalities related to the settlement of the amount received through sponsorship from external agencies.

OFFLINE MODE

- ✓ All departments will be eligible to organize Workshop/ FDP/ STC. Such events of normally 7 days duration, shall in general be organized during summer/winter break. The proposed programme of 7 days duration must have 18 sessions (at least 03 sessions of 2 hours duration each per day except the last day) including at least 03 practical sessions wherever possible.
- ✓ The programmes should have sufficient sessions for Software Exposure and Experimental Demonstration wherever possible. A day-to-day tentative schedule of the proposed event indicating lectures as well as laboratory/practical sessions must be furnished along with the proposal.
- ✓ Desiring Departments may submit the proposal as Coordinator for seeking administrative and financial approvals. Coordinator may choose suitable faculty /staff members in his/her team for smooth organization of the event. The coordinator shall also be responsible for seeking external sponsorships from agencies such as AICTE, INSA, DRDO, CSIR, DST, Professional bodies, Industries, etc., if required.
- ✓ Normally each Department shall be allowed to organize at least one per year.
- ✓ The coordinator shall apply to Principal giving details of the estimated expenditure under various heads such as Honorarium and TA/DA to Experts, Boarding & Lodging, Contingency/Stationery/Miscellaneous, etc. The proposal shall also include the amount to be collected as registration fee, external sponsorships, etc., (if any).
- ✓ The proposal for FDP/STC should normally be made for a maximum of 50 (fifty) participants. 20 participants from outside i.e., from reputed Institutions/Industries.
- ✓ The proposal submitted by the coordinator must be evaluated at the Level of Institution by committee. This committee shall examine the proposal for its objectives, justification, course content, and details of Experts/Speakers. The tenure of the members of this committee shall be one academic year.

- o This Institute Level Committee shall give its specific recommendations to accept/reject the proposals based on the merit of the proposal and the extent of funding.
- ✓ The event may be funded by the Institute based on the department wise budget submitted. The remaining expenditure, if any, has to be met out of external sponsorships.
- ✓ Non-refundable registration fee may be collected from the participants preferably through Soundarya Co-operative Society Collect and the details may be shared with the Institute cashier as under:

1. Rs. 1000 for the participants from Academia/R&D Labs
2. Rs. 1500 for the participants from Industry
3. Rs. 250 for Students.

The coordinator will be responsible for maintaining all relevant records (registration/attendance, stock registers, cash book, etc.) and make these available as and when required. If required he/she may suggest suitable faculty member as Treasurer or act as Treasurer himself/herself.

B. ONLINE MODE

i. Any Department of the Institution will be eligible to organize workshop/STC in online mode i.e. e-Workshop/e-STC. Such events of normally one week duration may be arranged in such a way that the academic schedules are not disturbed. The proposed programme of 7 days duration may have minimum three sessions per day (at least 02 sessions of 2 hours duration each) with emphasis to hand holding sessions wherever possible.

ii. A day-to-day tentative schedule of the proposed event indicating lectures must be submitted along with the proposal.

- i. Desiring department may submit the proposal as Coordinator for seeking administrative and financial approvals. Coordinator may choose suitable faculty /staff members in his/her team for smooth organization of the event. The coordinator shall also be responsible for seeking external sponsorships from agencies such as AICTE, INSA, DRDO, CSIR, DST, Professional bodies, Industries, etc., if required.
- ii. Normally each Department shall be allowed to organize one programmes in a financial year.

The coordinator shall apply to Principal giving details of the estimated expenditure under various heads such as Honorarium, Contingency, Miscellaneous expenditure etc. The proposal shall also include the amount to be collected as registration fee, external sponsorship etc. (if any). The proposed programme may have minimum 30 participants. The coordinator must adhere to the specific guidelines/norms fixed by sponsoring agency or guidelines mentioned in a specific project out of which the sponsorship is being arranged.

vi. The proposal submitted by Coordinator must be on par with budget submitted by each Department.

- o Non-refundable registration fee may be collected from the participants preferably through Soundarya Co-operative Society Collect and the details may be shared with the Institute cashier as under:
 - a. Rs.500 for the participants from Academia/ R&DL abs
 - b. Rs.150 for students
 - c. Rs. 750 for participants from Industry

The coordinator will be responsible for maintaining all relevant records (registration/attendance, stock register, cash book etc.) and make these available as and when required. If required the coordinator may suggest suitable faculty member as Treasurer or act as treasurer himself/herself

MODE OF SUBMITTING APPLICATION

The application for organizing the programme (Conference/e-Conference, Workshop/e-Workshop, FDP/e-FDP, and STC/e-STC), duly forwarded and recommended by concerned Head of Department must be submitted along with relevant details specified hereunder:

1. Brochure of the programme.
2. Tentative list of experts with specialization/expertise
3. Tentative lecture schedule
4. Budget detail proposal

The proposal must be submitted well in advance to Principal on standard format for evaluation of the Institute Level Committee, wherever applicable, and subsequent approval of the Competent Authority.

GENERAL GUIDELINES

The Organizing Secretary/Coordinator, as the case may be, must submit complete report within one month of the completion of the programme to the office and scrutiny committee. The report must include details and affiliation of the speakers and participants of the programme and broad outcome/objectives achieved etc.

Wherever the Conference/Workshop/FDP/STC (offline or online) is sponsored by external agency or the finances are to be booked to a specific project, the Organizing Secretary/Coordinator must adhere to the guidelines/norms of sponsoring agency.

The purchase process, wherever required, must be in accordance with the Institute rules. The purchase committee, if required, must have one member from Accounts and Audit Section.

The certificates must be issued to participants based on their attendance in the programme organized and may be signed by Organizing Secretary/ Coordinator of the programme, Head of the Department, and Principal. Prior to issuing of the certificates to the participants, coordinator

shall appraise the Principal of the Institute about the attendees of the event along with the attendance record.

E-Certificates for programmes conducted through online mode may be issued as per point "e" above.

Duly recommended proposals (both offline and online mode) must be submitted to the Scrutiny committee for further processing in accordance with the time frame as under:

- o **Workshop/FDP/STC:** at least one month in advance from the proposed date.
- o **National Conference:** at least five months in advance from the proposed date.
- o **International Conference:** at least six months in advance from the proposed date.

To keep uniformity at the Institute level, the organizing committee for offline as well as online mode of Conference/Workshop/FDP/STC should be proposed in the following pattern:

A) For Conference

- i. Patron**
- ii. Co-Patron**
- iii. Organizing Chairman**
- iv. Organizing Secretary(s)**
- v. Treasurer**
- vi. Organizing Committee (s)**
- vii. Advisory Committee***

: Head of the Institute
: Head of the Department
: Faculty member (01)
: Faculty member (s) (Max 02)
: Faculty member (01)
: Faculty/Staff member(s), if required.

: Renowned Academicians

Researchers *Persons from Reputed Industry may also be considered, if required

B) For Workshop/FDP/STC

- i. Patron**
- ii. Chairman** **iii. Convener**
- iv. Coordinator (s)** **v. Treasurer**
- vi. Organizing Committee (s)**

- III. : Head of the Institute
- : Head of the Department
- : Faculty member (01)
- : Faculty member(s) (Max: 02)
- : Faculty member (01)

GUIDELINES FOR A MEMORANDUM OF UNDERSTANDING

A Memorandum of Understanding (MOU) is required of an agency when an application for funds includes an explicit non-financial collaboration with partnering organizations. The MOU provides documentation that demonstrates the organizations have consulted and coordinated the responsibilities of their grant activities.

The following elements should be considered when constructing an MOU:

- Describe each partner agency;
- State the purpose of the MOU;
- Clearly describe the agreed upon roles and responsibilities each organization or agency will be providing to ensure project success. The roles and responsibilities should align with project goals, objectives and target outputs;
- Identify the staff responsible for completing the specific responsibilities;
- Describe how the collaboration partnership benefits the project;
- Describe the resources each partner would contribute to the project. This can be contributing staff time, making in-kind contributions, delivering services, offering training or expertise, etc.;
- Provide a statement that the lead agency accepts full responsibility for the performance of the collaborative organizations/agencies; and
- The MOU must be signed by all partners. Signatories must be officially authorized to sign on behalf of the agency and include title and agency name.

WHEN DO I NEED A MEMORANDUM OF UNDERSTANDING?

A MEMORANDUM OF UNDERSTANDING should be used when you submit a request for application involving a collaborative partner(s)

that agrees to provide a non-financial exchange that will enhance the project. Examples include: a work station for an out-stationed advocate or training for staff/volunteers.

MEMORANDUM OF UNDERSTANDING

All *italicized* sentences are considered instructions and should be deleted prior to the submission of the final MOU.

This Memorandum of Understanding (MOU) is entered into by and between: *Provide the agency name and a brief description of each agency.*

A. Purpose. *State the purpose of the MOU. Include statements that explain how the collaborative relationship enhances or benefits the Applicant's program.*

B. Roles and Responsibilities. *Clearly describe and delineate the agreed upon roles and responsibilities each organization or agency will be providing to ensure project success. The roles and responsibilities should align with project goals, objectives and target outputs. This may be contribution of staff time, in-kind contributions of space or materials, delivery of program services, provision of training or staff expertise, etc.*

Agency A agrees to:

Responsibility/Activity	Responsibility/Activity

Agency B agrees to:

Responsibility/Activity	Responsibility/Activity

C. **Reporting Requirements.** Describe who will be responsible for collecting, collating and submitting data as per the project target outputs and outcomes.

D. **Timeframe.** Clearly state the time period that this MOU will be in effect.

This MOU will commence on _____ and will dissolve at the end of the grant funding period on _____.

F. Confidentiality.

In order to ensure the safety of clients, all parties to the Memorandum of Understanding agree to adhere to the confidentiality expectations as outlined in the Grant Agreement.

The designated lead agency accepts full responsibility for the performance of the collaborative organizations/agencies.

This Memorandum of Understanding is the complete agreement between _____ and _____ and may be amended only by written agreement signed by each of the parties involved.

The MOU must be signed by all partners. Signatories must be officially authorized to sign on behalf of the agency and include title and agency name.

PATENTS

Applicability

This Regulation applies to all creative works produced at the institution, whether individually or collaboratively, by faculty (regular, part-time, and visiting), staff, students, or associates, in the context of educational or research programs, including but not limited to degree programs, research projects, publications, seminars, product development, inventions, and media releases. The Regulation encompasses all classes of intellectual property, including patents, copyrights, trademarks, design registrations, and licensing, and pertains to individuals and organizations associated with the institution's educational, research, or consultancy activities.

Types of Patents

- i. Patents Act, 1970
- ii. Trademarks Act, 1999
- iii. Designs Act, 2000
- iv. Geographical Indications of Goods (Registration and Protection) Act, 1999
- v. Copyright Act, 1957
- vi. Protection of Plant Varieties and Farmers' Rights Act, 2001
- vii. Semiconductor Integrated Circuits Layout-Design Act, 2000 and Biological Diversity Act, 2002
- viii. Biological Diversity Act, 2002
- ix. National IPR Policy 2016

GENERAL RULES OF ELIGIBILITY FOR INTELLECTUAL PROPERTY

1. Two copies of all publications resulting from the research conducted with the aid of the grants should be submitted to Institution.
2. Intellectual Property Rights
Any intellectual property rights or such information/knowledge being able to sustain or create or any such right arising out of the papers/ projects sponsored by institution will be held jointly by the Institution R & D of Institution.
3. R & D shall inform each other before filing for any protection of any Intellectual Property Rights resulting from any of the project sponsored by Institution.
4. Academic institute R & D institution and Institution will ensure appropriate protection of Intellectual Property Rights generated from cooperation, consistent with laws, rules and regulations of India.
5. The expenses for filing the Patent protection in India and abroad shall be borne equally between Institute and Any all financial accruals due to any commercial exploitation, of this patent shall be shared equally between them, on 50-50 basis. However, any of the parties is free to utilize the IPR for their own use on non-commercial basis.

TEMPLATE:

Documents to be submitted:

3. Supporting Documents (if any.)

FORMAT FOR SUBMISSION OF PROPOSAL FOR MINOR RESEARCH PROJECT

1. Broad Subject

2. Area of Specialization

3. Duration

4. Principal Investigator

i. Name:

ii. Sex: M/F

iii. Date of Birth:

iv. Category: (GEN/SC/ST/OBC)

vi. Qualification:

v. Designation:

Address Office:

Residence Email/Phone:

5. Name of the Institution where the project will be undertaken:

(a) Department :

(b) College :

(c) Affiliating University

(d) Whether the institute is located in rural/backward area:

Whether the College is approved under Section 2 (f) and 12 B of the UGC Act? Yes/No

6. Teaching and Research Experience of Principal Investigator :

(a) Teaching experience: UG_Years PG_____Years

(b) Research experience:

(c) Publication:

(a) Papers Published :

(b) Accepted :

(c) Communicated

(d) Book Published

(e) Accepted

(f) Communicated

(Please enclose the list of papers and books published and/or accepted during last five years)

PART – B

Proposed Research Work

- 8 (i) Project Title
- (ii) Introduction
- (iii) Objectives
- (iv) Methodology
- (v) Year-wise Plan of work and targets to be achieved.

9. Financial Assistance required

Item Estimated Expenditure

- i. Books and Journals
- ii. Equipment, if needed
- iii. Field Work and Travel
- iv. Chemicals and glassware
- v. Contingency (including special needs)
- vi. Hiring Services Total

10. Whether the teacher has received support for the research project from the UGC under Major, Minor or from any other agency? If so, please indicate:

- i. Name of the agency from which the assistance was approved
- ii. Sanction letter No. and date under which the assistance was approved
- iii. Amount approved and utilized
- iv. Title of the project for which assistance was approved
- v. In case the project was completed, whether the work on the project has been published
- vi. If the candidate was working for the doctoral degree, whether the thesis was submitted and accepted by the University for the award of degree.

(A summary of the report/thesis in about 1,000 words may please be attached with the application)

- vii. If the project has not been completed, please state the reasons

11. (a) Details of the UGC project/scheme completed or ongoing.

12. Any other information which the teacher may like to give in support of this proposal

To certify that:

- a. The College is approved under Section 2(f) and 12(B) of the UGC Act and is fit to receive grants from the UGC.
- b. General physical facilities, such as furniture/space etc., are available in the Department/College.
- c. I shall abide by the rules governing the scheme in case assistance is provided to me from the UGC for the above project.
- d. I shall complete the project within the stipulated period. If I fail to do so and if the UGC is not satisfied with the progress of the research project, the Commission may terminate the project immediately and ask for the refund of the entire amount (with interest) released by the UGC.
- e. The above research Project is not funded by any other agency.

Brief Report of Orientation Session on IIC

Event Title: AICTE initiated program on "Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)"

Date: Tuesday, 27-08-2024

Time: 9:15 AM - 10:45 AM

Location: Soundarya Institute of Management and Science.

Organized By:

- Department of MBA
- Institution Innovation Council (IIC)

Attendees:

- Dr. Roopa Shettigar, Associate Professor, MBA Department, SIMS
- Prof. Yuvaraj Halage, Assistant Professor, MBA Department, SIMS
- Prof. Shareef A P, Asst. Professor, Dept of MBA, SIMS
- Prof. Vasanth, Asst. Professor, Dept of MBA, SIMS
- Prof. Angel Chakraborty, Asst. Professor, Dept of MBA, SIMS

Objective:

- To Enhance Innovation and Startup Culture.
- To Facilitate Intellectual Property Rights (IPR) Management.
- To Promote Collaboration and Knowledge Sharing.

Program Overview:

The "Building the Pipeline of Quality Innovations and Startups in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)" program aims to strengthen the innovation and startup ecosystem within Higher Educational Institutions (HEIs) across India. By establishing the YUKTI Innovation and IPR Repository (YIIR), this program provides a structured platform for nurturing innovative ideas, promoting intellectual property rights (IPR) management, and facilitating collaboration between academic institutions, industry partners, and other ecosystem enablers.

The program was structured into several key segments:

1. **Welcome and Introduction:** The program began with a warm welcome from Dr. Roopa Shettigar and outlined the goals of the program.
2. **Opening Session:** Introduction to the importance of innovation in higher education and the role of IICs in nurturing a culture of innovation and entrepreneurship.
3. **Program Implementation Phases:** After the opening session, program implementation phases were explained to achieve these objectives:
 - **Capacity Building:** Regular workshops, webinars, and training sessions should be conducted to equip HEI faculty, students, and researchers with the skills needed to innovate and manage IPR effectively.

- **Resource Allocation:** The YIIR platform will provide access to a centralized repository of resources, including innovation toolkits, patent databases, and funding opportunities.
 - **Mentorship and Support:** A network of experienced mentors and industry experts will be established to guide innovators and startups through the development and commercialization process.
 - **Collaboration and Networking:** The program will facilitate partnerships between HEIs, industry, and other stakeholders to promote cross-institutional collaboration and knowledge exchange.
4. **Interactive Workshops:** Hands-on sessions where participants engaged in practical exercises related to setting up and managing an IIC and YUKTI Portal. These workshops also covered problem-solving strategies and innovation challenge management the students may face at the time of registering in YUKTI portal.
 5. **Q&A and Open Forum:** A session dedicated to addressing queries from participants, allowing for in-depth discussions on specific concerns or areas of interest with the IIC Convener about YUKTI portal.

The following were the key takeaways from the program:

- **Empowering Innovation in HEIs:** The YIIR program is designed to enhance the innovation and startup culture within Higher Educational Institutions (HEIs) by providing the necessary resources, mentorship, and infrastructure to nurture high-quality innovations and startups.
- **Strengthening IPR Management:** A significant focus of the program is on facilitating effective Intellectual Property Rights (IPR) management within HEIs. By providing support in patent filing, copyright protection, and trademark registration, YIIR ensures that innovators can protect and leverage their intellectual property for academic and commercial success.
- **Fostering Collaboration:** The program promotes collaboration and knowledge sharing between HEIs, industry partners, and ecosystem enablers. Through the YIIR platform, participants can engage in networking, access funding opportunities, and participate in innovation challenges, leading to the accelerated development and commercialization of innovative solutions.
- **Building a Sustainable Innovation Pipeline:** By creating and managing the YIIR, the program aims to build a sustainable pipeline of quality innovations and startups, contributing to the national goal of strengthening India's position as a global leader in innovation and technology.
- **Holistic Support for Innovators:** The program offers holistic support through capacity-building initiatives, resource allocation, and mentorship, ensuring that innovators within HEIs have the guidance and tools they need to succeed from ideation to commercialization.

Expected Outcomes:

- Increased number of high-quality innovations and startups emerging from HEIs.
- Improved IPR management and increased patent filings from HEIs.
- Enhanced collaboration between academia and industry, leading to the commercialization of innovative solutions.
- Strengthened innovation ecosystem within HEIs, contributing to the national goal of becoming a global innovation leader.

Feedback from Participants: Participants expressed positive feedback regarding the structure and content of the program. They appreciated the clarity with which the session was conducted.

Conclusion: The YIIR program is a pivotal initiative aimed at building a sustainable pipeline of quality innovations and startups within India's HEIs. By providing the necessary ecosystem enablers and fostering a culture of innovation, this program will play a crucial role in driving economic growth and positioning India as a global leader in innovation and technology.

This report provides a comprehensive overview of the program, summarizing its key aspects, outcomes, and the value it delivered to participants.

Acknowledgments: A special thank you to Dr. Roopa Shettigar, Associate Professor, MBA Department, SIMS and IIC Convener for the support and cooperation in making this program successful.

Report on the Session: Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs

Date: June 26, 2024

Guest Speaker: Chinmay Ananda, Financial Educator, Business Storyteller, International Speaker, Author, and Lecturer

Timings: 12:00 pm to 4:00 pm

Master of Ceremony and Introduction: Mrs. Ramya Sheshadri

Overview

The session on "Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs" was held on June 26, 2024. The event aimed to provide valuable insights and practical knowledge about securing funding from angel investors and venture capitalists (VCs) for budding entrepreneurs. The guest speaker for the session was Chinmay Ananda, a renowned expert in the field of investment and startup funding.

Introduction

Ramya Sheshadri, the Master of Ceremony, commenced the session with a warm welcome to all attendees. She introduced the guest speaker, highlighting his extensive background and achievements in the realm of angel investment and venture capital.

Key Points from the Session

1. Understanding Angel Investment and VC Funding

- **Angel Investment:** Chinmay explained that angel investors are typically affluent individuals who provide capital for startups in exchange for ownership equity or convertible debt. They often invest in the early stages of a business and offer mentorship and guidance.
- **Venture Capital:** Venture capitalists are professional groups that manage pooled funds from various investors to provide funding to startups with high growth potential. VCs usually come into play during the expansion stages of a company.

2. Differences Between Angel Investors and VCs

- **Investment Stage:** Angels invest at the seed or early stage, whereas VCs invest in the growth or late stage.
- **Investment Amount:** Angels typically invest smaller amounts compared to VCs, who can provide significant capital.
- **Decision-Making Process:** Angels often make quicker decisions, while VCs have a more formal and rigorous due diligence process.

3. Attracting Angel Investors and VCs

- **Pitching:** Entrepreneurs must craft compelling and concise pitches. Chinmay emphasized the importance of a clear value proposition, a robust business model, and a strong understanding of the market.
- **Networking:** Building relationships with potential investors through networking events, industry conferences, and online platforms is crucial.
- **Due Diligence:** Startups should be prepared for detailed scrutiny from investors, including financial statements, business plans, and market analysis.

4. Common Mistakes to Avoid

- **Overvaluation:** Setting an unrealistic valuation can deter investors.

- o **Lack of Preparation:** Inadequate preparation for meetings with investors, such as not having detailed financial projections or a clear market strategy.
 - o **Ignoring Feedback:** Failing to consider and act upon feedback from potential investors can be detrimental.
5. **Success Stories and Case Studies**
- o Chinmay shared several success stories of startups that secured funding from angel investors and VCs, illustrating the strategies they employed and the challenges they overcame.
6. **Q&A Session**
- o The session concluded with a Q&A segment where attendees had the opportunity to ask Chinmay questions about their specific concerns and situations. This interactive component provided personalized insights and advice.

Conclusion

The session provided early-stage entrepreneurs with a comprehensive understanding of the intricacies of angel investment and venture capital funding. Chinmay Ananda's expertise and practical advice equipped attendees with the knowledge to effectively pursue funding opportunities. Ramya Sheshadri's role as the Master of Ceremony ensured the session was well-organized and engaging.

This informative session was a valuable addition to the ongoing series of events aimed at fostering entrepreneurial skills and knowledge.

Report on Session: Lean Start-up & Minimum Viable Product/Business

Date: June 18, 2024

Session Title: Lean Start-up & Minimum Viable Product Business

Master of Ceremony: Ramya Sheshadri

Introduction to Guest:

The session on "Lean Start-up & Minimum Viable Product Business" was held on June 18, 2024, with Ramya Sheshadri serving as the Master of Ceremony. The guest speaker for the session provided insights into the principles of lean start-up methodology and the concept of Minimum Viable Product (MVP) in launching new ventures.

Key Highlights:

- **Introduction to Lean Start-up:** The guest speaker began by introducing the lean start-up approach, emphasizing its focus on rapid iteration, customer feedback, and validated learning.
- **Importance of MVP:** The session highlighted the significance of developing a Minimum Viable Product (MVP) to test assumptions and validate market demand with minimal resources.
- **Case Studies and Examples:** Practical examples and case studies were shared to illustrate successful applications of lean start-up principles in various industries.
- **Interactive Q&A:** The audience actively participated in a Q&A session, seeking advice on applying lean methodologies in their own entrepreneurial ventures.

Conclusion: The session concluded with a recap of key takeaways, encouraging participants to adopt a mindset of agility and experimentation in their entrepreneurial journeys. Attendees gained valuable insights into effectively navigating the early stages of business development through lean practices and MVP strategies.

This session on "Lean Start-up & Minimum Viable Product Business" provided attendees with actionable strategies and inspiration to pursue their entrepreneurial ambitions with greater confidence and efficiency.

Contents

Common Pitfalls

- Not knowing the numbers
- Not looking at numbers frequently
- Not looking at the expenses realistically
- Scaling too quickly - Good Companies do there with less
- Don't spend as much as possible as fast as possible
- Not keeping personal and business finances separate
- Outsourcing responsibility
- Not timing your fund raise
- Empower professionals
- Sales are vanity, profits are vanity and only cash is reality

Basic Metrics

Cash/Fund Position:	Profitability or Unit Economics:	Financial Position:
<ul style="list-style-type: none">• Cash in• Cash out• Burn• Runway (time to ODC)• Growth rate• Debt structure	<ul style="list-style-type: none">• CAC• LTV• Margin (Gross vs Net)	<ul style="list-style-type: none">• Working capital• Current assets vs Non-Current assets• Current liabilities• Debt
