(Sample Reports)

SOUNDARYA INSTITUTE OF MANAGEMENT AND SCIENCE

Soundarya Nagar, Sidedahalli, Nagasandra post, Bangalore – 73

Competitive Examination Guidance 2019-20

The student are encouraged to prepare for competitive examinations and guided to prepare for such challenging examinations. Taking into consideration the need of the day the college conducted the competitive exam guidance program **“How to crack competitive examination”**. Through this program, the college organizes various activities for the development of the students. Institution has a tie up with IASBABA.com, a leading competitive examination tutors in the state.

Special lectures are conducted for the students. Good number of students took advantage of the activities. They gained knowledge about how to plan and prepare tactfully for the examinations. Through interactions they are made aware of their potentials and abilities as well encouraged to study hard to get success.

Number of students benefitted: 73

Activities:

1. To make the students aware about current knowledge, National, State and Local Newspapers are made available to them for reading in the reading room of the library.
2. Organized lectures of eminent scholars who succeeded in competitive exams.
3. Special lecturers on the syllabus framed for KPSC/UPSC are conducted in the college campus.
4. The students are provided with magazines and journals about competitive exams.
5. Special reference books for Competitive exams are being provided to the students from the library.

Dear Sir,

KEA has announced PG CET-2020 examination schedule which is going to be held on 9-8-2020(Sunday) for MCA & MBA . In this regard, the Department of Computer Science wants to conduct an orientation program for all Final year BCA, BSc(Comp.Sc) students across Bangalore University Colleges. Dr.Muralidhara BOS chairman and MCA Coordinator of Bangalore University and Dr. Dharini MCA -Head of RVCE has expressed their concern to be the resource person for the orientation. The Department is planning to conduct program on 1-July-2020, Wednesday at 11.30-1.00 pm in online platform. In addition to it, the Department also consulted 2 Alumni students who are pursuing MCA and MBA to share their experience and tips to crack PG CET-2020 during the program.

Execution plan:

Date of the program : 1-July-2020, Wednesday 11.30 to 1.00pm
 Objective : To orient the students of final year on how to prepare for PG CET-2020

Resource person : (a) Dr. Muralidhara from Bangalore University
 (b) Dr. Dharini from RVCE
 (c) 2 Alumni students

No. of participants expected : 80-100

Mode of participation is through registration only.

Online platform : Google meet

** e-Certification of participation will be issued to all the participants

Sir, request your permission for the same.

Rules') and as amended from time to time and therefore the details and instructions contained in this Information Brochure are subject to the said Rules. In case of any discrepancy, the Rules shall prevail.

2. MODE OF CONDUCTING THE TEST
 In order to obtain admission to MBA, MCA, M.E. / M.Tech / M.Arch courses through KEA, a candidate must appear for the Post Graduate Common Entrance Test - 2020, which will be conducted by the Karnataka Examinations Authority, Bangalore (Herein after referred to as KEA). The Post Graduate Common Entrance Test - 2020 will be conducted in specified places, spread over Karnataka. The details of the written test are as follows:

The Post Graduate Common Entrance Test-2020 time table is as follows

Date and Day	Course	For	Timings	Marks
08-08-2020 SATURDAY	M.E. / M.Tech / M.Arch	Type-B: Courses offered by Department of Post Graduate Studies and Research in Mathematics and Computer Science, Kuvempu University and Department of Studies in Computer Science, University of Mysore.	10.30 am to 12.30 pm	100
		Type-A: Courses offered by VTU, UVCE, UBDTCE.	02.30 pm to 04.30 pm	100
09-08-2020 SUNDAY	MCA	Admission to 1st Year / 1st Semester	10.30 am to 12.30 pm	100
	MBA	Admission to 1st Year / 1st Semester	2.30 pm to 4.30 pm	100

(Only Non-programmable calculators are allowed for M.E. / M.Tech / M.Arch examination)
 Based on the performance of the candidates in the Post Graduate Common Entrance Test the merit / rank list will be prepared and published. All the eligible candidates who have got the requisite percentage of marks as the case may be will be allowed to participate for document verification process and later online seat allotment process in the order of their merit / rank, as per the time schedule which will be notified later.

Dear Sir,
Thank you very much for your insights sir.
As suggested, I have prepared the invitation draft. Kindly check and share your inputs.

Also would like to bring to your kind notice that the department is planning for 5 days hands on workshop on PG CET topics from subject expertise in upcoming days, where the present program participants will be the beneficiaries and hence department has confined the current program to 1.30hours as virtual power seminar.

Thanks and regards,

Virtual Interaction – How can I be successful in IAS and KAS Exams- 21st June 2021

The Department of Commerce and Management organised an interactive webinar on “How can I be Successful in IAS and Kas Examination on 21st June 2021. Mr. Balaji, District Collector of Kurnool, Andrapradesh was the resource person. The session was conducted online through google meet for SIMS students and a link was shared in YouTube for the outsiders. Interested 46 students of BBA and B.Com participated in online.

The poster is a dark blue rectangular graphic with white text and a central portrait. At the top left is the logo of Soundarya Educational Trust (SET). The text on the left side of the poster provides details about the event, including the date (21 June 2021), time (7:00 pm IST), and platform (Youtube). It lists the faculty coordinators (Prof. Girish and Prof. Lokesh) and the participants (Mr. G.R. Rakesh Kumar, Ms. Chandrakala.M, Ms. Sinchana K.M, and Ms. Pooja). A central portrait of Mr. D.K. Balaji, District Collector of Kurnool, Andhra Pradesh, is shown. Below the portrait, it says 'All are cordially invited' and provides a link to the YouTube channel. At the bottom, it lists the guests of honor: Dr. Suresh C Hegadi, Principal, SIMS, and Mr. Keerthan Kumar, CEO, SET. The footer contains contact information for further details.

DEPARTMENT OF COMMERCE

A REPORT ON

“Building Success Through Competitive Exam Preparation”

The Department of Commerce, has organized training session on “**Building Success Through Competitive Exam Preparation**” on 28/06/2023 by Dr. Roopa Shettigar, HOD of MBA.

The training was conducted for all final year B.Com Students from 10:30 AM to 12:00 PM in MBA class room. 80 students attended the training.

Competitive exams are gateways to prestigious educational programs and career opportunities. These exams are often highly competitive, and successful candidates must demonstrate proficiency across multiple subjects and skill areas.

This training program is intended for students preparing for a variety of competitive exams, such as bank exams, civil services, management entrance exams, and government job assessments.

Objective:

- To strength the core subject knowledge
- To enhance analytical and problem-solving skills.

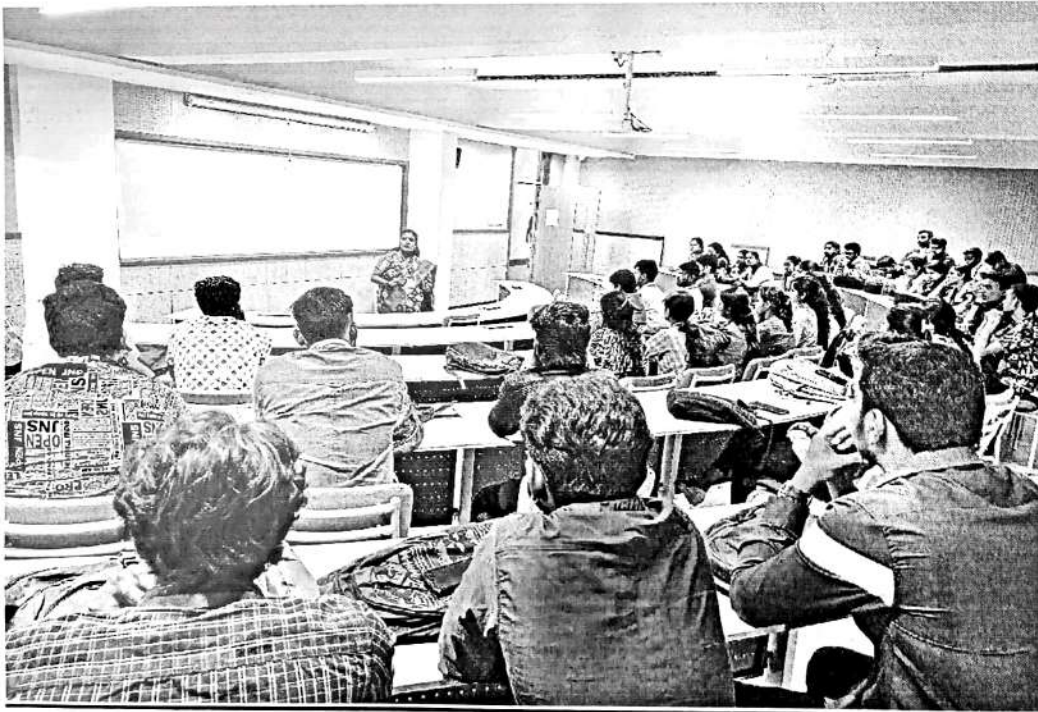

Topics Covered

- Logical Reasoning and Analytical Ability
- Verbal Ability and Reading Comprehension
- General Knowledge and Current Affairs

The training structure was divided into key areas based on the common sections found in most competitive exams, such as Quantitative Aptitude, Logical Reasoning, Verbal Ability, and General Knowledge.

These topics cover the most critical areas required for preparing for competitive exams across various domains. The training should focus on reinforcing these core topics while allowing students to practice with real-world examples and mock tests to ensure thorough preparation.

The program's emphasis on continuous practice, self-evaluation, and strategic learning provides students with the tools to navigate the challenges posed by competitive exams. The personalized approach to training, coupled with real-time performance analysis, allows for targeted improvement, ensuring that students can tackle their weak areas and maximize their strengths. Overall the students enjoyed the session.

DEPARTMENT OF BUSINESS ADMINISTRATION

A REPORT ON

Empowering BBA Students for PG CET Success

On **13-04-2024** Department of Business Administration, SIMS has organized training session on “**Empowering BBA Students for PG CET Success**” by Prof. Srusti, M. Com, MBA in-house faculty. The training was conducted for all final year BBA Students from 9:30 AM to 12:00 PM in MBA class room. 40 students attended the training.

The Post Graduate Common Entrance Test (PGCET) is a crucial gateway for BBA students aspiring to pursue higher studies in management, such as an MBA

The speaker focused on importance of PGCET for students aspiring to pursue higher education in management, such as MBA or other postgraduate programs, in prestigious institutes.

Topics Covered

- **Overview:** Provide a brief introduction to the PGCET exam, its purpose, and the types of postgraduate programs it is required for.
- **Exam Structure:** Break down the exam structure—sections such as Quantitative Analysis, Logical Reasoning, General Awareness, and Language Proficiency.

- **Eligibility:** Discuss eligibility criteria for BBA final-year students to take the exam and potential career paths post-PGCET.

This PGCET training program is designed to provide BBA students with a well-rounded, structured approach to exam preparation. By combining rigorous practice with expert guidance, students are better prepared to achieve their goals and secure admission to prestigious postgraduate programs.

Guidelines for the Trainer

01. The Trainer is to adhere to the terms issued in the work order accepted.
02. The coordinator nominated by the college will be the Single Point of Contact (SPOC) for the Entire Training.
03. The Single Point of Contact from ICT Academy will be

Name	Kokila
Mobile	9384800673

04. The trainer is to coordinate with the college coordinator and ICT Academy project coordinator on any requirement with regard to the project.
05. The Training period will be 200 Hrs. as per the modules given in the Trainer Handbook.
06. The Trainer will handle the modules of the training as per the details given in the work order issued.
07. The Training should be conducted as per the Schedule provided by the college.
08. This hand book should be filled every day with signature duly affixed for every hour training handled by the trainer.
09. Students Attendance record must be maintained for all the working days.
10. Students should be assessed (offline/ online) after each module for which the question paper will be set by Trainer. The Trainer must conduct an assessment for every module as and when the module is completed. The marks should be entered in the handbook.
11. The Final online Assessment for the students will be conducted by ICT Academy.
12. The Trainers handbook should be filled every day and kept available for verification by ICT Academy, Project Coordinator and The Government officials at the time of inspection.
13. The Training material will be provided by ICT Academy and the Trainer should not use own content / material for delivery.
14. Trainer should be regular in attendance.
15. Strictly no leave should be encouraged for the trainees during the Training session.
16. Completed Report hand book has to be submitted at the end of 200 hours. (On completion of the Training program)
17. Only on completion of the training the certificate will be issued to the trainees.
18. If for any valid reason, the designated trainer is discontinuing the delivery of the training it has to be communicated to ICT Academy 3 days prior.

19. The Trainer should send the training schedule everyday as per the format given.
20. The students Attendance and no of Hrs. completed should be informed on daily basis without fail via SMS or By Whats App to 9384800673

Format:

1. Date :
2. Attendance
Total Male :
Total Female :
Total No of Trainees Present :
3.Total No of Hours Taken :

21. The trainer is to maintain the Dress Code:

- Men (Formal Shirt & Pant)
- Women (Saree or Chudi)

Note: For any other Clarification contact ICT Academy Coordinator.

10 Seconds Training and Learning Solutions

Be it the IT sector or the non-IT sector, aptitude has become one of the very basic requirements for every job. In fact, it is quite evident that aptitude is a reflection of the intelligence of a person. Along with this, there are many other skills that are required for a student to be "employable".

We at 10 seconds understand the basic needs and current trends of the industry and equip our students with such knowledge and skill by providing aptitude training to Soft Skills and much more.

10 seconds is a specialized learning solutions partner for Organizations and Institutions. Over the last 10 years we have worked with over 60 institutions to harness human potential for achieving excellence and growth. Our team engages in continuous improvement of skills which ensures that we are moving with providing the most relevant and cutting-edge solutions to our clients.

Our basket includes:

- Psychometric Assessments

Don't just pick a degree choose a career on 13th June 2021

A webinar organised by the department of training and placements on career connect for all students of SIMS. A virtual platform was held on 13th June 2021 which addressed students FAQ's concerning their specific higher education and their career opportunities. The event was organised through google meet platform on Sunday where 210 students approx. joined the interaction.

Don't just pick a Degree, Choose a Career!

Don't just pick a Degree, Choose a Career, a Virtual Meet, was held on 13-6-2021 to address all the FAQs about degree courses and career opportunities. Heads of all the Departments responded to the FAQs by students and parents concerning a specific course they were interested in. Much emphasis was laid on the career opportunities available upon completion of a specific degree programme.

This highly interactive session helped the students and their parents in terms of enrolling for a course of their choice along with prospective career opportunities. In turn, the institution also realized the aspirations and career preferences of the potential candidates.

AWS CLOUD COMPUTING - CAREER GUIDANCE

DEC-2022-2023

Title/Activity: Career Activity in AWS Cloud Computing

Participants: 1st, 2nd and 3rd Year BCA Students

Time: 12:15PM to 1:45PM

Venue: Room No 302

Date: 22-12-2023

Introduction:

Amazon Web Services (AWS) is **the world's most comprehensive and broadly adopted cloud platform**, offering over 200 fully featured services from data centres globally.

AWS enables you to select the operating system, programming language, web application platform, database, and other services you need. With AWS, you receive a virtual environment that lets you load the software and services your application requires.

Amazon Web Services (AWS) is a **comprehensive cloud computing platform that includes infrastructure as a service (IaaS) and platform as a service (PaaS) offerings**.

AWS services offer scalable solutions for compute, storage, databases, analytics, and more.

- Private Clouds. A private cloud is a type of cloud computing environment that provides IT infrastructure services to a particular user or organization. ...
- Public Clouds. ...
- Hybrid Clouds. ...
- Multi-Clouds.

AWS managed policies **provide permissions to help you get started and are available in all AWS accounts**. Then, reduce permissions further by defining customer managed policies specific to your use cases. You can create and manage policies and roles in the IAM console, or via AWS APIs or the AWS CLI.

Guest Profile:

Name: VARUN

Current Position: Software Developer

Company Name: HP

Years of Experience: 3 years

Varun holds a Bachelor's degree in Computer Science from a VTU university. After graduation, he started his career as a software developer with HP Company. Over the past three years, he has worked on a variety of software development projects for clients across different industries. He has experience in AWS cloud computing, mobile applications, and desktop applications using various programming languages and technologies.

Objectives:

AWS provides a massive global cloud infrastructure that allows you to **quickly innovate, experiment and iterate**. Instead of waiting weeks or months for hardware, you can instantly deploy new applications, instantly scale up as your workload grows, and instantly scale down based on demand.

Outcomes:

- Comprehensive. Changing from on-location stockpiling to the cloud is very easy with AWS because of the contribution they have made in training and education. ...
- Cost-Effective. ...
- Adaptable. ...
- Security. ...
- Improved Productivity. ...
- Innovation.

1. Feedback enclosed

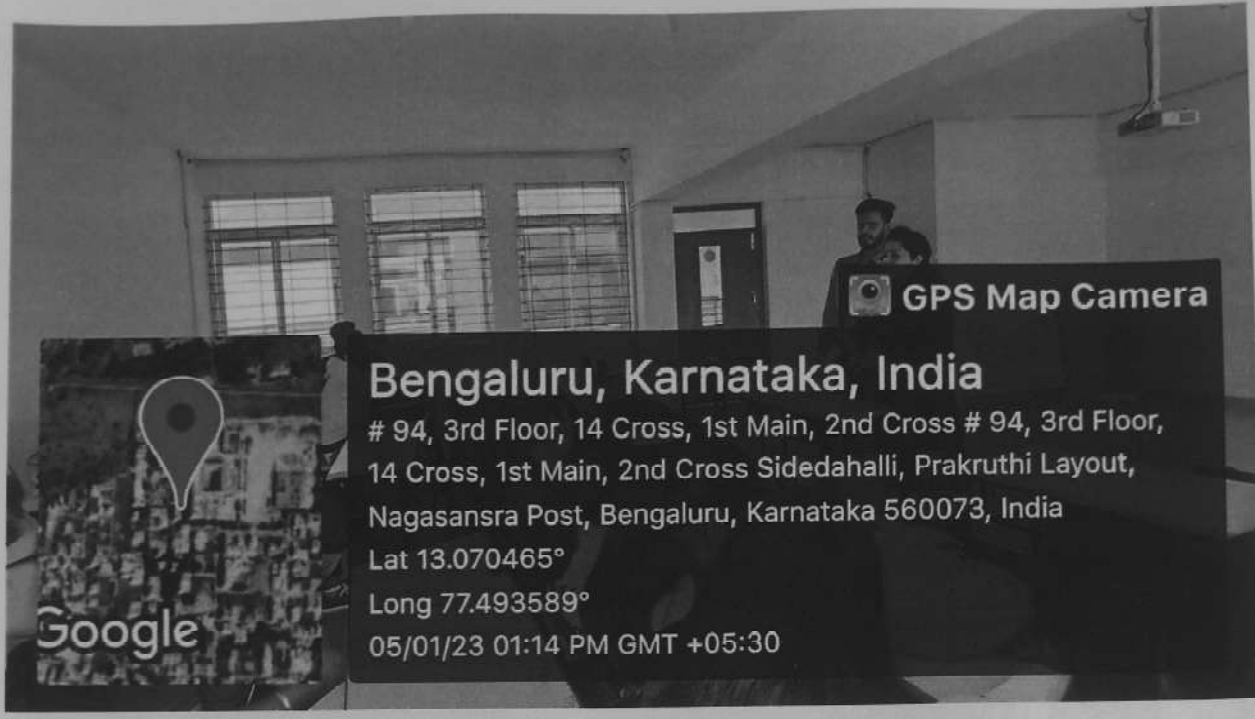

2. Action Taken Report (ATR):

Overall, the AWS Cloud Computing Webinar Conducted for Undergraduate Students was a success, with the students showing a keen interest in the topic and expressing their desire to learn more about cloud computing and AWS. We hope to conduct similar webinars in the future to help students in their career development.

CAREER GUIDANCE

Title: CAREER OPPORTUNITIES IN NETWORK SECURITY AND CYBER ANALYST

Participants: BCA students

Time : 12pm

Venue : 307

EventCoordinator: Mrs. Megha Potdar

Introduction :

A Career Guidance was organized by the department of computer science. Session focused on Career Opportunities in network security. Network Security is a set of technologies that protects the usability and integrity of a company's infrastructure by preventing the entry or proliferation within a network of a wide variety of potential threats. A cyber security analyst is a trained cyber professional who specializes in network and IT infrastructure security. The cyber security analyst thoroughly understands cyber attacks, malware, and the behavior of cybercriminals, and actively seeks to anticipate and prevent these attacks.

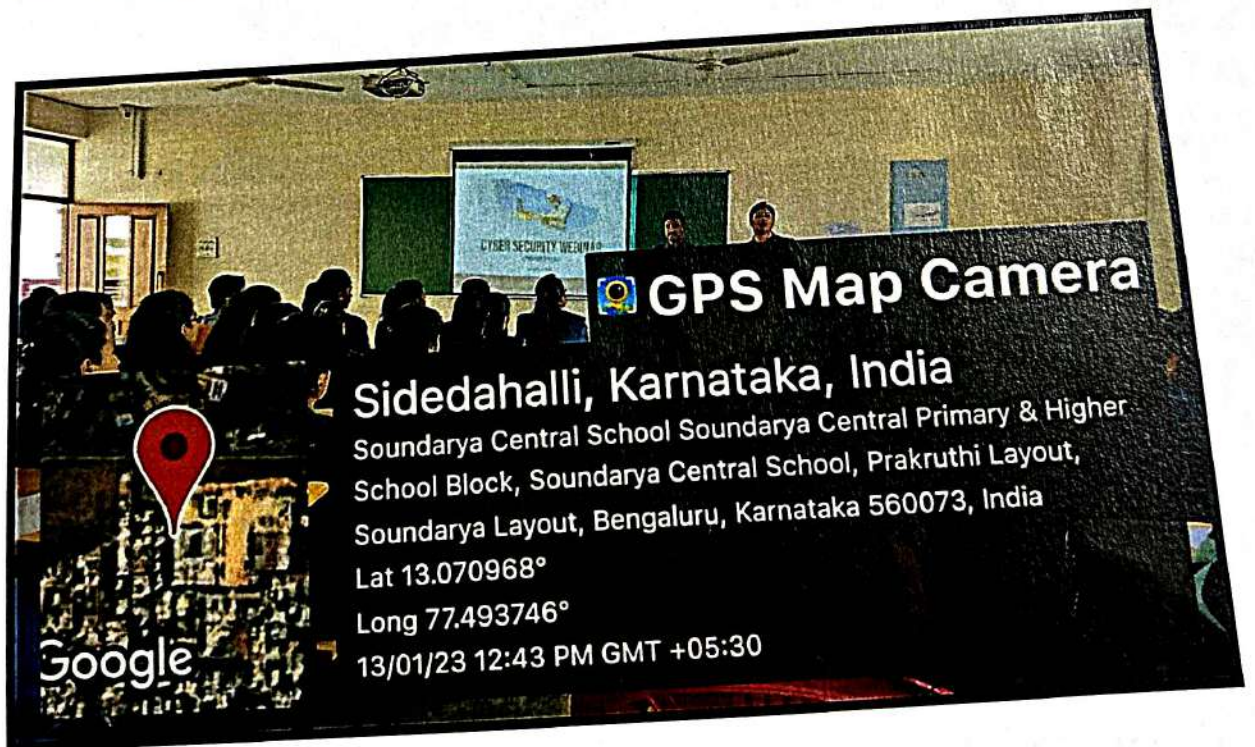

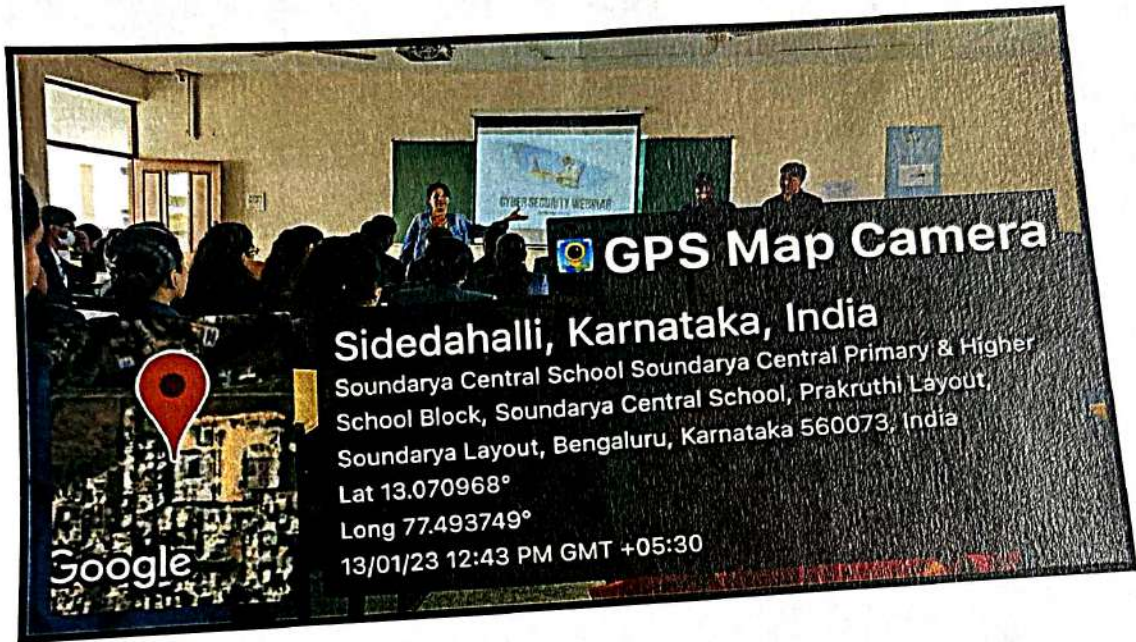

OBJECTIVES :

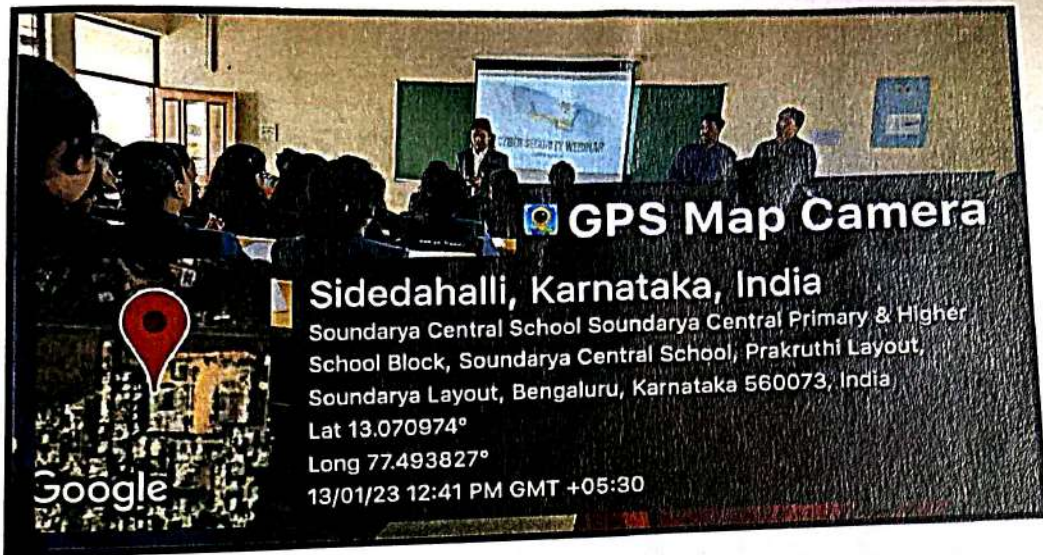

- To motivate/encourage students to take up career in network security.
- To inspire students, to take up career as cyber analyst

OUTCOMES :

- Students gained more knowledge on cyber security.
- Students also gained knowledge on taking up career in networking,

PHOTOS:

ATR: Department will be organize such career guidance programs in the future for students.

Report on IBM Data Science

Name of the Department:BCA

Organisedby :SIMS

Date:20/5/2024

Venue:Basement Lab

Event Coordinator: Mr. Vijay A S

Introduction : The IBM Career Education Program is a comprehensive software education program designed by IT professionals, for graduates, post graduates and experienced professionals to accelerate their skills and knowledge so that they succeed in this dynamic industry. The Program curriculum brings together the latest software content, real-world industry experience, hands-on lab courses and best practices all into a single unique education program. This program offers 6 semester curriculum.

Objectives:

- A blended learning approach, integrating classroom, hands-on lab exercises and real life case studies to provide both theoretical and practical training to solve real world problems
- The latest software content and knowledge of IT developments in the market to keep you ahead of technology trends
- A top-class faculty comprising of field consultants, technical specialists and education experts
- A comprehensive semester based format to build technical foundation and widen skill specialties quickly
- IBM leadership and professional certification in IBM software technology.

BRIEF EVENT REPORT:

WATSON TRAINING MODULE

Watson training module will gain skills in building and deploying applications, customizing services, and integrating Watson with other systems. The module covers evaluating performance, ethical considerations, and best practices. Emphasis is placed on practical experience through hands-on workshops and labs. Case studies provide real-world context, while continuous learning resources support ongoing skill development. By the end of the training, participants will be adept at leveraging Watson's capabilities in various

projects, ensuring they can effectively apply their knowledge to practical scenarios and keep up with advancements in AI technology.

DATA VISUALIZATION TRAINING MODULE

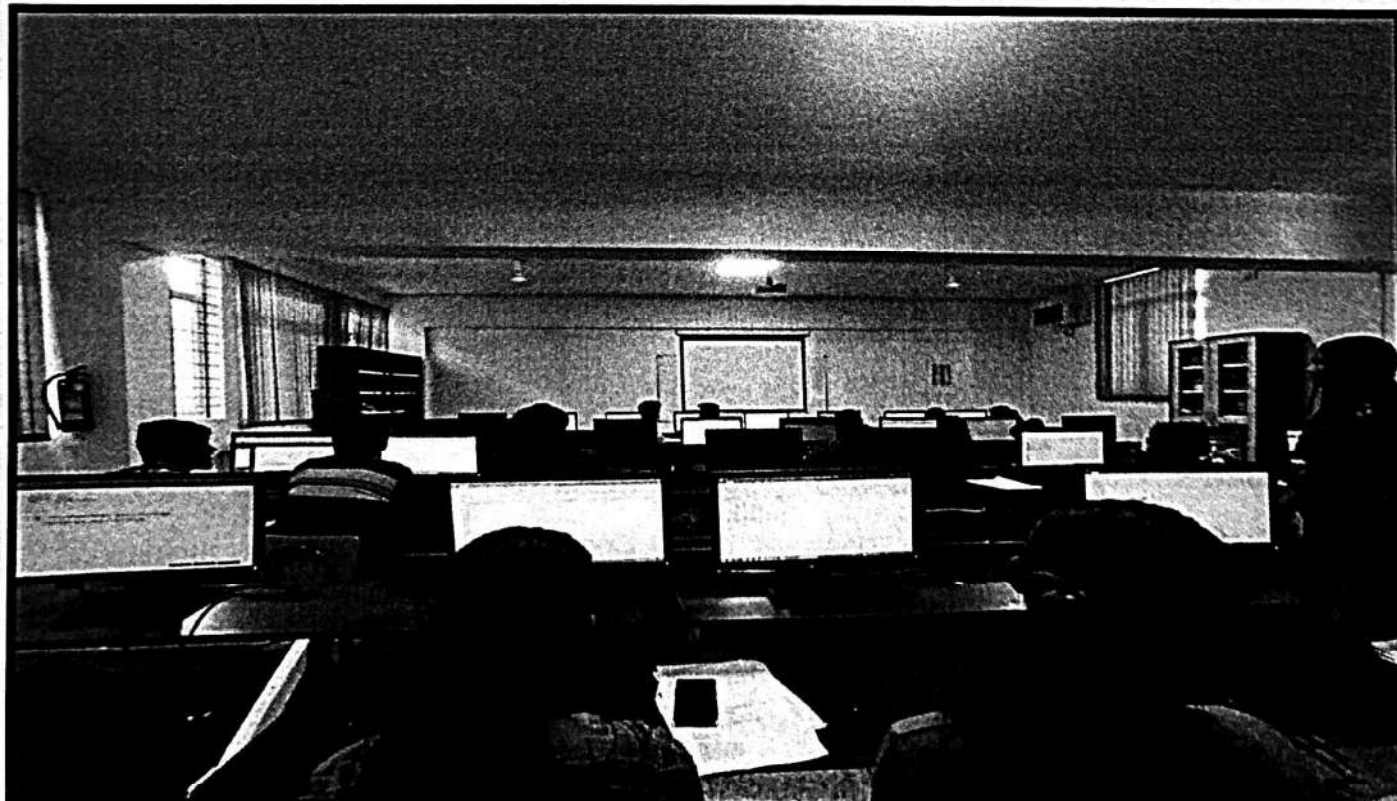

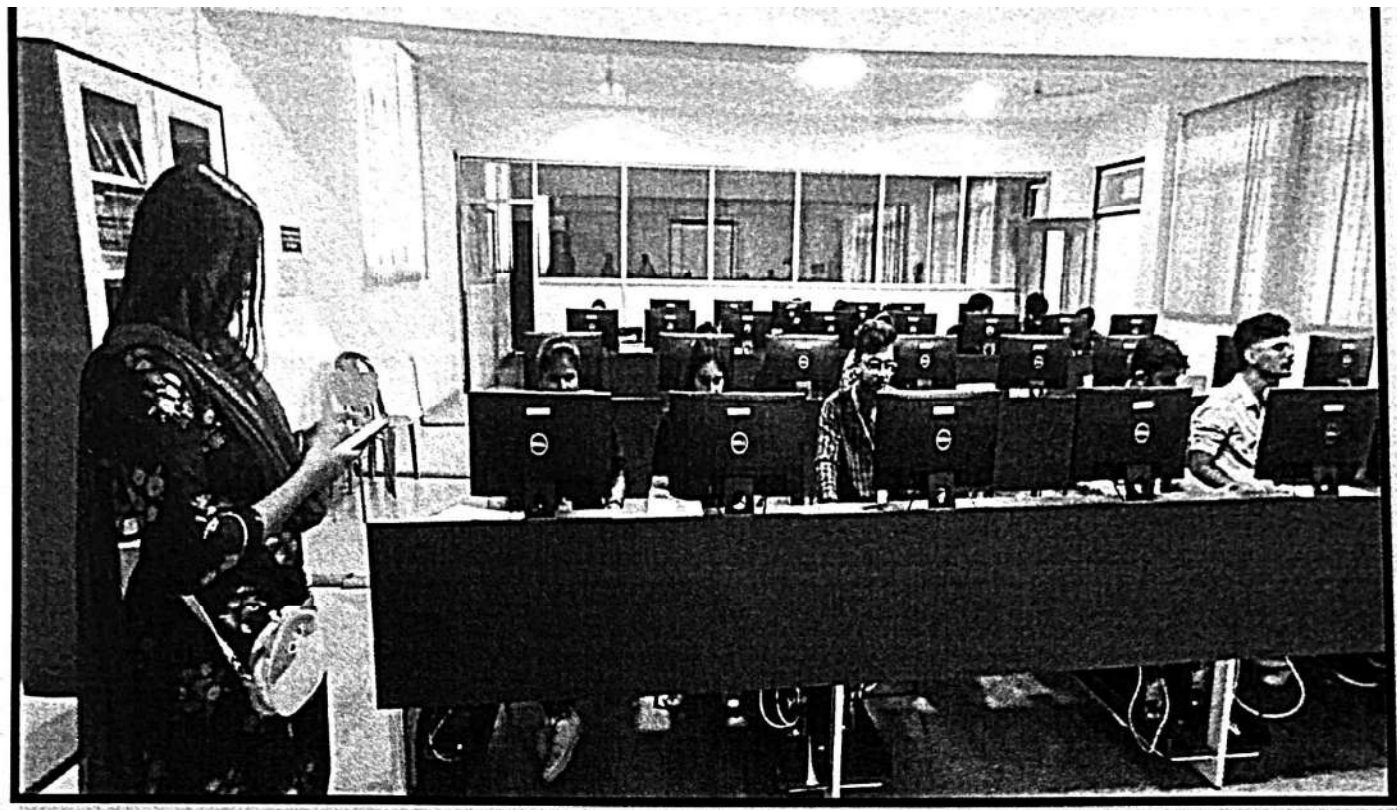

The Data Visualization Training module will give the reader a thorough introduction to Data Science, Statistics, R, IBM Watson Studio and python using real life examples. This course does not require a prior quantitative or mathematics background. The course introduces the basic concepts such as the mean, median etc. Then it eventually covers all aspects of an analytics (or) data science career from analyzing and preparing raw data to visualizing your findings. It covers both the theoretical aspects of statistical concepts and the practical implementation using R, IBM Watson Studio and python

PREDICTIVE ANALYTICS USING IBM SPSS MODELER TRAINING MODULE

With increasingly competitive businesses and the advancement in capabilities of computers, many businesses are generating huge amounts of data. Such businesses need to find mechanisms to identify useful patterns and actionable relationships from such data. Predictive Analytics is one such mechanism to find useful patterns, which can be used for making business decisions and growth. This course aims to introduce participants to the concepts of Predictive Analytics (Machine Learning). The course covers one of the most popular methodology used by Data Scientists – CRISP DM.
