RESEARCH POLICY AND GUIDELINES

SCOPE AND APPLICABILITY OF THE POLICY

In the pursuit of excellence in SIMS, a vibrant research culture is considered as a nurturing ground for innovative ideas and applications. This Research policy is applicable to all the existing Faculty members, Staff and Students.

OBJECTIVES OF THE POLICY IS TO:

1. Embrace Research as a vital part of the education.
2. Preserve and enhance the quality of Research undertaken.
3. Increase funding support for research through external and internal sources; create translucent, effective and efficient systems for accelerating research outputs through national and international funding agencies and collaborations.
4. Creation and maintenance of research infrastructure to enable conduct of state-of-the-art research through funded projects.
5. Confirm a facilitating environment for conduct of high-quality original research by all individuals affiliated with the Institutions and provide continued and effective support for pursuit of research activities.
6. Safeguard of intellectual property (IP) generated as a result of research conducted at the Institutions
7. Encourage and facilitate multi-disciplinary research collaborations within different Departments of the college along with other reputed Institutes, Universities and Research Organizations both in India and abroad.
8. Improve the research shape of the College by effective diffusion of research activities and achievements of the college at all levels to maximize the impact and recognition of research done.
9. The College has subscribed to some of the popular databases that have a rich collection of resources. The College has a policy to update the library resource continuously and frequently based on the request from the Departments.
10. In Order to encourage research at all levels, the college conducts research paper presentation competitions among Undergraduate students.

GUIDELINES FOR A MEMORANDUM OF UNDERSTANDING

A Memorandum of Understanding (MOU) is required of an agency when an application for funds includes an explicit non-financial collaboration with partnering organizations. The MOU provides documentation that demonstrates the organizations have consulted and coordinated the responsibilities of their grant activities.

The following elements should be considered when constructing an MOU:

- Describe each partner agency;
- State the purpose of the MOU;
- Clearly describe the agreed upon roles and responsibilities each organization or agency will be providing to ensure project success. The roles and responsibilities should align with project goals, objectives and target outputs;
- Identify the staff responsible for completing the specific responsibilities
- Describe how the collaboration/partnership benefits the project;
- Describe the resources each partner would contribute to the project. This can be contributing staff time, making in-kind contributions, delivering services, offering training or expertise, etc.;
- Provide a statement that the lead agency accepts full responsibility for the performance of the collaborative organizations/agencies; and
- The MOU must be signed by all partners. Signatories must be officially authorized to sign on behalf of the agency and include title and agency name.

WHEN DO I NEED A MEMORANDUM OF UNDERSTANDING?

A MEMORANDUM OF UNDERSTANDING should be used when you submit a request for application involving a collaborative partner(s) that agrees to provide a non-financial exchange that will enhance the project. Examples include: a work station for an out-stationed advocate or training
