ABOUT PROEDGE

Proedge is an organisation focusing on professional and industry-oriented education. Through our range of training programs, we closely work with undergraduate & postgraduate students in order to assist corporates for talent management solutions.

Having established presence through our sister concern 'SuccessEdge' since 2011 in the Professional Education space, we are in a unique position to understand the objectives of academic institutions as well as the needs of corporates and develop a 360-degree learning experience.

We offer industry-endorsed programs in Banking, Insurance, Wealth Management, Risk analysis, Financial Services and Business Analytics. Our curriculum for candidates is designed to combine learning and actual implementation with a focus on developing industry ready professionals. The training modes used by us combine a modern approach including both traditional and virtual methods. This enables us to evolve tools to monitor progress of participants and ensure an effective delivery mechanism.

Students

- 1. Completes their programs in parallel to academic curriculum
- 2. Get time to learn basis real-time business simulation and be ready for corporates
- 3. Use of technology improves quality of learning.
- 4. Highly professionalized industry ready approach - which attracts best companies for recruitment

College

- 1. Program is run in/near the college campus thereby allowing the students to attend the classes easily.
- 2. The college has an option to offer the program as an in-house program with our team providing the services.
- 3. This program can act as a key Value Add to students.
- 4. Successful execution of Program can enhance the Brand Value of the Institution.

Corporate

- 3. Fulfilling their training requirements across various resource pools.

Our Approach:

Proedge is specialised in creating training plans and facilitating students to enhance their skill and employability by pursuing the Career Edge courses.

Career Edge is a **Certification** program which can be integrated with the MCOM curriculum to ensure that program acts as bridge between academics and industry for the student thereby making the student Interview, Industry and Desk Ready. Career Edge program is run on In-College and With-College approach whereby program is conducted on the College Campus itself. We do conduct individual certification programs for MCom students also (MCom course is only certification program and we do not support Mcom certification programs with interview assistance).

The objective of the programme is to introduce career and market oriented, skill enhancing, training courses that have utility for job, self-employment and empowerment of the student.

Key Features of Career edge Program (MCom)

- Career Edge program is designed to make the student industry and desk ready
- Focus of making the student **interview-ready** by focussing communication skills and aptitude related skills
- Career Edge program is highly customisable as per the requirements of the College
- Career Edge is delivered by industry experienced professionals
