ICTACADEMY

Dear Student,

Greetings from ICT Academy.

ICT Academy appreciates your interest in self-learning and keeping yourself updated in this competitive world.

ICT Academy in association with various industry partners has launched a new initiative **“New India Learnathon – 2020”** with the aim of helping the students to build their skills online.

We are happy to share the Learnathon 2020 Student Guide which will help you step by step in successfully completing online learning journey.

Kindly follow each of the steps as it will be helpful for us to track your learning and update you on the learnings.

At any point of time, if you are stuck in-between the process kindly write a mail with the screenshot of the same to your Program Coordinator, who will guide you to proceed further.

We wish you good luck and happy learning.

STAY HOME. STAY SAFE.

With Regards,

Team ICT Academy.

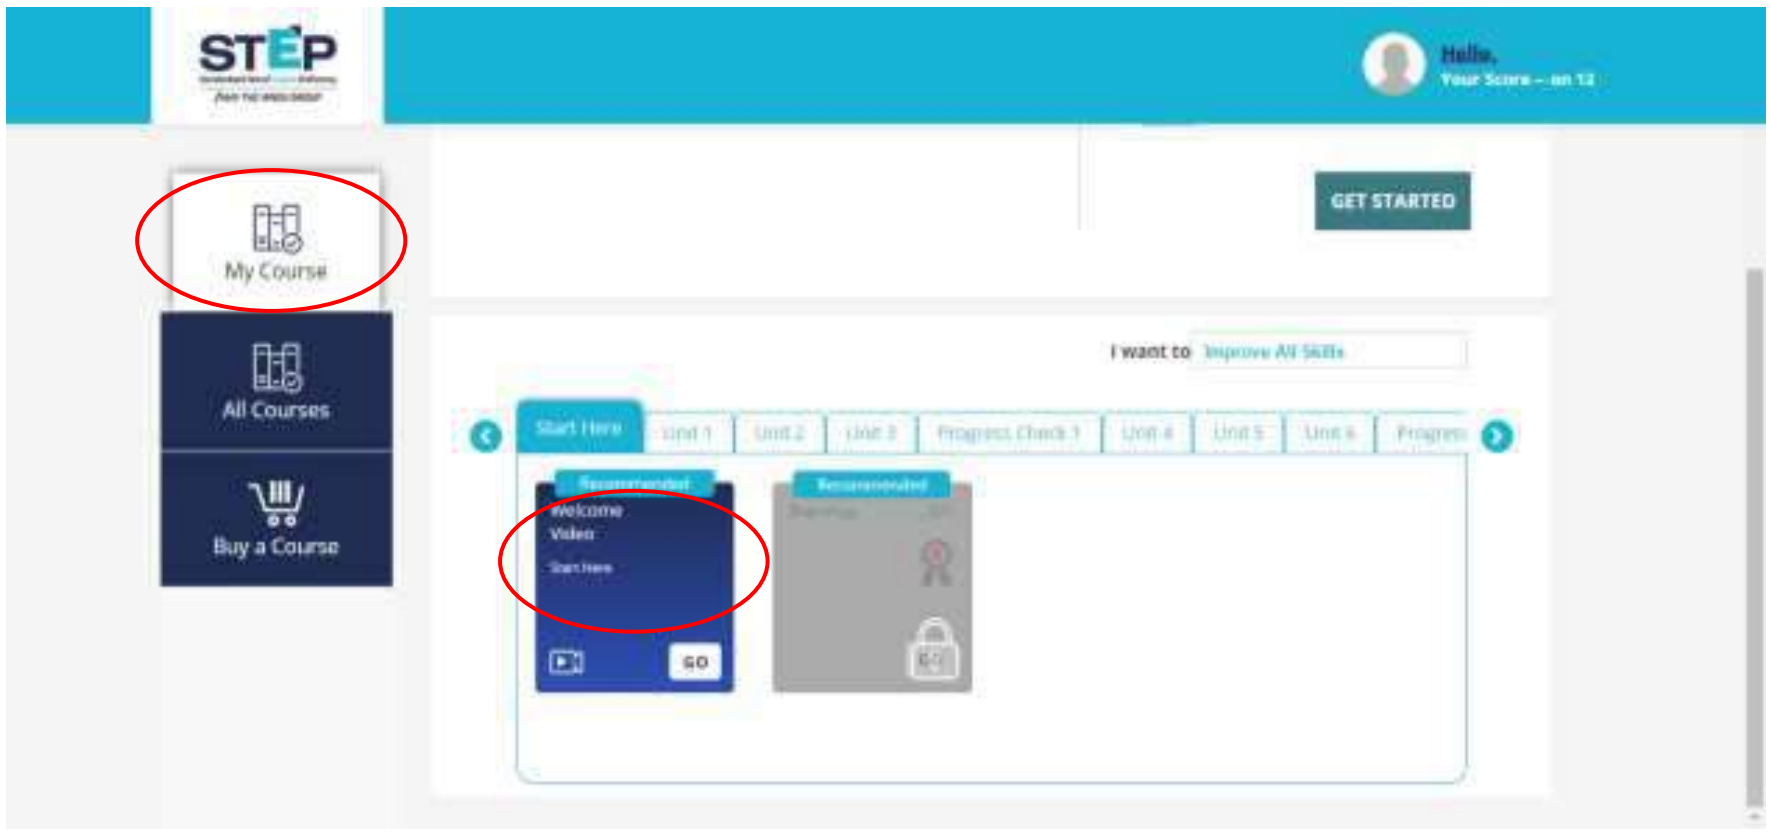
Step 6: Click on “My Course” and then click on the welcome video. Warm up test to be taken after completing welcome video.



<u>Troubleshooting steps:</u>

For Desktop/Laptop users, testing via web browsers:

Headphones and mic compatibility:

- Make sure to use headsets with microphones for testing

Do not use the mobile headphones with desktop or laptops as these may not work as expected. If suitable headphones are not used, the speech questions will not appear and you will not get a score for speaking.

To check if your microphone has been set up correctly you can try the following:

- Open Google Chrome and go to www.google.com
- Click on the microphone icon in the text box to enable 'Search by voice'. Try speaking into the microphone and see if the browser is able to recognize the recording from the microphone.

<u>Audio not recording:</u>
If there is any kind of error while recording speech, please perform the following checks:

- The headphones and mic is connected properly to the device and is compatible
- Has the right drivers been installed and is turned on
- The settings are checked in the control panel of the laptop/desktop
- Click on 'Allow', when the browser asks to make use of the microphone
- The volume level is appropriate
- Click on the Record button and speak loud and clear into the mic. Once finished recording, click in the Stop button. Click on Play button to check your recording and rerecord if it is not clear

<u>Video not loading:</u>
If the video or questions don’t load, click on the link given below the video

- Keep refreshing the page
- Check the internet connection and if the speed is 1Mbps .
