16.	Commencement of theory examinations	25.07.2022 onwards
17.	Commencement of valuation	

Some General Guidelines:-

- 1. In view of the importance of "social distancing" colleges shall take necessary steps to ensure that the students are given exposure to laboratory assignments / practical experiments through virtual laboratories, sharing of the recorded visuals of laboratory work and digital resources available for the purpose. The link provided by Ministry of Human Resource Development for virtual laboratories to facilitate the students of science may also be suitable for such purposes.
- 2. Every institute should develop virtual classroom and video conferencing facility and all teaching staff should be trained with the use of the technology.

- 1. The college shall submit the applications for issue of Eligibility Certificates in respect of Foreign Nationals before 17.11.2021. The application received after this date will not be considered.
- 2. The last date for obtaining permission from University for admission to III / V & VII semester on transfer from other colleges/Universities and readmission to III / V & VII semester is before 10.11.2021.
- 3. Prior permission must be obtained from the University for opting Additional English/Language for only eligible candidates as per Guidelines / Instruction for admission to under graduate courses Notification No:Aca.l/Guldelines/2004-05, dated: 02.09.2004.
- 4. The Principal shall ensure to obtain permission from the University for the students who have discontinued the degree programme within the five years from the date of joining (N+2=5 years UG courses and BHM and BVA courses N+2=6 years).

DTA

- 1. The Guidelines for completion of degree circulated vide circular No: Aca-I/UGC-Guidelines/Span Period/2017-18, dated. 13.07.2017 may be displayed on the College Notice Board.
- 2. Regulations Governing the Choice Based Credit System (Semoster Scheme) in the Undergraduate and Integrated Masters Degree Programmes in the Faculties of Arts, Science and Commerce shall be followed for the academic year 2020-21.
- 3. Principals are requested to allot the invigilation work to the teachers of major subjects such as Commerce, Management, English, Mathematics, Economics, etc., In the beginning of the theory examination and relieve them immediately for evaluation work.
- 4. Principals are further requested to compulsorily collect the evaluation attendance certificates from all the teachers who attended evaluation work in different subjects and produce them before the Local Inquiry Committee for verification at the time of visit.
- 5. During vacation, it is mandatory for teachers to undertake theory valuation and practical examination related work assigned by the University. Otherwise disciplinary action will be initiated for dereliction of duty, in the case of University, Government, and Aided College teachers and in the case of Unaided colleges attending to the examination work is one of the conditions to continue Affiliation.
- 6. Wherever Bio-Metric attendance is implemented, the principals are requested to take permission from the Higher Authorities to waive the requirement of attendance of the teachers on the days of the examination related work in the University especially during the evaluation of answer books.
- The colleges have to collect and remit the fee as prescribed by the University.
- 8. The Principals are requested to adhere to the above schedule of Calendar of Events and follow the Rules and Regulations strictly.
- 9. National Education Policy (NEP) for 1st semester only.

Department of MBA Department Advisory Board – AY 2022-2023

Minutes of the Advisory Committee Meeting

Date: 14th March 2023 Venue: SIMS Board Room Moderator: Dr. Roopa Shettigar

1. Welcome Address and Highlights:

Dr. Vasu B. A., Director, welcomed all the members of newly constituted Department Advisory Board, MBA. He gave an overview of MBA at SIMS and presented Plan of Action for the current academic year.

2. Attendees:

- Mr. Muralidhar, Founder, Lodestar
- Dr. Ravindra Babu Satyanarayana, Professor, School of Business and Management (SBM), CHRIST University
- Dr. Bhavani M.R., Associate Professor of Management, School of Commerce and Management, Chanakya University
- Dr. Roopa Shettigar, Co-ordinator, MBA, SIMS
- · Prof. Bhanu Prakash, Director, Admissions and Outreach, SIMS

3. Presentation on MBA Program:

 Dr. Roopa Shettigar: Presented on the planned events for academic and professional development of MBA students.

4. Key Discussions and Suggestions:

Mr. Muralidhar:

Suggested to include skill-based programs in the current and upcoming semesters. He emphasized on the importance of hard and soft skills required to be possessed by MBA students.

Dr. Bhavani M.R.:

Professor discussed about the significance of offering value added certifications along with regular academics. Specifically, she mentioned about specialization-based value-added certifications to be offered to MBA students for their upskilling. She also mentioned that such value-added programs should be critically driven by industry experts instead of regular faculty.

Dr. Ravindra Babu Satyanarayana:

Since, it is the first batch of MBA program, the visibility outside the market about SIMS MBA should be built vary cautiously. Hence, students should be sent to all kinds of sports, cultural and management fests. He emphasised on students' participation into sports, cultural and management fest related events, so that they will get the exposure and bring visibility about the department.

Department of MBA Department Advisory Board – AY 2022-2023

Action Taken Report

Based on the items discussed in the Department Advisory Board meeting, following actions have been initiated -

- 1. Enter into an MoU with training vendor (Seminarroom) to offer VAP Value Added Programs to the Students
- 2. Industry visits are scheduled
- 3. Guest lectures on skill enhancement is ensured.

Agenda:

- 1. Selection of Value-Added Programs for BCA Students.
- 2. Establishing Student Clubs.
- 3. Concentrating on Slow Learners.
- 4. Placement Training for Final-Year Students.

Discussions and Decisions:

Selection of Value-Added Programs for BCA Students:

The committee discussed and agreed on the importance of offering value-added programs tailored to the needs of BCA students. These programs will focus on current industry trends, emerging technologies, and essential soft skills. It was decided to survey the students' interests to better align the programs with their career aspirations.

J. dry

• Establishing Student Clubs:

The establishment of various student clubs was proposed to enhance student engagement and provide platforms for developing leadership and teamwork skills. The committee agreed to start clubs focusing on technology, entrepreneurship, coding, and extracurricular activities. Faculty members will be assigned as mentors to guide these clubs.

Concentrating on Slow Learners:

The issue of supporting slow learners was discussed at length. It was decided to implement a structured remedial program that includes extra coaching, peer mentoring, and continuous assessment to help these students improve their academic performance. The committee emphasized the need for regular monitoring and feedback to track progress.

• Placement Training for Final-Year Students:

The committee recognized the need for comprehensive placement training for final-year students. This training will include resume building, mock interviews, group discussions, and aptitude tests. Industry experts will be invited to conduct workshops and seminars to better prepare students for the placement process.

Conclusion:

The meeting concluded with a consensus on all agenda items. An action plan will be created to ensure the timely execution of these initiatives. 76

Action Taken Report for MoM-DAC 2022-23

Meeting Date: 05-04-2022

Agenda: Advisory Committee Meeting

SI.No	Proposal by the Advisory	Action Taken
1	 Conduct a survey to identify student interests. Offer VAPs focusing on industry trends, emerging technologies, and essential soft skills. 	 Conducted a student survey to understand their career aspirations and interests. Partnered with industry professionals to ensure the programs are aligned with current trends.
2	 Start clubs for technology, entrepreneurship, coding, and extracurricular activities. Assign faculty mentors to guide these clubs. 	 Established four clubs: Threads, Trinetra, Debuggers, Infinity Assigned dedicated faculty mentors for each club to provide guidance and support. Conducted orientation sessions to encourage student participation.
3	 Implement remedial programs, extra coaching, peer mentoring, and continuous assessments. Regularly monitor and provide feedback on progress. 	 Launched a remedial coaching program with dedicated sessions for slow learners. Assigned peer mentors to assist slow learners in understanding complex topics. Conducted monthly assessments and shared progress reports with students and parents.
4	 Provide training in resume building, mock interviews, group discussions, and aptitude tests. Invite industry experts for workshops and seminars. 	 Conducted comprehensive placement training programs that included mock interviews, group discussions, and aptitude test preparation. Invited guest speakers from various industries to share insights and tips for successful placements.
5	 Suggestion given on Department magazine or news letter 	 Launched a magazine named SIMTRONICS

Action Taken Report 2023-24

Requirements of the Department.

1. Modular Learning

Action Taken:

- Integrated project-based learning initiatives were launched, providing students with real-world
- Syllabus was reviewed and broken down into smaller units to emphasize skill-focused topics for
- Industry experts were invited to deliver guest lectures and share insights on contemporary business trends.

2. Clubs

Action Taken:

- Industry-specific clubs were formed focusing on specialized areas such as finance, marketing,
- Students were encouraged to join these clubs to develop their innovative and domain-specific
- Club activities included workshops, competitions, and knowledge-sharing sessions.

3. Incubation Centre

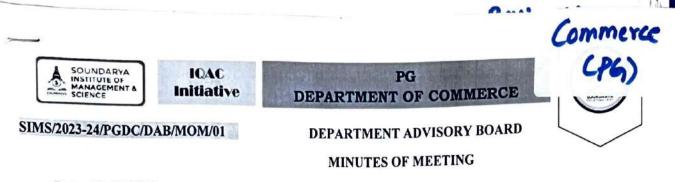

Action Taken:

- Initial steps were taken to set up an incubation center, including contacting consultants such as Skill India and Next Step Logistics.
- The incubation center was designed to foster entrepreneurial skills, provide funding assistance, and create networking opportunities.
- Collaboration with industry experts was initiated to enhance sector-specific knowledge for
- A roadmap was prepared to integrate research and innovation initiatives into the incubation center.

Department of MBA Department Advisory Board – AY 2023-2024

Minutes of the Advisory Committee Meeting

Date: 15th January 2024 Venue: SIMS Board Room Moderator: Dr. Roopa Shettigar

1. Welcome Address and Highlights:

Dr. Vasu B. A., Director, welcomed all the members of Department Advisory Board, MBA. He gave an overview of MBA at SIMS and presented Plan of Action for the current academic year.

2. Attendees:

- Mr. Muralidhar, Founder, Lodestar
- Dr. Ravindra Babu Satyanarayana, Professor, School of Business and Management (SBM), CHRIST University
- Dr. Bhavani M.R., Associate Professor of Management, School of Commerce and Management, Chanakya University
- Dr. Roopa Shettigar, Co-ordinator, MBA, SIMS
- Prof. Bhanu Prakash, Director, Admissions and Outreach, SIMS
- · Prof. Yuvaraj Halage, Assistant Professor, Department of MBA, SIMS

3. Presentation on MBA Program:

• Dr. Roopa Shettigar: Presented on the events conducted in the previous semesters.

4. Key Discussions and Suggestions:

Mr. Muralidhar:

Appreciated the events conducted in the previous semesters and guided on bringing more industry experts into classrooms in the form of guest lectures, seminars and workshops.

Dr. Bhavani M.R.:

Emphasised on initiating academic clubs in the department such as finance club, marketing club and HR clubs through which student driven activities should be undertaken. Along with these clubs, professor focused on having student chapters with industry collaboration in the department.

Dr. Ravindra Babu Satyanarayana:

Expressed positive remarks on the performance of the department in the previous semesters. He discussed about the academic performance of the students over the 2 semesters and guided remedial classes for the students who failed in quantitative subjects.

5. Vote of Thanks:

5. Vote of Thanks: Prof. Bhanu Prakash expressed gratitude to all members for their valuable contributions and participation in the meeting.

The meeting was adjourned with a commitment to follow up on the discussed action items and continue working towards the strategic goals of SIMS.

- 3. Segregation of Students Based on Skill Interests.
- 4. Industrial Visit and bootcamps planned.
- 5. Result Analysis of Even Semester.
- 6. Activities Planned for Odd Semester.

Discussions and Decisions:

Selection of Value-Added Programs for First-Year Students:

The committee decided to select value-added programs tailored to current industry demands. Basic foundational courses will be retained for first-year students to ensure they build strong core competencies.

• Starting research culture in students' community:

The committee insisted to start the research culture in the student's community by making them to write papers to present in state and national conferences conducted by many colleges and universities.

• Segregation of Students Based on Skill Interests:

The committee suggested segregating students based on their specific skill interests. This approach will allow for more focused value-added programs and better alignment with students' career goals.

Industrial Visits and Bootcamps planned

The committee insisted to align industrial visit along with the curriculum and also insisted to keep a assignment for students to enable them to prepare for the company and how they grasp the company visit that is aligned with the curriculum.

Result Analysis of Even Semester:

A detailed analysis of the odd semester results was presented. The committee discussed areas where students performed well and identified subjects where additional support and interventions may be necessary.

Activities Planned for Odd Semester:

The committee outlined the activities planned for the odd semester, including workshops, seminars, and extracurricular activities. These activities will focus on holistic development and preparing students for upcoming challenges.

Conclusion:

The meeting concluded with an agreement on the discussed points. An action plan will be formulated for the implementation of the decisions.

Action Taken Report for MoM-DAC 2023-24

Meeting Date: 11-06-2023

Agenda: Advisory Committee Meeting

SI.No	Proposal by the Advisory	Action Taken
1	 Offer value-added programs aligned with industry demands. Retain foundational courses for first-year students. 	 Introduced value-added programs in MongoDB, Data Science(including the IBM Data Science program),
2	 Encourage students to write and present papers at state and national conferences. 	 Conducted a Research Orientation Workshop to introduce students to paper writing and presentation techniques. Formed a Research Club to mentor students on research methodologies. Facilitated participation in IEEE Hackathon. Students developed a drone and the same has been exhibited in the tech Summit
3	 Group students based on their specific skill interests for targeted VAP delivery. 	 Conducted a survey to identify students' skill interests in areas like programming, design, and data analytics. Organized focused training programs tailored to each group's interests
4	 Align industrial visits with the curriculum. Assign preparatory tasks for students before visits to maximize learning outcomes. 	 Scheduled industrial visits to companies aligned with academic curriculum. Organized post-visit presentations where students shared their learning experiences.
5	 Analyze results to identify subjects requiring additional support. 	 Performed detailed result analysis and identified subjects with low pass rates. Arranged remedial classes and peer tutoring for underperforming subjects.
6	Plan workshops, seminars, and extracurricular activities for holistic development.	 Scheduled workshops on emerging technologies like AI and IoT. Organized a series of seminars with industry experts to provide real-world insights. Planned extracurricular activities, including interdepartmental competitions and cultural events, to foster teamwork and creativity. The Cyber Peace Foundation club was established and an awareness program was conducted.
7	 Conduct conclaves and technical events to enhance practical knowledge in cybersecurity. 	 Successfully conducted the Cyber Forensics Conclave, featuring expert talks and hands-on sessions to equip students with foundational skills in digital forensics and cyber investigation.

SOUNDARYA INSTITUTE OF MANAGEMENT & SCIENCE

IQAC Initiative

COURSE PLAN 2023-2024 Semester :

Department	MATHEMATICS
Course Code &	MATT 1.1
Course Title	MATHEMATICS - I
Course Co-Ordinator(s)	Asst. Prof. Chandana S Naik
Program Co-ordinator	Dr. S Shreemathi Giri

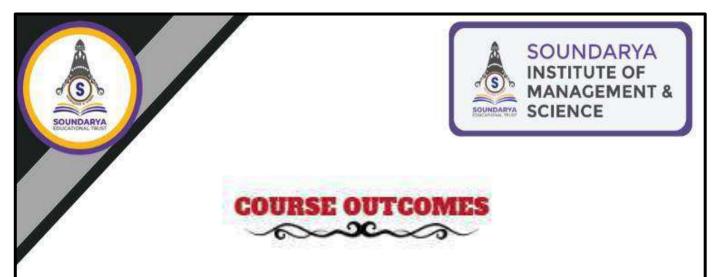

PROGRAM EDUCATIONAL OBJECTIVES 1 Demonstrate proficiency in fundamental scientific principles and methodologies across various disciplines. 2 Apply critical thinking and problem-solving skills to analyze complex scientific problems and develop innovative solutions. 3 Collaborate effectively in interdisciplinary teams to address scientific challenges and achieve common goals. 4 Demonstrate entrepreneurial leadership and effective communication skills, promoting collaboration and teamwork in scientific contexts.

SOUNDARYA

1	Disciplinary Knowledge: Graduates will demonstrate expertise in their scientific discipline's core concepts, theories, and methodologies.
2	Communication Skills: Graduates will proficiently communicate innovative ideas and discoveries across scientific platforms.
3	Critical Thinking and Problem-Solving: Graduates will critically analyze complex problems and apply scientific tools to develop solutions.
4	Research Skills: Graduates will excel in research methodologies, data analysis and interpretation to contribute to scientific advancements.

СО	Details			
Thi	This course will enable the students to:			
CO1	Understand the algebraic concepts of Matrices and elementary transformation of Matrices.			
CO2	Analyze the Eigen values and Eigen vectors, Cayley- Hamilton theorem.			
CO3	Comprehend the fundamental concepts of successive differentiation and partial derivatives of two or more variables of Differential Calculus			
CO4	Analyze the concepts of reduction formulae of Integral Calculus and its applications and the concepts of length, area, surface area and volume of solids of revolution			
CO5	Understand the concepts of analytical geometry in three dimension and equations of sphere, right circular cylinder and cone.			

	Total Teaching Hours 14hrs
Problem Solving Seminar Assignments Group Discussions

COURSE PLAN 2024–2025 Semester :

Department	COMMERCE
Course Title	3.1 Corporate Accounting
Course Co-Ordinator(s)	Ms. Thanuja V
Program Co-ordinator	Ms. Prithvi Heggade M P

PROGRAM EDUCATIONAL OBJECTIVES

- 1. PEO1: Develop students' analytical skills for effective decision-making in Commerce, Trade, and Industry.
- 2. PEO2: Develop proficiency in leveraging data-driven insights and emerging technologies to drive strategic goals in dynamic business environments.
- 3. PEO3: Demonstrate leadership skills among students in their chosen professional fields for achieving personal and professional excellence
- 4. PEO4: Inspire students to acquire skills for societal progress, emphasizing values, accountability, and lifelong learning.

PO 1: Develop proficiency in fundamental concepts of accounting, finance, taxation, marketing and business management.

PO 2: Demonstrate proficiency in analyzing and interpreting financial statements and data using higher-order thinking skills

PO 3: Leverage technological advancements to identify and capitalize on market trends, fostering innovative entrepreneurship in dynamic business landscapes.

PO 4: Contribute commerce knowledge for societal growth, social welfare, and sustainable progress. (through corporate responsibility and sustainable practices)

PO 5: Acquire employability opportunities through practical skill development, networking, and industry engagement initiatives within the commerce sector.

On successful completion of the course, the students' will be able to

CO 1: Understand the treatment of underwriting of shares.

CO 2: Understand the concepts and accounting treatment of Issue of shares under various types.

CO 3: Know the valuation of intangible assets.

CO 4: Know the valuation of shares.

SOUNDARYA

CO 5: Prepare the financial statements of companies as per companies act, 2013.

SOUNDARYA INSTITUTE OF MANAGEMENT &

BRIDGE COURSE & ANIMATION WORKSHOP

- Title : BRIDGE COURSE & 2D ANIMATION WORKSHOP
- Date : 13 Sept 2022 to 20 Sept 2022
- Time: 8.00 1.30
- Venue : LH 307 & Computer Lab
- Introduction :

The teaching methodology as well as studying pattern undergoes tremendous changes during the transition from pre-university level to degree program. To ensure the smooth sailing during this phase, lot of guidance and hand holding from teaching fraternity is very much needed. So, before the commencement of regular classes bridge course is conducted for newly inducted students. The syllabus for the course is framed in such a way that, equal importance is given to Basic Mathematics, Algorithms, Advanced skill such as Gaming workshop for Higher Education.

• Guest profile :

Sagar Deshpande :

2D Animator and Artist with over 8 years of experience, he is proficient with 2D Animation software like Adobe Animate, Toon Boom Harmony, TV Paint etc. He has also worked in the field of Pre-production and Illustration and has hands-on experience in Storyboarding, Character Design, Layout Design. He has trained hundreds of students to build their own digital art. He has skill set in 2D Animation, Character designing and Storyboarding. He is a dedicated, passionate and hardworking personality. He likes to enrich young minds with creativity in the field of animation.

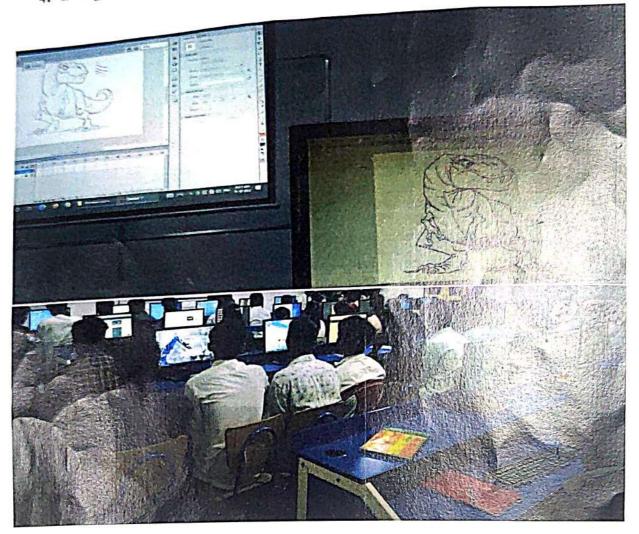

Objectives

- To demystify what is expected of students in degree classes and
 - To provide adequate foundation in the core applied science subjects, limited to
 - moderate level so that students do not face any difficulty when the classes commence.

• To bridge the gap between two levels of competence and to provide students the the confidence and skills to successfully transition to college and new curriculum.

- Outcomes
 - o Students were able to connect with programming classes in their curriculum.
 - o Through gaming workshop students were able to generate basic animated games.

- 1. Feedback analysis (Enclosed) 2. Action taken report(ATR) for the feedback a. Advance Gaming workshop will be planned in upcoming days as a part of
- Content development projects. 3. Attendance sheet for the event (Enclosed)
- 4. Bridge Time table (Enclosed)

Report on Seminar / Webinar / Guest lecture

About		SIMS/2024-25/CDC/SWG
Title of the talk	Guest talk on "Stress M	anagement "
Resource Person(s)	Prof. S. Veerbhadhrayya	
Date	13 th August 2024	
Student Attended	1 st Year BBA Regular and Aviat	ion students
Faculty coordinator(s)	Prof. Chaithra CG	
Objective(s) &]	

	Educate participants on what stress is, its causes and its effects on physical and mental health
Objective(s)	Introduce various stress management techniques such as deep breathing mindfulness, time management and relaxation exercises.
	Teach participants how to approach stressful situations with problem solving techniques rather than reacting emotionally

l,

	1	Participants gain a better understanding of what stress is, its sources, and how it effects their lives
Outcome(s)	2	Participants learn strategies to balance work and personal life, reducing stress from overwork and improving overall well-being
	3	Participants are motivated to consistently apply the stress management techniques they have learned, leading to sustained improvements in stress level over time.

GUEST-TALK on Stress Management

On **13-08-2024** Department of Business Administration, SIMS has organized an guest talk on "Stress Management" by Prof. S. Veerbhadhrayya. M. Com, MBA Director in Seshadripuram College for all 1° Sem BBA Students. The guest talk started at 9:30 AM and ended at 12:00 PM in MBA class room. 36 students attended the guest talk.

The guest focused on building confidence by interaction, why the students lack in braveness, health tips, meditation and how to manage stress

Effective stress management is crucial for maintaining physical health, emotional well-being, and productivity. Unmanaged stress can lead to serious health issues such as anxiety, depression, and cardiovascular diseases.

The students got exposure towards the practical life and how to tackle the personal life with all difficulties.

Takeaways from the Activity

- ✓ Health Tips to be followed in regular activities
- How to lead peaceful life ~
- How to manage stress ~

The activity was interactive and all the students enjoyed along with gathering information regarding

how to behave and lead worth full life

The students were motivated and creativity was enhanced with in them.

This report can serve as a comprehensive guide to understanding and addressing stress Proactively managing stress is essential for maintaining mental and physical health, improving

productivity, and enhancing overall quality of life. I would thank our management department and HOD for the support and Prof.S.Veerbhadhrayya for

gathering the crowd.

Feedback Analysis

Guest Talk on Stress Management

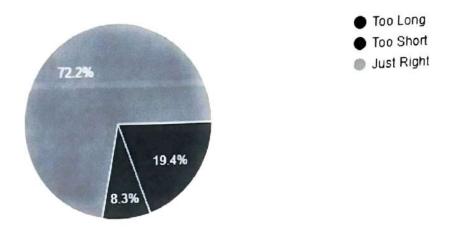

Feedback Link : https://forms.gle.qmWTb4cCKyrCi55MA

2. Was the topic of the talk relevant to your interests or professional development?

3. Did the guest speaker present the content clearly and effectively?

Conclusion

Overall, the guest talk was an enriching experience that provided valuable insights relevant to both my academic journey and professional development.

The topic aligned well with my interests, offering practical knowledge and new perspectives that can be applied in the field.

The speaker presented the content clearly and effectively, making even complex concepts easy to understand. Their engaging delivery, supported by relevant examples, contributed to a well-rounded and impactful session.

Feedback of the program

Industry Inspiration Program 2022 Introduction and industry application of Mobile App

Development

Aman Alok Chief Executive Officer, CODOT

2nd,3rd & 7th November 2022 4:00pm to 5:30 pm

Mr Aman is a Co-founder & CEO, CoDot has raised a preseed investment at a valuation of a million dollar: An app with branching-narrative stories where the plot unfolds as per the choices you take in a story.

He has successfully led 30 projects on Market Research, Go-To-Market Strategy, and Digital Marketing.

As a social entrepreneur, Mr Aman has been active as an advisor/mentor to many college-level clubs across India and have a training experience of addressing more than 300 students across Bangalore (in person) and rest of India (digitally) in various skills - web design & development, marketing, and data science to promote the culture of freelancing and self-sustainability.

Also, He has been actively 'lay counseling' and successfully handled more than 25 cases of people suffering from depression, drugs addiction, etc. under proper professional guidance and care.

About the Session

The speaker discussed the introduction and industry application of Mobile App Development. He started by providing an overview of what mobile app development is and ts importance in today's digital world. He then highlighted the various platforms for mobile app development such as iOS and Android, and the programming languages used such as Java and Swift. The speaker also demonstrated the process of developing a mobile app, starting from conceptualization, design, development, testing, and deployment. He emphasized the importance of conducting thorough research and understanding the target audience to ensure that the app meets their needs. He also highlighted the different tools and resources available to developers to aid in the development process. The speaker discussed the different phases of app development, including prototyping, coding, debugging, and testing. He also emphasized the importance of regularly updating and maintaining the app to ensure it remains relevant and bug-free. Overall, the speaker provided a practical and hands-on approach to mobile app development, which was peneficial to attendees looking to develop their own apps.

Learning Outcomes

Learning mobile app development can open up new career paths, increase₅ earning

About Industry Inspiration Program 2022

The industry is rapidly changing and innovating in the present context and it has become extremely difficult for higher education institutions to constantly upgrade syllabus and train faculty as per new industry requirements.

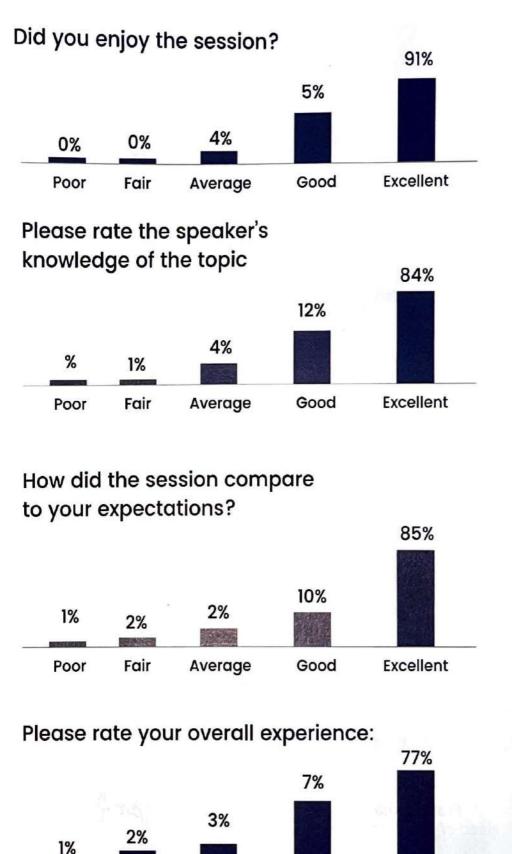

While that is the case, it is equally important to communicate the real-time industry application of what's being taught as per the curriculum and prepare students early for industrial environments and requirements.

Seminarroom identifies key areas within the curriculum that requires industry intervention and maps relevant industry experts to each module.

The objective of this program is to inspire students by giving the relevance and importance of studying each subject and the potential opportunities with respect to:

Placement Opportunities, Higher Education Opportunities, Research and Innovation, and Entrepreneurship

Feedback Industry Inspiration Program 2022

Poor Fair Average Good Excellent

Feedback Industry Inspiration Program 2022

The session gave an introductory insight into the mobile app development. It has enable the students to introduce themselves to world of app development. Thanks for this amazing session.

Worth attending the session specially for one interested in app development. Speaker provided great insights on simple strategies that one can use to build the mobile app.

Its a very intriguing and full of learning. The concepts of mobile app development was very beautifully explained

Great session. The way the information was presented was ideal and useful. Very practical.

I have learned so much with this session. it is amazing all this new information, all the new possibilities for available to develop and become a mobile app developer.

The course was clearly presented by Mr Aman and the discussions were very helpful for people like me who's new in app development

Action taken Report for the Academic year 2023-24

Institution: Soundarya Institute of Management & Science

Report by: IQAC

Considering the feasibility of upgrading the curriculum, a comprehensive feedback survey was conducted among major stakeholders. This survey aimed to gather insights and opinions from students, teachers, alumni, and employers regarding potential improvements to our curriculum.

Summary of Feedback

Stakeholder s	Observations	Action taken
Students	Need for skill- oriented courses, advanced learning modules, job- oriented courses, interview training, and career guidance	 Introduced practical skill courses and advanced modules, added career-focused electives and internships, implemented mock interviews and resume workshops, and expanded career counseling with expert-led seminars. Implementation: MOU Exchange and Interaction with IBM Adhoc training on silk dying and printing Global Immersion program @ Malaysia
Teachers	Teachers are unable to create syllabi due to university affiliation but are involved in university committees.	 Implemented in-house Value Added Programs allowing teachers to develop and design course content, align programs with industry needs, and create e-content for curriculum enrichment, leveraging their roles on university boards and committees. Implementation: e-content development Advance Excel Strategic Customer Engagement Power BI
Alumni	Alumni expressed concerns that the current course may not sufficiently improve job prospects for students.	 Activity Based Learning Introduced additional courses and certifications designed to enhance job readiness and employability, ensuring that students gain relevant skills and qualifications that benefit their career prospects. Implementation Pre-Placement Training and mentoring session from sims alumni working in Akamai Technology &

		 Appisode Pvt. LTd. Edu.Net foundation (Next Generation employment training - EY) Entrepreneurial Echoes (Orientation Program by Alumni Entrepreneurs) 2D Game Art workshop conducted by KAMS to create job market in Animation industry.
Employer	Employers noted that graduates lacked specific skills and practical experience needed for the job market. They also recommended incorporating startup support through various schemes.	 Added industry-relevant courses and increased practical training opportunities. Established stronger partnerships for internships and hands-on projects. Additionally, set up a pre-incubation center to support startups and implement various schemes for entrepreneurial ventures. Implementation: Training & Placements Garuda Aerospace (Drone technology) Finistra Fintech Software solutions (Financial training) Capgemini (Customer Executive Services) 100 hours internship from Computer Society of India – Bangalore Chapter.

Respected Sir,

Subject: Observations of BCA Course Structure Revision as per State Education Policy (SEP).

I am hereby enclosing the observations made by Prof. Rekha C on the BCA syllabus in line with the new State Education Policy (SEP) as requested by BOS Chairman Dr. Murlidhar B. L, BOS Chairman, Bangalore University. we appreciate the curriculum design shared by BOS which has successfully integrated emerging technologies, Internships, Collaborative learning and 3 specialization - all of which are crucial for preparing students for the dynamic tech industry. However the department has extended its observations on enhancing the aspects of tech kowledge and practical skill where students are prepared for real world scenario in multiple expertise converge. Hope our feedback would constructive and help the student community. Thank you for your consideration.

Thanking you,

Sincerely,

Prof. Rekha. C

DOCUMENT-2

Date : 25-03-2022

To The Registrar Bangalore University Bangalore

Through Dr. Muralidhara B.L BOS Chairman, Bangalore University Bangalore.

Prof. Rekha.C BOE-BCA Chairman Bangalore University Prof. Rekha C nominated as BOE-BCA chairman in the year 2021-22.During her tenture she has initiated to change OMT paper from Theory to Practical

HOD's of Affiliated Colleges

Respected Sir,

Subject : Requesting to re-consider Office Management Tool (OMT) – Skill enhanced course BCA / BSc (Computer Science) as Practical Paper.

Reference : Notification ACA/Digital Fluency/2022 dated : 22-03-2022

With reference to the notification issued on 22-03-2022 regarding Office Management Tool to be considered as THEORY paper. We the faculty members of Computer Science (BCA & BSc) would sincerely request you to reconsider it as PRACTICAL Paper, since all the BCA & BSc (Computer Science) colleges affiliated to Bangalore University have taught the entire syllabus as a Practical paper under the following considerations :

- As per the NEP Regulations uploaded in the Bangalore university portal dated 16-10-2022 (Page no:48) (Annexure -C5) SEC is both Theory and Practical component. However the weightage/credits of practical is (2) as compared to Theory(1).
- In (page no: 56) the distribution of marks is [25 (IA) + 25 (Exam)] which is the same as the distribution of Practical paper.
- BCA Syllabus uploaded in the Bangalore university portal (<u>BCA-BU-NEP-MURALIHDARA-FINAL</u> (<u>bangaloreuniversity.ac.in</u>)) the SEC is titled as Office Management Tools (OMT) and syllabus circulated by the BOS is also titled as **Computer Lab**.

- Letter by BOS chairman Dr. Muralidhara B.L to the Vice Chancellor dated 11-02-2022, requesting Office Management Tools to be considered as a Practical paper.
- Evaluation Component of Office Management Tools in UUCMS portal also reflects 25M indicating the subject to be considered as a Practical paper.

Considering all the above details, we the faculty members of BCA & BSc (Computer Science) have taught the subject as Practical based and the students are ready to take practical examination.

Under this scenario it is our humble request to consider the subject as Practical Paper, otherwise it may lead the students in to stressful situations, consequently it may as well disturb their trust and faith on Faculty and University.

Looking forth for your kind help and favorable action in this matter.

Thanking you, Sincerely,

man 2

Dr. Muralidhara B.L Professor, Bangalore University

Course Description:

This course is a hands-on introduction to the personal computer and application software. Give students an in-depth understanding of why computers are essential components in business, education and society. Provide hands-on use of Office applications Word, Excel, Access and PowerPoint. Provide foundational or "computer literacy" curriculum that prepares students for life-long learning of computer concepts and skills. Topics include types of data, data cleaning, recoding and sorting, data visualization, summarizing data and an introduction to analysis of relationships between variables.

Course Outline:

1. Basic Skills

In and out view of different components of computer (Hardware), booting the machine, GUI of desktop, input and output interfacing

2. Word

Introduction Word - Uses of Word Processor – Working with Word - Explore the use of graphics and different fonts, understand and to make use of basic features of documents, Advanced Word Processing - Managing Document Changes - Advanced Editing and Formatting - Protecting and Sharing Documents - Customizing Documents - Using Macros, Quick parts, and Content Links - Using Fields, Forms and Indexes

3. Excel [Spreadsheets]

Introduction Spreadsheets - Uses of Spreadsheets - Anatomy of a Spreadsheet - Creating a Spreadsheet - Formatting a Spreadsheet- Explore the tools available in spreadsheets, including formulas and calculations, Inserting and working on Graphs, Using office backstage - Using basic formulas - Using functions -Formatting cells and Ranges - Formatting worksheets - Managing worksheets - Working with data and Macros - Using advanced formulas - Securing and sharing workbooks - Creating charts - Adding pictures and shapes to a worksheet.

4. Power Point Presentation

Introduction Power point presentation (PPT) – Uses of PPT - Creating and Formatting a Presentation - Slide Show Mode, Speaker Notes, and Outline Mode - Drawing Diagrams - Tables and Charts, review each slide template - Duplicate, move and import slides - Insert pictures and video clips - manage add-ins and security options - Create handouts - Create and apply master slides - Manage proofing options - manage language options - Use "Presenter Tools"- Connect to the projection system.

5. Use of Excel for Statistical Analysis

<u>Data Classification and Presentation</u> - Cumulative Frequency Distribution - Bivariate Frequency Distributions - Tabulation of Data - Graphical Representation - Other Forms of Representation <u>Measures of Location and Dispersion</u> - The Arithmetic Mean - The Median - and Percentiles - Measures of Variations or Dispersion - The Variance and Standard Deviation. Correlation - Scatter diagram - correlation coefficient

6. ACCESS

Overview of Microsoft Access Databases – Design and Create Tables to Store Data – Simplify Data Entry with Forms - Obtain Valuable Information Using Queries - Create Professional Quality Output with Reports – Design and Implement Powerful Relational Databases - Build User Friendly Database Systems

Readings:

- Wiley, "Microsoft Official Academic Course for 'Microsoft Word', 'Microsoft Excel', "Microsoft PPT".
- 2. Access 2016 Bible: The Comprehensive Tutorial Guide" by Michael Alexander and Dick Kusleika
- 3. Berk, K. N. and Carey, P., "Data Analysis with Microsoft Excel, Duxbury Press, 2000.
- 4. Medhi .J, "Statistical Methods an introductory text".
- 5. Kenneth N. Berk and Patrick Carey, "Data Analysis with Microsoft Excel".

To The Vice Chancellor Bangalore University Bangalore

Sir,

90

Sub: Request to instruct the concerned to treat the "Office Management Tools" course as a Practical Paper

As you are aware that Board of Studies in Computer Science, Faculty of Science, and Academic Council has approved the Skill Development Course for the BCA and B.Sc Computer Science syllabus as: "Office Management Tools". The same has been notified in our website as well. The syllabus for the Skill enhancement course consists of Office Management Tools such as, word processing, spread sheet, presentation tools etc., This Skill Enhancement course, is a Practical oriented course, and the evaluation mode has to be in that mode only. Therefore, I request you to kindly instruct the concerned to treat this course as Practical Course. The marks distribution for this course can be 20 + 30, 20 marks for continuous assessment, and 30 for University Practical Examination.

Looking forward to your kind cooperation,

Thank you,

Yours sincerely.

(MURALIHDAR BL)

Dear Prof. Vibin,

I wanted to take a moment to express my heartfelt gratitude for your tireless efforts in designing the value-added program on Strategic Customer Relationship Management. Your dedication to enhancing our learning experience is truly commendable. This program has equipped us with essential skills to navigate the dynamic business landscape, and I firmly believe that it will have a profound impact on our future endeavors. Your expertise and passion for teaching have made this program an invaluable asset to our academic journey. Thank you for your commitment to excellence and for empowering us with the knowledge and skills necessary to succeed in the business world.

Best regards,

Sandhya K S Business and Management (BBA) <sandhya.srinivas@christuniversity.in> To: Vibin Krishnan R <vibinkrishnan@soundaryainstitutions.in>

Dear Asst.Prof. Vibin

The program has been designed very well. Congratulations on the detailed syllabus. There are a few suggestions with regard to the syllabus

1. If you could add customer channels (Digital and offline Channels) in Module 2, it will be helpful

2. In the last module, i.e., Module - 4, you have jumped directly to data mining and data warehouse analysis of customer relationship technologies; if you could introduce these, I feel the last modules would be complete.

Using Customer Data and Analytics

Collecting and analyzing customer data for insights. · Predictive analytics in customer engagement.

• Customer Feedback and Voice of Customer (VoC) Programs

- Implementing feedback loops to improve engagement strategies.
- Leveraging surveys, reviews, and other feedback tools.

3. Module 2 content is more. If you could break it up into two modules, it would be fine. All the best for your program.

Thanks and Regards Sandhya K S Assistant Professo School of Business and Management +91 9845499266 sandhya.srinivas@christuniversity.in CHRIST (Deemed to be University) Mysore Road Bangalore-560074

Dear Ma'am

on:

Thank you for your valuable feedback and kind words regarding the program syllabus. I'm glad to hear the syllabus aligns with your expectations, and I appreciate your thoughtful suggestions.

1. I will incorporate your suggestion to add customer channels (both digital and offline) in Module 2. This will enhance students' understanding of various customer interaction points.

2. For Module 4, I agree that introducing the customer data concepts before jumping into data mining and analysis will ensure a smoother transition. I will include sections

Using Customer Data and Analytics

Collecting and analyzing customer data for insights

Predictive analytics in customer engagement

Dear Vibin,

Thank you for sharing the syllabus. I found it to be well-structured and precise.

I believe that strengthening the bridge between Institutions and Industry would greatly benefit students by better preparing them for the job market and enable them various career paths. Every step towards achieving this goal is highly appreciated.

Here are a few additional steps that might enhance your syllabus:

Technology Integration: This requires technical experts who understand databases and CRM software to effectively deliver this knowledge to students.
 Placement Guidance: It is important that students are familiar with the various career paths in this field.

Wishing you success with this. Feel free to reach out to me if you would like to discuss anything further.

Thank you.

Best Regards,

Amogh A

VALUE ADDED PROGRAM

STRATEGIC CUSTOMER ENGAGEMENT

Course Code: 2024/BBA/VAP/ 1.1

Program Duration: 40 Hours

Abstract:

In this Value-added program, we explore the intricacies of relationship marketing, effective customer communication, complaint management, and database marketing. The journey begins with an overview of relationship marketing, emphasizing the foundation for building strong customer connections and understanding the customer life cycle. Next, we delve into customer contact techniques, covering everything from making positive first impressions to handling common queries via telephone and social media. Cross-cultural awareness and adapting to different social styles are also key components. Moving on, we tackle the art of dealing with complaints—why customers complain, strategies for prevention, and effective handling of various complaint scenarios. Finally, we dive into database marketing, discussing search engine optimization (SEO), prospect databases, data warehousing, data mining, and best practices in marketing technology, all within the context of the Indian market.

Course Objectives:

1. To provide students with a thorough understanding of the principles and practices of relationship marketing.

2. To equip students with effective customer contact techniques, including selfpresentation and etiquette.

3. To train students in identifying, understanding, and managing customer complaints.

4. To introduce students to the principles and practices of database marketing and CRM technologies.

Course Outcomes:

1. Students will be able to attain comprehensive knowledge of relationship marketing.

2. Students will demonstrate improved contact skills.

- 3. Students will be able to analyse the legitimate and illegitimate complaints.
- 4. Students will gain the proficiency in database marketing techniques.
