Circular of CBCS Scheme

BANGALORE SITY

Jnanabharathi, Bengaluru-560056

Regulations Governing the Choice Based Credit System Semester Scheme with Multiple Entry and Exit Options in the Undergraduate and Post-graduate Degree Programmes in the Faculties of Arts, Science and Commerce

(framed under Section 44 (1) (c) of the KSU Act 2000)

BANGALORE UNIVERSITY

Regulations Governing the Choice Based Credit System Semester Scheme with Multiple Entry and Exit Options in the Undergraduate and Post-graduate Degree Programmes in the Faculties of Arts, Science and Commerce

(Framed under Section 44 (1) (c) of the KSU Act 2000)

Preamble:

Education plays a significant role in building a nation. There are quite a large number of educational institutions engaged in imparting education in our country. However, our present education system is churning out youth who have to compete locally, regionally, nationally as well as globally. The Twenty-first century has opened up many new challenges in the field of Higher Education. The present alarming situation necessitates transformation and/or redesigning of the system, not only by introducing innovations but by developing a "learner-centric" approach. But the majority of our higher education institutions have been following a system which obstructs the flexibility for the students to study the subjects/courses of their choice and their mobility to different institutions. Thus, there is a need to allow flexibility in the education system, so that students depending upon their interests can choose inter-disciplinary, intra-disciplinary and skill-based courses. It should be holistic to train the student into a perfect human being and a useful member of society. The aim of higher education is to develop good, well-rounded and creative individuals. It has to enable an individual to study one or more specialized areas of interest at a deeper level, while at the same time building character, ethical and constitutional values, intellectual curiosity, spirit of service and capabilities across disciplines including sciences, social sciences, arts, humanities as well as professional, technical and vocational crafts. At the society level, higher education must enable the development of an enlightened, socially conscious, knowledgeable and skilled nation that can uplift its people and construct and implement solutions to its own problems. It is also to bridge the increasing gap between an undergraduate degree and employability.

The New Education Policy (2019) initiated and developed by the Ministry of Human Resource Development (HRD), Govt. of India, has been approved by the Central cabinet on 29th July 2020. The National Education Policy (NEP) has brought several reforms in Indian education which include broad-based multidisciplinary Undergraduate Education with 21st Century skills while developing specialized knowledge with disciplinary rigor. It is to bring equity, efficiency and academic excellence in National Higher Education System. The important ones include innovation and improvement in course-curricula, the introduction of paradigm shift in learning and teaching pedagogy, evaluation and education system.

The role of Universities and colleges in the 21st Century extends far beyond traditional knowledge creation and dissemination to encompass new expectations for innovations that will have broader, social and economic benefits. To cater to the needs of students with diverse talents, aspirations and professional requirements, it is necessary to make qualitative changes in its undergraduate and postgraduate programs. In this backdrop, the National Education Policy has recommended a Multi-disciplinary Undergraduate Program with multiple exit and entry options with certificate/Diploma/degrees at each of the

exits. A nationwide ecosystems of vibrant multi-disciplinary graded higher educational institutions (Universities and Colleges) are to be developed. In this context, a liberal approach has to be the basis of undergraduate education in all fields and disciplines at the undergraduate level, including professional education. Undergraduate curriculum needs to be focused on creativity and innovation, critical thinking and higher order thinking capacities, problem-solving abilities, team work, communication skills, more in-depth learning and mastery of curricula across fields.

The University Grants Commission has asked all the universities in the country to implement the multidisciplinary and holistic education across disciplines for a multidisciplinary world, in all Universities and Affiliated Colleges. Karnataka State Higher Education Council has also communicated general guidelines in this regard.

Further, the Karnataka State Higher Education Council has proposed a model curriculum framework and an implementation plan for the State of Karnataka. It is to suggest and facilitate the implementation of schemes and programs, which improve not only the level of academic excellence but also improve the academic and research environment in the state. The proposed curriculum framework endeavors to empower the students and help them in their pursuit for achieving overall excellence.

The proposed Four-year Multi-disciplinary Undergraduate program is a fundamental transformation of the current undergraduate education, which replaces the conventional undergraduate programs of universities in the State. Outcome Based Education (OBE) practices are to be used to design the curriculum. It is proposed to develop Graduate Attributes at appropriate level that will act as common denominator for curriculum across universities.

The curriculum shall focus on critical thinking and problem solving. Conscious efforts to develop cognitive and non-cognitive problem-solving skills among the learners shall be part of the curriculum. Use of Bloom's Taxonomy in designing curriculum to move from lower order thinking skills to higher order thinking skills is a desired option. The programs designed shall empower graduates as expert problem solvers using their disciplinary knowledge and collaborating in multi-disciplinary teams.

Hence the Bangalore University thought it fit to implement the multidisciplinary and holistic education in all the under-graduate programs and the consequential post-graduate programs, with multiple entry and exit options with multiple certificate/diploma/degrees in the Faculties of Arts, Science, Commerce and Management to replace the present undergraduate degree programs effective from the academic year 2021-22. Hence, these Regulations.

Students will have the option to exit after one year with a certificate, 2-years with award of the diploma and after 3-years with the award of the bachelor degree. Successful completion of the four-year program will lead to award of the bachelor degree with honours in particular subjects. Continuation of the undergraduate program for the fourth year in colleges is optional, in subjects in which they are not offering post-graduate programs. But, it is a preferred option. The graduates of these colleges can seek admission to the fourth year program in the respective post-graduate departments in the university or in the colleges wherever it is offered, as the present post-graduate programs in subjects will be restructured into one-year Master's degree for honours degree holders and two years' master's degree for the basic degree holders in the subjects.

English, Sanskrit, Hindi, Tamil, Telugu, Malayalam, Marathi, Konkani, Urdu, Persian, Arabic, German, French, Latin, Russian, Japanese and any other language prescribed/ approved by the university

- (a) The Candidates shall study two languages in the first four semesters of the programs. The students who have studied Kannada at the school and/or Pre-University or equivalent level, shall opt Kannada as one of the languages and study it in the first four semesters of the programmes. In addition to Kannada, the students shall opt for another language from the languages offered in the university/college and study it in the first two semesters of the programmes. They may continue to study the same language in the second year or may choose different language in the second year. A candidate may opt for any language listed above even if the candidate has not studied that language at PUC or equivalent level.
- (b) Students who have not studied Kannada at any level from school to Pre-University shall study Kannada as functional language in one of the first two semesters along with another language of their choice. They shall study any two languages of their choice in the remaining three semesters. They may change the languages every year. With the permission of the University, a candidate may opt for any other language listed above even if the candidate has not studied that language at PUC or equivalent level
- (c) Speech/hearing/visually impaired/mentally challenged and study disabled students are exempted from studying one of the languages prescribed under para 8.2 above.

i) Any four skill enhancement/development courses are to be studied in the first six semesters, one per semester as prescribed by the concerned faculty and approved by

	sinesters, one per semester us

Model Program Structures for the Under-Graduate Programs

<u>Bachelor of Arts (Basic/ Hons.)/ Bachelor of Science (Basic/ Hons.)/ Bachelor of</u> <u>Commerce (Basic/Hons.)/ Bachelor of Business Administration (Basic/Hons.)/</u> <u>Bachelor of Social Works (Basic/Hons.)/ Bachelor of Computer Applications</u> <u>(Basic/Hons.) etc.</u>

The Government of India has notified NEP-2020 on July 29, 2020 based on Dr. Kasturirangan Committee's Report. The objective is to bridge the gap between the current system of education and what is required in the 21st century. It is to have Holistic and Multidisciplinary Under-Graduate Education to produce employable graduates with integrated personality.

The Government of Karnataka had constituted a Task Force to suggest an Implementation Framework for NEP-2020. It had also constituted two sub-committees, one on Curriculum Reforms in Higher Education and the other on Governance and Regulations.

The Task Force has suggested NEP-2020 Implementation Framework for Karnataka. The State Government has accepted the action plan and taken steps to implement NEP-2020, as per the Implementation Roadmap suggested by the Task Force.

The Sub-committee on Curriculum Reforms in Higher Education had suggested a Draft Curriculum Framework for Undergraduate Programs in various disciplines. The State Govt. had also constituted Faculty-wise Committees to consider this draft framework to formulate program structures in their faculties. These Committees have submitted their reports. The latter were considered in the meetings of all the Vice Chancellors. The following Model Program Structures were designed for various Under- Graduate Programs in Arts, Science, Commerce and Management. The Subject Committees constituted to design and draft the curriculum in their subjects have followed these Model Program Structures. The Terminology used in these Program Structures are:

- Discipline Core (DSC) refers to Core Courses/Papers in a Core Discipline/ Subject
- Discipline Elective (DSE) refers to Elective Courses/Papers in the Core Subject or
- Discipline. Open Elective (OE) refers to Elective Courses/Papers in a non-core Subject across all disciplines.

Program Structures also contain Ability Enhancement Compulsory Courses (AECC), Languages, Skill Enhancement Courses (SEC) (Both skills and value based). Pedagogy involves L+T+P model. Generally, subjects with practical involve L+P, while the subjects without practical involve L+T model. The numbers in parentheses indicate credits allotted to various courses/papers as per definitions of Choice Based Credit System (CBCS). Generally, 1 hour of Lecture or 2 hours of practical per week in a semester is assigned one credit. Generally, core subject theory courses/papers will have 3 or 4 credits, while practical are assigned 2 or 3 credits.

CREATIVITY AND INNOVATION

B.Com/BBA/BHM/5 years Integrated Course in Commerce for VI Semester under Mrudukousalya.

Max Marks: 100

Max time: 42 hrs.

Objectives

- 1. To give an insight into creativity and innovation
- 2. To develop an appreciation for them among students, and
- 3. To enhance sensitivity to creativity and innovation

Module 1: Overview of Creativity

10 Hours

Meaning and concept of creativity - Creativity Process- Nature and characteristics of creativity - Factors affecting creativity - understanding creativity from studying the profiles of most creative personalities.

Module 2: innovation Management

20 Hours

Meaning and Importance – Difference with Creativity, Invention and Discovery – Process – Typology – Case Studies on Innovation business ideas like Red bus, Flip fart, Ola, Big Basket, methods and techniques – organizational Aspects – Economic Aspects like venture capital, angel investors – Evaluation of Effectiveness of Innovation – Legal Aspects like IPR, patent etc.

Pedagogy

The pedagogy needs to explore the following

- Videos on You tube
- Case studies
- Interaction with creative persons and Innovators
- Demonstration by students.

Module 3: Creativity and various Forms of Arts

12 Hours

Understanding the forms and characteristics of Various Painting Traditions (cave paintings, Ajanta murals, Indian miniatures, Traditional & Folk Arts), Sculpture (Indian sculpture & Temple architecture), contemporary Art forms – Art & Architecture (Photography, Films, Graphic Animation and Digital Art), Performing Arts (Music, Dance and Theatre), and Poetry & Literature with examples.

Personality Development

Introduction:

Personality Development is a development of the organized pattern of behaviours and attitudes that make a person distinctive. It is concerned with the views of others and how they realize you and what they see in you .It occurs by on -going interaction of temperament, character and environment.Erik Erikson provided an insight full description as to how personality develops based on his extensive experience. He has identified eight phases of the socialisation process of an individual. Five of them occur during infancy, childhood and adolescence. Personality Development is different from self-development which is generally perceived as same. They are related to each other.

But eastern philosophy in general and Indian spirituality in particular understands personality from a different context. Swami Vivekananda says, "Personality Development in the real sense refers to deeper level of a person".Hence, he opines that a study of personality should start from a clear grasp of nature of our mind, and how it functions. Mind has four fold functions likemanas, buddhi, chitta and ahamkara.He has identified four essential qualities for personality development. They are faith in oneself, think positive thoughts, attitude towards failures and mistakes, self-reliance& renunciation and service.

Unit:1 18 HRS

Solito And Solito And And State of Components Solitor and Solitor And State of Managements Solitor as Solitare as Solitor as Solitor as Solitar

Soundarya Nagara, Sidedahalli,

Freativity: Meaning of Creativity - Difference with Innovation-Barriers to creativity-Steps to timulate creativity-Understanding and importance of human values-Difference with ethics deals in life - Becoming a role model

nterpersonal Skills-Meaning of Interpersonal skills- Need to develop Interpersonal skills Components of Interpersonal skills- Techniques required to improve skills- Benefits o effective interpersonal skills

Stress Management: Meaning of stress- Factors causing stress- Positive and negative type of stress- Effects of stress on body and mind-Stress removal techniques.

Unit:-12 HRS

Time Management: What and why of Time Management - Necessity and benefits of tim management - Tools of time management-How to manage time wisely

Leadership Development: Meaning and Importance-Types of leadership styles-Theories (leadership

Pedagogy:

- Activities exercises and assignments have to be given not less than 40% weightage 1.
- 2. Appropriate Case studies could be used
- 3. You tube videos to be used effectively

Objectives

We inhabit a world today that is shaped significantly by Science and Technology(S&T). S&T has enriched our lives and proved to be beneficial in our livelihoods. At the same time, many of the products of S&T pose challenges, and in ways, even threaten the existence of societies. This course, meant for students of the humanities/commerce streams, is to provide an overview of the nature of S&T and its interaction with society. It is meant to provide a broad introduction to the most significant discoveries and inventions of modern science that have changed our lives and to bring into focus the need for developing a critical appraisal of the issues related to the connection of S&T with society.

Notes to the Instructor(s)

1. All the units under this syllabus may be taught by any qualified science Post-Graduate teacher. However, the units may be taught in collaboration with the concerned faculty.

2.Unit I (A): A brief introduction to science and the practice of the scientific method as it has come to be understood in the 20th century, with a historical outline that provides a flavor of the developments that led to modern science and the contributions of different civilizations in this direction.

Unit I (B): A discussion on how the discoveries of science transform to technologies and also how technologies have enabled to ask new scientific questions with suitable examples.

3. Unit II: This unit explores through specific examples, the discoveries in science that have profoundly impacted civilizations. It is to provide some basic information and introduce some of the consequences of the products of these discoveries on the safety of humans.

4. Unit III: This unit is to explore the impact of S&T on socio-economic sphere and the lives of individuals. It will also delve into environmental issues concerned with the deployment of technologies on a large scale.

Unit I: Introduction to Science:

A. What is Science & History of Science

Management & Scienc(4 hrs.) Souragement Sidecahail. Management Sidecahail. Coggitadaons of Gopernious and Galileo; What is Science? The revolutions in Physics -A brief history of the Renaissance in Europeron of Enlightenment; Industrial Revolution; Science in the 20th century.

•	Modern Science and the Scientific Method A discussion on hypothesis, experimentation, criteria for	(2 hrs.)
	and the open-ended nature of the scientific quest	caperanence and or rearry,
	Science in other Cultures	(2 hrs.)
	A brief exploration of science and technology in pre-mode India in areas of Mathematics, Metallurgical Sciences, M	
B. Th	ne interdependence of Science and Technology	
	 Molecular basis of disease and vaccination 	(1hr.)
	 Laser and photonics applications 	(1 hr.)
•	Microscopy and applications	(1 hr.)
C. Sc	cience and the Public	(2 hrs.)
	 Discussion on the need for an informed public in a demod 	racy about S&T, Science
	policy and research funding, S&T and development	
	New York 2011 THE REPORT OF A VEHICLE VEHICLE OF MANUACTURE AND A VEHICLE V	

Unit II: Modern Science and its impact on Societies:

(13 Hours)

- Theory of Evolution: A lecture summarizing the modern theory of evolution of species (1 hr.) and its implications
- Discovery of Antibiotics: What is an antibiotic and how does it work? A brief history of the discovery of antibiotics and its impact on health. Adversities due to misuse of (2 hrs.) antibiotics
- Soaps, Detergents, Polymers and Chemicals: Their use and abuse (2 hrs.)
- Atomic Energy : Introduction to fission and fusion reactions, atomic reactors and power plants; nuclear weapons; Chernobyl accident (2 hrs.)
- Space Sciences: History of space exploration; Sputnik and US space programme; Modern satellites, Applications in weather prediction and analysis; remote sensing (2 hrs.) with reference to Indian space programme.
- Genetics and human health: Introduction to gene, DNA and basis of heredity; some ٠ (2 hrs.) issues of health linked to genetics
- Nanotechnology, Smart materials: Introduction to nanotechnology and examples of some devices that use nanotechnology. A brief survey of smart materials (2 hrs.)

Unit III: Science, Life and Livelihoods:

India's agricultural productivity and dairy development: The Green and White Revolutions; The Gene Revolution and GM Crops (3 hrs.)

- Information Revolution: The impact of internet and web-based technologies (2 hrs.)
- Impact of high-tech devices on emotional, social and cognitive facets of humans
- (3 hrs.) Energy issues and renewable energy sources: solar, wind, bio-fuels

(13 Hours)

(2 hrs.)

LIFE SKILLS

Introduction:

Life skills represent applications of Knowledge, values, attitudes and skills which are important in the process individual development and in life-long learning. The World Health Organization has defined life skills as, "Abilities for adaptive and positive behaviour that enable individuals to deal effectively with the demands and challenges of everyday life". *They* are a group of cognitive, personal and interpersonal abilities that help people make informed decisions solve problems think critically and creatively communicate effectively, build healthy relations ships, empathize with others and cope with and manage their lives in a healthy and productive manner. They are distinctly different from physical or perceptual motor skills, such as practical or health skills, as well as from livelihood skills such as crafts, " oney management and Entrepreneur skills

UNESCO has suggested a frame work for this purpose. It aims at developing competences in areas like Knowledge and critical thinking skills (Learning to know), Practical skills (Learning to do), Personal skills (Learning to be) and Social skills (Learning to live together).

The course on life skills desires to achieve the following objectives: -

- 1. To make the students to understand the larger issues of life and living
- 2. To introduce various skills needed for leading a life to the students

Unit 1:Learning to know12 HRS

Problem solving skills: Meaning of Problem and Problem solving Causes and consequences, steps in problem solving-Five W's (5 Why) and 1H (How) frameworksandra Post, Bengaluru

Program	МВА			
Issue addressed Professional ethics				
Case study Title	Ethical Challenges in Human Resources: Addressing Discrimination and Fairness in Hiring Practices			
Outcome	After studying the case, students gain insights into ethical and legal standards in hiring, improve their critical thinking and bias awareness, and enhance their skills in addressing discrimination and promoting fairness in HR practices.			

Program	BA Journalism
Issue addressed	Professional ethics
Group discussionProfessional Ethics in Journalism: The Case of Sources and Public Accountability	
Outcome	After discussion, students gain a better understanding of balancing source confidentiality with public accountability, improve their skills in handling sensitive information responsibly, and learn to navigate the ethical challenges in journalism

Program	M.Com			
Issue addressed	Professional ethics			
Case study Title	Balancing Profit and Ethical Standards: A Case Study of Corporate Downsizing			
Outcome	After studying the case, students learn to balance financial goals with ethical considerations in corporate downsizing, improve their decision-making skills, and understand the impact of such decisions on employees and stakeholders.			

2024

Cross cutting issues deployment approaches (sample)

Forum / Club	Student Council	
Issue addressed	Gender Sensitization	
Group discussion	The Influence of Gender Sensitization on Student Participation and Engagement in Extracurricular Activities	
Outcome	After discussing "The Influence of Gender Sensitization on Student Participation and Engagement in Extracurricular Activities," students gain insights into how gender norms affect involvement, identify barriers like stereotypes, and collaborate on strategies to enhance inclusivity and equity in student activities.	

Forum / Club	Ladies club
Issue addressed	Gender Sensitization
Essay writing	How Gender Sensitization Education Can Combat Stereotypes and Bullying in Schools
Outcome	Through essays, students analyzed how gender sensitization improves school culture and student behavior, gained insights into effective implementation strategies, and deepened their understanding of gender issues. They also enhanced their writing skills by developing coherent arguments and supporting their ideas with evidence such as paper advertisements and statistical survey reports.

Forum / Club	Human Protection Cell (HPC)
Issue addressed	Gender Sensitization
Panel Discussion	Empowering Change: The Role of Gender Sensitization in Social Protection
Outcome	The panel discussion on "Empowering Change: The Role of Gender Sensitization in Social Protection" would enhance awareness of gender biases, identify key challenges, and provide actionable strategies for integrating gender sensitivity into social protection systems. It would offer policy recommendations, encourage stakeholder collaboration, and produce resources for ongoing education, empowering participants to implement and monitor gender-sensitive practices effectively. 65

Report on 'Expert Review on Interim Budget 2024'

Date - 19.02.2024

Venue – MBA Classroom I

Title - Expert Review on Interim Budget 2024

Introduction-

Department of MBA organized a guest lecture on 'Expert Review on Interim Budget 2024' on 19th February, 2024 for 1st semester MBA students. Dr. Hema Doreswamy, Professor and Dr. Rupa J S, Associate Professor, Welingkar Institute of Management were invited as resource persons.

Brief-

The Department of MBA recently hosted a Guest Lecture focusing on the implications of Interim Budget 2024. The event aimed to provide students with comprehensive insights into the economic policies outlined in the budget and foster critical analysis and presentation skills among participants. Notably, the session featured expert resource persons such as Dr. Hema Doreswamy, Professor and Dr. Rupa J S, Associate Professor, Welingkar Institute of Management. who shared their expertise, while students had the opportunity to present their own analyses in teams.

Dr. Hema Doreswamy and Dr. Rupa J S, covered topics ranging from macroeconomic outlook to sectoral analysis, fiscal management, and policy implications. Experts provided valuable insights, practical examples, and answered questions from the audience, enriching the learning experience.

MBA students were organized into teams and tasked with analyzing specific aspects of Budget 2024. Each team conducted thorough research, analysed data, and prepared presentations highlighting their findings, insights, and recommendations. Presentations covered diverse areas such as fiscal deficit management, sectoral allocations, tax reforms, and social welfare measures.

Following the student presentations, a panel of judges evaluated the teams based on criteria such as content accuracy, depth of analysis, presentation skills, and ability to address questions from the audience. The evaluation process was rigorous and aimed to recognize teams that demonstrated exceptional understanding, creativity, and coherence in their presentations.

Conclusion

The event facilitated interactive discussions between students, experts, and faculty members, enabling participants to exchange ideas, perspectives, and constructive feedback. These discussions stimulated critical thinking, encouraged intellectual curiosity, and enhanced participants' understanding of the budgetary process and its implications.

 Title : Interactive Session1 on Technological Innovations Changing Life.
 Title : Interactive Session2 on Case Studies.
 Resource Person1: Mr Ravi Ranjan, Senior Program Manager Udaan, Bangalore
 Resource Person2: Mr Sharad Gupta, Program Manager, Last Mile Operation Udaan, Bangalore
 Time : 11:00 am - 01:30 pm
 Venue: OCARINA
 Date : 25th Nov 2022

Introduction :

The food startup industry is booming with innovation, improving the global food ecosystem. Food startups are digitizing the food industry by implementing new technologies within the supply chains, business models, and customer journeys. Therefore, we can see an abundance of fast-growing food startups with fantastic business models changing the existing ecosystem of the industry. As part of the article, we will highlight some of the most outstanding food startups that are transforming the industry as we know it.

Guest Profile 1:

Mr. Ravi Ranjan has come up with a total of 10 Yrs of experience, with 7 years primarily working with distinguished startups. He offer broad competence in Supply Chain with a comprehensive knowledge, skills and experience in Program Management / Product Development / WH Process optimization / 3PL Vendor Management / Last Mile operations. He has been associated with Udaan for 5 years in different challenging roles. He is a proven team manager with strong analytical skills, execution capabilities & stakeholder management. He has completed his B.E. in Electrical & Electronics from PESIT. He has done Certification on Mobile Robotics Navigation and Member of college robotics team .He has been certified in basic statistics as well as in data analysis and presentation skills and has served as design engineer at volvo trucks for a period from July 2012-2015.He has also worked as Head of operations at OPINIO by Setting Up Pan India Operations and Driving excellence and customer satisfaction. Currently sir is working as senior program manager at Udaan, Banglore.He has been awarded as outstanding performer for the year 2019-20, 21 and best problem solver 2021 at Udaan.

Introduction :

A case study requires you to analyse a specific situation and discuss how its different elements relate to theory. The case can refer to a real-life or hypothetical event, organisation, individual or group of people and/or issue. Depending upon your assignment, you will be asked to develop solutions to problems or recommendations for future action. Generally, a case study is either formatted as an essay or a report. If it is the latter, your assignment is often divided into sections with headings and subheadings to ensure easy access to key points of interest. There are different approaches to case studies, so always check the specific instructions you have been given

Guest Profile 2 :

Mr Sharad Gupta completed his bachelor's degree in Electrical, electronics and communication Engineering from Indian Institute of technology ,Roorkee. He is highly skilled at Business analysis, business strategy, data analysis, web services , Management consulting and many more. He has worked as senior manager at Treebo hotels, Bangalore. He has worked as a consultant at deloitte , Hyderabad. He is currently working as Program Manager -Last mile operations at udaan Bangalore.

Objectives :

- > To encourage the pupils to identify and understand the problem statement.
- > To identify methods appropriate for solving problems
- Encourage the students to apply Problem solving skills and formulate questions to explore ideas.
- > To measuring the impact of a specific action.
- > To Explain a Phenomenon or illustrating a unique circumstance
- > Providing or disproving a generalized assumption

Outcomes :

- > Learned to urge the pupils to identify the Problem Statement.
- > Know how to identify and apply the methods.
- > Learn to apply the creative thinking for the innovation.
- > Learned to formulate questions and to explore their novel ideas.
- Learned with problems and challenges based on real life situations and drive them to make difficult decisions based on the evidence given.
- Know to raise questions and to present just enough data to stimulate/ engage students to find their own answers.
- 1. Feedback analysis (Enclosed)
- 2. Action taken report(ATR) for the feedback

a) The Department will established innovation and technology-based problem-solving activities for our pupils to inspire and drive them to bring new ideas to the community.

- 3. Attendance sheet for the event (enclosed)
- 4. Photos (Geotagged photos)

Title : Interactive Session on Ideation tools for Innovation Resource Person: SURAJIT SEN, Founder, CREST Technologies. Time : 12:00 am - 1:00 pm Venue : Ocarina Date : 28th Oct 2022 Introduction :

Ideation is the stage of the innovation process in which new ideas and concepts are generated using a multi-stage process consisting of phases and gates. While ideation generally describes the creative, multi-stage methodology of idea generation, we understand idea management to be more of an operational process in the corporate context for the systematic generation, enrichment, evaluation, and management of ideas in all phases of the innovation process.

Guest Profile:

An entrepreneur, Surajit Sen. at the Indian Institute of Science in Bengaluru, he received his bachelor's degree in electronics and communication engineering. He joined Indian Telephone Industries after graduating and worked on the team that developing a communications system for the Indian Anny's communication system. In 2008, he founded Crest Technologies, which at first offered corporate training. A cutting-edge linking programme that could link printed documents with multimedia and web pages was created by Crest Technologies in 2010.

Objectives :

- Y To inspire and motivate the pupils to come up with innovative ideas.
- > To encourages the growth of critical thinking and decision-making skills in pupils
- Enables pupils to approach difficulties wisely by preparing themselves.
- > To know opportunities for value generation are the subject of ideation.
- To Enables pupils unique set of inspiration triggers.

Outcomes :

- Pupils learned to think creatively and beyond the box.
- Learn Reverse thinking, testing long-held ideas, analogous thinking, and coming up with the worst case scenario for a problem are all techniques that can help you think creatively and innovatively.
- Gain the ability to spot business possibilities where others only perceive issues.
- Learn to recognize social issues and have context analysis skills.
- Learn to examine emerging technology and rapidly grasp how they might be used to address issues. 92

Event Report Organized by Institutional Innovation Cell

"My Story"

A Motivational Session by successful entrepreneur.

Objective:

To encourage the students to think in direction of startups as career opportunities To motivate students to be Self-driven To inspire students to Pursue their ideas.

Benefits of attending session

- · The benefits of this event is to make future goal.
- How to a covert problem in opportunity?

About the Event:

This session provided knowledge regarding Opportunities, Risk taking & Critical Thinking and how to - build a team, raise capital, learn from failures.

Institutional innovation cell of Soundarya Institute of management & Science organized a motivational session on 20* Oct 2022 titled "My Story" A Motivational Session by successful entrepreneur. The program was hosted by Ms. Madhuri, and the guest speaker was Mr. Pankaj Mehta, Co - founder & COO Seminar-room Educational Pvt . Ltd., the session was started by stating the company vision and some impressive, yet important facts about the journey and growth of the company so far. Mr Pankaj gave an insights into some common misbeliefs that budding entrepreneur have about initiating their projects and start up ideas. Mr Pankaj encouraged the students to follow their dreams of building their own starts ups saying that one should not be afraid in taking the first step towards their goal.

The session was quite interactive and ended with Question and answer, giving the students opportunity to clarify their doubts about entrepreneurship.

Expected Outcome:

The students will understand the journey of being an entrepreneur or establishing a start up on self. The difficulties & challenges they will encounter during the process and how to handle such types of situations. The students will be inspired to become entrepreneurs in their fields.

A REPORT ON "Gender Sensitization"

Academic year 2023 - 24

Name of the Department: SPARSH Women's wing Name of the Event: Workshop on "Gender Sensitization" PM

Event Date: 8/8/2023 Event Time: 10.00 AM to 12.00

Guest Speakers: Mrs.Sujatha and Mrs. Indira., B.PAC Organization Event Coordinators: Mrs. Thanuja V Target group: 1st Sem UG students

The SPARSH Women's Wing successfully organized a "Workshop on Gender Sensitization" targeted towards the 1st Semester UG students on the 8th of August 2023. The workshop aimed to raise awareness, educate, and foster discussions about gender-related issues among the young minds.

Objectives of the Event:

- To raise awareness about the significance of gender sensitization in creating an inclusive society.
- · To educate participants about the impact of gender biases and stereotypes.
- · To promote understanding and empathy among participants towards different genders.
- · To encourage open discussions on sensitive gender-related topics.
- · To inspire participants to actively contribute to gender equality efforts.

Brief about the Program:

The workshop began promptly at 10:00 AM and opened with a warm welcome by Mrs. Thanuja V, the event coordinator. Mrs. Sujatha and Mrs. Indira from B.PAC Organization, renowned for their expertise in the field, delivered impactful presentations. Their talks encompassed real-life examples, challenges faced, and the role of individuals in creating a gender-sensitive environment.

Interactive sessions and engaging activities were interspersed throughout the workshop to keep the students actively involved. These activities encouraged critical thinking, self-reflection, and the sharing of personal experiences

Outcomes of the Event:

- · Increased awareness and knowledge about the importance of gender sensitization.
- Identification and recognition of gender biases and stereotypes in everyday life.
- · Improved ability to engage in respectful and constructive conversations about gender issues.
- · Enhanced empathy and understanding towards the challenges faced by different genders.
- · Motivation to advocate for and contribute to a more inclusive and equal society.

Action Taken Report:

The Workshop on "Gender Sensitization," organized by SPARSH Women's Wing, was successfully held on 8th August 2023. The event aimed to promote awareness and understanding of gender-related issues in our society. Esteemed guest speakers, Mrs. Sujatha and Mrs. Indira from B.PAC Organization, shared their expertise on the subject.

The event commenced at 10:00 AM and saw active participation from attendees representing diverse backgrounds. Mrs. Thanuja V, the event coordinator, ensured a well-structured and engaging program. The guest speakers captivated the audience with their insights into the impact of gender biases and the significance of fostering an inclusive environment.

The workshop included interactive discussions, case studies, and group activities that encouraged participants to critically evaluate their own perspectives. Attendees actively shared their experiences and engaged in open dialogues about gender-related challenges.

In conclusion, the "Workshop on Gender Sensitization" successfully achieved its objectives and positively impacted the 1st Semester UG students. The SPARSH Women's Wing remains committed to organizing more insightful and engaging events that contribute to the growth of inclusive and gendersensitive individuals.

Feedback Analysis

Question 1: How would you rate the overall impact of the workshop on your understanding of gender-related issues?

The majority of participants found the workshop's impact on their understanding of gender-related issues to be very positive, with only a small number having neutral or negative views.

Question 2: Did the workshop effectively address the importance of promoting gender equality?

The vast majority of participants felt that the workshop effectively addressed the importance of promoting gender equality.

Participants found guest speakers' presentations, interactive discussions, and real-life examples to be the most beneficial aspects of the workshop.

Question 4: Do you feel more prepared to identify and challenge gender stereotypes after attending this workshop?

5. Are you ready to switch from Pads to Menstrual cups

Analysis of Feedback

The session on menstrual products was highly successful and had a positive impact on the students. The fact that 85% of the students were positively influenced by the topic shows that the session was engaging and effectively conveyed the concepts.

It's also wonderful to know that all the students who attended the session gained good knowledge about menstrual products. This indicates that the content was well-presented and the examples used were helpful in enhancing understanding.

Furthermore, it's notable that 68% of the students are now ready to use menstrual cups. This suggests that the session not only provided knowledge but also encouraged practical application and adoption of sustainable menstrual products.

Overall, it sounds like the program was successful and achieved its goal of educating students about menstrual products. The positive feedback and high level of understanding among the students indicate that the session was informative and well-received.

A REPORT ON "SUSTAINABLE MENSTRUATION"

Soundarya Nagar, Sidedahalli, Bangalore – 73.

Academic year 2022 – 23

Name of the Committee: SPARSH Women's Wing Name of the Event: Session on "Sustainable Menstruation" Event Date: 19/5/2023 Event Time: 11.00 Am to 12.00 PM Event Coordinators: Mrs. Thanuja V & Mrs. Nagasuma

Objectives of the Session

The session on sustainable menstruation aimed

- To raise awareness about sustainable alternatives to traditional menstrual products and promote environmentally friendly practices.
- To educate faculty & students about the environmental impact of disposable menstrual products, introducing sustainable menstrual products, discussing proper usage and maintenance,
- To encouraging participants to adopt sustainable menstruation practices.

Menstrual Health and Hygiene is essential to the well-being and empowerment of women and adolescent girls. Keeping this in mind on 19th May 2023, the SPARSH-Women's Wing organized a session on "Sustainable Menstruation". The resource person was Dr. Meenakshi Bharath; a Renowned Gynaecologist and specialized in menstrual health & fertility work who has a whooping experience of 35 years. Having retired from active medical practice in 2018, she brings her passion for Gynaecology and waste management together in the campaign "Green the red" advocating reusable menstrual hygiene products like cloth pads and menstrual cups. Her aim is to make all women enjoy their periods and not hate it.

The guest speaker spoke about the Menstruation process (pre and post, breaking the stereotypes of menstruation, menstrual hygiene and Menstrual Products). The talk revolved around menstrual health and hygiene with an emphasis on the removal of taboos when it came to conversing about these topics and how a women's periods can be less stressful and painful when she has a friendly and accepting environment around her. She spoke about menstrual hygiene and laid importance on the menstrual cup- the latest innovation which can replace pads as they are more affordable and accessible. She also emphasized on the taboos associated with menstrual products. The talk was followed by the question and answer session wherein the students went forward and asked their questions to which the guest speaker was requested to clear their doubts for which she gave clear-cut yet simple and comprehensive answers.

Further, the guest was felicitated by the Mrs. Thanuja, Convenor, Women's Wing. The session concluded with a vote of thanks delivered by Ms. Madhuri of 6thst sem B.Com which brought end to a fruitful event.

Outcome of the Event:

A session on sustainable menstruation successfully achieved its objectives of raising awareness about sustainable alternatives to traditional menstrual products and promoting environmentally friendly practices.

- Participants gained knowledge about various sustainable menstrual products and were encouraged to adopt eco-friendly menstruation practices.
- The materials and resources shared will continue to serve as references for participants and contribute to spreading awareness beyond the Session.

ACTIONS TAKEN

1. Pre-program Planning:

a. Identified and invited experts in sustainable menstruation to conduct a session.

b. Collaborated with all the Departments of the institution to promote the session and maximize attendance.

c. Booked ocarina with necessary facilities for the session.

2. Workshop Execution:

a. Conducted a session on the scheduled date, ensuring all logistical arrangements were in place.

b. The Session began with an introduction and welcome speech by the student Ms.Madhuri of 6th sem B.Com

c. Expert speaker delivered informative presentations on various sustainable menstrual products such as menstrual cups, reusable cloth pads, and biodegradable sanitary products.

d. Demonstrations were conducted to showcase the proper usage, cleaning, and maintenance of different sustainable menstrual products.

e. Participants actively engaged in discussions, asking questions, and sharing their experiences and concerns related to sustainable menstruation.

f. Resources were distributed to participants, providing further information on sustainable menstrual products, recommended brands, and where to access them.

g. An interactive session encouraged participants to brainstorm ideas and strategies for promoting sustainable menstruation within their communities and raising awareness among peers.

3. Post-Workshop Actions:

- a. Circulated online feedback forms to participants to gather their opinions and suggestions for improvement.
- b. Compiled and analyzed the feedback received to identify areas of success and areas for improvement.

f. Established a follow-up mechanism to provide ongoing support and guidance to participants who wished to transition to sustainable menstrual products.

FEEDBACK

1. The instructor explained the topic clearly and used relevant examples

2. Speaker positively influenced my view towards the topic

3. The knowledge I gained will be used in future

4. I understood the concepts very well

5. Are you ready to switch from Pads to Menstrual cups

Analysis of Feedback

The session on menstrual products was highly successful and had a positive impact on the students. The fact that 85% of the students were positively influenced by the topic shows that the session was engaging and effectively conveyed the concepts.

It's also wonderful to know that all the students who attended the session gained good knowledge about menstrual products. This indicates that the content was well-presented and the examples used were helpful in enhancing understanding.

Furthermore, it's notable that 68% of the students are now ready to use menstrual cups. This suggests that the session not only provided knowledge but also encouraged practical application and adoption of sustainable menstrual products.

Overall, it sounds like the program was successful and achieved its goal of educating students about menstrual products. The positive feedback and high level of understanding among the students indicate that the session was informative and well-received.

A REPORT ON INTERNATIONAL WOMEN'S DAY

ACADEMIC YEAR 2022 - 23

DATE: 8/3/2023

Name Of The Committee: Sparsh Womens Wing Name of the event : International Women's Day Event Date: 8/3/2023 Event Coordinators: Ms. Thanuja, Ms. Ramya Seshadri & Ms.Nagasuma

Conception

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. It's root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

OBJECTIVES:

The primary aim of observing INTERNATIONAL WOMEN'S DAY is to create an awareness and opportunity for attaining gender parity and enhancing women's empowerment. Additionally, it also involves a critical evaluation of past achievements and a concerted effort to accelerate progress towards global gender equality.

BRIEF EVENT REPORT:

'SPARSH' Women's Wing celebrated International Women's Day on 8 th March 2023. To highlight the efficacy and the ability of women; conducted a panel discussion on 'Digital Literacy – A tool for women empowerment'. Dr. L Vijayashree, Academician, BNMIT, Mrs. Shymala Guruprasad, an Author&Artist,Mrs. Naina, an Entrepreneur and Founder of Saimaa, Mrs. Reena Suvaran, Assistant Commissioner of Police, CCB, Bangalore, Mrs. Neelima Vobugari, COO, AiEnsured and Mrs. Chandrakala, founder of Sanjeevini Sparsh Yoga were the part of panel discussion.

During the discussion they threw a light on Women are growing from strength to strength and contributing to the Indian economy and also a part of bringing societal change. The transformation change and inventions in science and technology is a short in the arm in empowering women. Through this Women are able to address the short comings in the societal practice and creating an awareness among deprived people.

The digital world is providing enough space and opportunity to address contemporary issues in a structured manner. It is also a guiding force to reach an unreached area. As a result women have become a front runner in every domain. The panelists appealed to the women community explored all the possibilities and opportunities in building career and also cultivate a culture to give back to the society in order to bring societal change.

HIGHLIGHTS OF THE REPORT:

The event that took place was centered on the primary objective of **DIGITAL LITERACY- A TOOL** FOR WOMEN EMPOWERMENT. The event attracted a diverse audience of women from various walks of life, who were keen to learn about the latest emerging technologies that can empower them in the present era. The panel discussion was a highlight of the event, featuring distinguished women from different fields, who shared their extensive knowledge and experience.

Action taken Report (ATR): Enclosed with feedback analysis

The committee members reported that the panel discussion was hosted by Dr. Shalini Savio and featured renowned women speakers. The discussion was a great success, as it addressed several interesting challenges and proposed a variety of solutions.

Following the successful panel discussion, the members of the SPARSH Committee decided to take further action to address the challenges discussed. The Women's Club Secretary will lead these proceedings.

A Google Form was shared with all female staff and students of the SIMS to facilitate the collection of responses and further proceedings to meet the challenges discussed during the panel discussion. The completed Google Form has been attached and enclosed for reference.

International and National associations: Singapore and Taiwan University Associations, RIPO Belarus, Entrepreneurship Development Institute of India, Department of Science and Technology, Federation of Karnataka Chambers of Commerce and Industry, National Human Resource Development, Ministry of Small & Medium Scale industries, ASSOCHAM, etc.

Awards and Recognitions: Golden Aim Award for the Best Innovative Education Leadership, Women Achievers Award from Wiled, Recipient of Lions club- Award of Appreciation for Excellency in youth service. Best Teacher Award in association levels, Citations of the best teacher from Rotary, Award for Academic Excellence & Leadership Award from SHESBR B-School, and Best Debutant award instituted by National Entrepreneurship Network.

A vivid writer in Daily Newspapers focusing mainly on the overall development of students particularly in B-Schools through sharing my knowledge on various advanced learning methods like Role plays, Games, street plays, simulations, exercises, Mind maps, etc.

3. Ms. Shyamala Guruprasad

She was born in Chennai and grew up in Bangalore. She took up painting fifteen years ago, a passion that had brewed inside her all-growing years. Ever since she has done several group and solo shows all over India. The prominent places to be mentioned are Delhi, Coimbatore, Mumbai, Bangalore and Hubli - Dharwad. The theme of her paintings has been to explore and convey the beauty and importance of preserving nature. Birds, trees and landscape have been the primary subject of her art.

She is now a published writer. Her first book is a Memoir on her father that was published in Bangalore in February 2023, by eminent literary personalities. Some of her short stories have been published in newspapers and widely read magazines. She also wrote for Kannada newspapers about her opinion on current affairs.

She believes Cinema is one of the most important forms of art. She watched a lot of world cinema and review the ones she likes for an online Kannada film channel.

she had the opportunity to act in a few short films in the leading role, which has been a unique and memorable experience.

Understanding art is a lifetime commitment and she has just begun mine.

Her father G.K. Govinda Rao was an English professor by profession. He was also an actor, writer, social activist and a thinker. Her mother Manjula Rao worked as sub-editor to the Kannada dictionary section, Kannada Sahitya Parishad, and also acted in hundreds of plays over 40 years, with world renowned directors, apart from acting in Kannada serials and films.

She married to a Vireo -Retinal Surgeon, Dr A S Guruprasad. I have two daughters, Apoorva is a retina surgeon and Ananya, a filmmaker. I live in Hubli.

4. SMT. Chandrakala Guruji

She is a founder of SANJEEVINI SPARSH YOGA and Sanjeevini datta kshetra.

She is certified yoga teacher from "Swamy vivekananda yoga anusandaana kendra" Jigani, Bangalore. She has 20 years of experience in YOGA

Can teach yoga in scientific way and spiritual way,

She is a therapist, she conduct personality developing sessions and counciling clasess

 Ms. Neelima Vobugari (AI & ML Leader; Speaker; Innovation Strategy; AI Trustworthiness; Help people pickup AI)

Neelima Vobugari is a seasoned entrepreneur with extensive IT experience of over 20 years. She is a certified Data Scientist with a degree in data science from John Hopkins University, Maryland, USA. She has a MBA from Symbiosis and a B Tech from JNTU. Her entrepreneurial stint is focused on consulting and training in area of data science and Artificial Intelligence and related technologies. She is currently CEO of Tarah Technologies, a marquee AI and Machine Learning competency and consulting firm. Her IT experience span giant IT companies including IBM. She is now embarking on an innovative product in AI space via testAIng.com

She has recently been conferred the prestigious "Women in Al" award given to select women leaders in data science and Al. She is a strong innovator, has filed three patents in area of Al, and provided innovative solutions to over 20 Al consulting projects at marquee clients. She has the distinction of having trained over 2000 students and professionals via various enterprise and B2C trainings in various areas of data science, Al and machine learning. Her trainings have been well received by students as well as corporate employees. She is an invited speaker at marquee conferences like GHCI. Data Science Congress, International Women Entrepreneur conference etc. She was invited by the Chief Minister of Karnataka for the pre-budget session of Karnataka for as an expert representing women entrepreneurs of Karnataka.

6. Smt.Reena Raghu Suvarna : ACP, CCB Karnataka State Police Service

Bio: 2014 Batch DYSP Gold Medalist in Bangalore University and Best outgoing student Mount Carmel College for BA Bangalore Rural Probationary 3 Appreciation Letter from IG Southern Range for Tracing 11 missing cases in 2 months while in charge Of Hoskote Police Station. Ganja Raid of 280 kgs in Attibule , Anekal. Tracing of Unidentified Dead body in half a day at Jigani was also appreciated by then Udupi SP Laxman Nimbargi. Apart from this traced a Pocso case within 6 hrs at Hoskote , installed cctv at important junctions at Hoskote with the support Nagarsabhe. Strong conviction against Drug mafia , Child sexual CCB. ACP human trafficking. Right now madam is serving 35 at abuse and

Women Empowerment Cell

11-12-2023

Dear Students,

SPARSH Women Cell is organising a special awareness event on "Menstrual Hygiene" for the benefit of our first-semester undergraduate students.

Circular

Details of the event are as follows:

Event Name: Menstrual Hygiene Awareness Date: 13th December 2023 Time: 11.00 AM to 12.00 PM

This initiative aims to spread awareness about menstrual hygiene and address any concerns or queries that students may have.

We encourage all I Semester UG students to actively participate in this event and make the most of this opportunity to gain knowledge and insights into maintaining good menstrual hygiene practices.

Report on the awareness of "Menstrual Hygiene"

Name of the Committee: SPARSH Women Cell Beneficiaries: I Semester UG Students Event Time: 11.00 AM to 12.00 PM

Event Date: 13/12/2023

Objectives of the session:

- 1. To raise awareness among I Semester UG students about the importance of menstrual hygiene.
- 2. Educate participants on the safety of commonly used sanitary napkins and address concerns.
- 3. Discuss the health implications of using sanitary pads and their potential connection to oxidative stress.
- 4. Inform students about the environmental impact of commonly available sanitary napkins.
- 5. Provide guidelines for choosing the right sanitary napkins for optimal health and environmental sustainability.

SPARSH - Women Empowerment Cell, organized a significant session on menstrual hygiene featuring Ms. Vaishakha from Fohoway India as the distinguished speaker. The informative session addressed crucial questions regarding the safety of sanitary napkins commonly used by women on a monthly basis.

Ms. Vaishakha elucidated the common concerns faced by women in using sanitary napkins, delving into the reasons behind these challenges. Additionally, she explored the intriguing question of whether menstruation causes oxidative stress, shedding light on its potential implications for women's health.

The session also examined the broader health concerns related to the usage of sanitary pads, offering insights into the possible effects on overall well-being. Furthermore, the environmental impact of commonly available sanitary napkins was discussed, emphasizing the need for sustainable choices.

Ms. Vaishakha enlightened the audience about the composition of sanitary napkins, raising awareness about the materials used in their production. The session outlined the ideal qualities for sanitary napkins, emphasizing softness, functional health care, leak-proof design, antibacterial properties, absence of fluorescent whitening agents, chemical-free composition, environmental friendliness, and antioxidant properties.

The program concluded with an engaging question and answer session, allowing participants to actively interact with Ms. Vaishakha. Overall, the session played a crucial role in educating and empowering attendees about menstrual hygiene and fostering a sense of responsibility towards both personal health and the environment.

Outcomes:

- 1. Increased awareness among participants regarding the significance of menstrual hygiene.
- Students were empowered with information to make informed decisions about sanitary napkin usage.
- Raised awareness about the environmental impact of sanitary napkins, encouraging ecofriendly choices.
- Enhanced understanding of the potential health concerns associated with menstruation and sanitary pad usage.
- 5. Active participation during the Q&A session demonstrated the engagement of the attendees.

Action Taken Report:

- Distributed informative pamphlets and brochures to all participants, covering key aspects of menstrual hygiene, sanitary napkin safety, and eco-friendly alternatives.
- Scheduled a follow-up workshop to address additional questions and reinforce important learnings from the session, providing a platform for deeper engagement.
- Initiated efforts to encourage sustainable practices within the college community, emphasizing the use of environmentally friendly sanitary products and raising awareness about their impact.
- Distributed feedback forms to gather participant responses, facilitating an assessment of session effectiveness and identifying areas for improvement in future events.
- Creating online resources (videos, articles) for extended access to session content and exploring opportunities to incorporate menstrual hygiene education into the college curriculum for sustained focus

Feedback Report - Menstrual Hygiene Session

Total Beneficiaries: 100 Students

- 5. Session Insights into Menstrual Hygiene and Women's Health:
- a) Strongly agree 100%
- b) Agree 0
- c) Neutral- 0
- d) Disagree- 0
- c) Strongly disagree- 0

Summary:

- The majority of students rated the speaker as excellent in terms of clarity, delivery, effectiveness, and engagement.
- A significant portion (90%) felt that the follow-up workshop adequately addressed their questions and reinforced key learnings.
- 100% of participants expressed very high motivation to adopt sustainable menstrual practices.
- The overall organization and presentation of the session received a high rating, with 90% marking it as excellent.
- · Every participant strongly agreed that the session provided valuable insights into menstrual hygiene and women's health.

The feedback indicates a highly successful and impactful session, with participants showing strong engagement, motivation, and satisfaction.

Event Date: 22/12/2023

Objectives:

- 1. To empower 1st BCom students with basic self-defense skills and knowledge.
- 2. To raise awareness about the importance of personal safety and self-defense techniques.
- 3. To enhance physical and mental skills required for self-defense

Brief Report:

The self-defense workshop conducted on 22nd December 2023 from 1 pm to 3 pm was a resounding success. The event witnessed active participation from 1st BCom students eager to learn and enhance their self-defense capabilities.

Ms. Siri Sanjana, a seasoned martial artist with an impressive record, led the workshop. Her expertise in karate, backed by 5 Silver Medals and 2 Bronze Medals at the state level, along with a Silver Medal in University Karate, provided the participants with valuable insights and practical skills.

The workshop began with a brief introduction on the importance of self-defense, emphasizing its role in personal safety. Siri Sanjana then proceeded to demonstrate fundamental self-defense techniques, covering scenarios such as grabs, holds, and basic strikes. Participants actively engaged in hands-on practice, ensuring that they could apply the learned techniques in real-life situations.

Interactive sessions allowed students to ask questions and seek clarification, fostering a positive learning environment. The atmosphere was both informative and empowering, with participants expressing satisfaction with the depth of the workshop content.

In conclusion, the self-defense workshop achieved its objectives of empowerment, awareness, and skill development. The event not only equipped 1st BCom students with essential self-defense skills but also instilled a sense of confidence and awareness about personal safety. The success of this workshop suggests the potential for future events aimed at enhancing the well-being and security of students.

Outcomes:

- Students gained practical knowledge and skills in basic self-defense techniques.
- Increased confidence among students in handling potential threatening situations.
- 3. Improved awareness about personal safety and the importance of self-defense

Action Taken Report:

 Feedback forms were distributed, and the responses were overwhelmingly positive. Participants expressed appreciation for the practical nature of the workshop and Siri Sanjana's effective teaching style.

Scanned with OKEN Scanner

2. Certificates of participation were distributed to all attendees, recognizing their commitment to personal safety and successful completion of the self-defense workshop

FEEDBACK ANALYSIS

- 1. Understanding of Self-Defense Techniques:
 - a. Excellent: 90% (45 respondents)
 - b. Good: 10% (5 respondents)
 - c. Fair: 0%
 - d. Poor: 0%

Analysis: The overwhelming majority of participants (90%) rated their understanding of the self-defense techniques as excellent, indicating a highly successful communication of workshop content.

- 2. Significant Benefits Gained:
 - a. Increased Physical Fitness: 40% (20 respondents)
 - b. Enhanced Awareness of Personal Safety: 20% (10 respondents)
 - c. Improved Confidence in Self-Defense: 30% (15 respondents)
 - d. Networking with Other Participants: 10% (5 respondents)

Analysis: The most commonly perceived benefit was increased physical fitness, followed closely by improved confidence in self-defense. The diverse range of benefits suggests a well-rounded impact on participants.

- 3. Meeting Expectations for Practical Skills:
 - Yes, Exceeded Expectations: 92% (46 respondents)
 - b. Yes, Met Expectations: 8% (4 respondents)
 - c. No, Fell Short of Expectations: 0%
 - d. No, Did Not Meet Expectations at All: 0%

Analysis: The workshop overwhelmingly met or exceeded participants' expectations regarding the provision of practical and applicable self-defense skills, indicating a high level of satisfaction.

4. Likelihood of Incorporating Learned Techniques:

- a. Very Likely: 98% (49 respondents)
- b. Likely: 2% (1 respondent)
- c. Neutral: 0%
- d. Unlikely: 0%

Analysis: Almost all participants expressed a high likelihood of incorporating the self-defense techniques learned into their daily lives, demonstrating the perceived practicality and value of the skills taught.

5. Additional Topics for a Comprehensive Learning Experience:

- a. Advanced Self-Defense Techniques: 96% (48 respondents)
- b. Mental Health and Self-Defense: 4% (2 respondents)
- c. Legal Aspects of Self-Defense: 0%
- d. No Additional Topics Needed: 0%

Analysis: The majority of participants expressed interest in advanced self-defense techniques, indicating a desire for further depth in skill development. A small percentage suggested incorporating mental health aspects, showcasing a potential avenue for future workshop enhancements.

About		nrorwir n n rnot		
Event Title	;	"Reclaiming Wellness"		
Resource Perso	on(s)	Dr. Jyothi Menon, Dr. Manasa Bhat, Dr. Thrisha, Pushpalatha M S		
Date		25th September 2024		
No.of Facult Attended:	У	50		
Faculty Coordina	ator(s)	Mrs. Thanuja V		
		Objective(s) & Outcome(s)		
Objective(s)	 To raise awareness about holistic wellness and empower participants to overce lifestyle-related challenges. To assess participants' baseline wellness scores using the Wellness Questionn and provide actionable recommendations. To encourage faculty and staff to adopt sustainable wellness practices through Functional, Emotional, Nutritional, and Spiritual (FENS) dimensions. 			
Brief Report:	organiz educati profess The ev the pro Depart • • • • • • • • • • • • • • • • • • •	 parsh Women Empowerment Cell, in collaboration with Prameya Health, zed an interactive session on <i>"Reclaiming Wellness"</i>. The session aimed to e and inspire faculty and staff to prioritize their health and well-being amidst sional and personal commitments. vent began with a warm welcome by <i>Ms. Thanuja</i>, the organizer, followed by esentation of saplings to the esteemed speakers by the Heads of various ments. The speakers included: Dr. Jyothi Menon (Obstetrician and Gynecologist) Dr. Manasa Bhat (Ayurvedic Physician) Dr. Thrisha (Naturopathic and Yoga Physician) Ms. Pushpalatha M S (CEO and Director, Prameya Health) peaker delivered insightful presentations on holistic wellness, covering topics s reproductive health, Ayurvedic lifestyle practices, naturopathy, yoga, and management. They emphasized the importance of addressing health from le perspectives using the <i>Functional, Emotional, Nutritional, and Spiritual S</i> model. 		
		f the key advantages of the program was that all participants who completed ellness Questionnaire received their Baseline Wellness Scores, which were		

	further analyzed by doctors from Prameya Health. Personalized FENS reports with
	tailored recommendations were shared during the session, offering participants
	actionable steps for improved well-being.
	The session concluded with motivating remarks by Dr. Vasu B A, who highlighted
	the importance of integrating wellness practices into daily life. Mrs. Rafic Taj
	delivered the vote of thanks, expressing gratitude to the speakers, participants, and
	organizers for the success of the event.
	1. Faculty and staff gained a deeper understanding of holistic wellness through the
	FENS framework.
\mathbf{O}	2. Participants received personalized Baseline Wellness Scores and tailored
Outcome(s)	recommendations to enhance their well-being.
	3 The session fostered a proactive approach to health encouraging sustainable

Report on Bagavath Geetha in Management

Date - 12-3-24

Venue – MBA Class room

Title - Bagavath Geetha in Management

Brief-

The Bhagavad Gita, a 700-verse Hindu scripture, is not only a spiritual and philosophical guide but also offers timeless insights into management and leadership. It presents a conversation between Prince Arjuna and Lord Krishna, addressing dilemmas and the path to righteousness, which can be applied to modern management practices.

Self-Management and Decision-Making:

The Gita emphasizes the importance of self-awareness and understanding one's strengths and weaknesses. It encourages individuals to perform their duties without attachment to the outcomes, focusing on the process rather than the result. This concept can be translated into effective decision-making in management, where leaders are urged to make informed, unbiased decisions, guided by a sense of duty and ethical considerations.

Leadership and Responsibility:

Krishna's guidance to Arjuna highlights the qualities of an ideal leader—one who leads by example, takes responsibility for their actions, and remains steadfast in their principles. Leaders are encouraged to inspire and motivate their teams by demonstrating integrity and commitment, ensuring that their actions align with the organization's goals and values.

Managing Stress and Maintaining Focus:

In the face of challenges, the Gita advises maintaining equanimity, staying calm, and managing stress through a balanced approach. This is particularly relevant in management, where leaders often face high-pressure situations. The Gita's teachings suggest that maintaining a clear mind and focusing on one's duties can lead to better decision-making and overall effectiveness.

Ethics and Corporate Governance:

The Gita underscores the importance of ethics and righteousness in all actions. In a corporate context, this translates to ethical business practices and strong corporate governance. Leaders are encouraged to uphold integrity, transparency, and accountability in their dealings, ensuring that their actions benefit not only the organization but society at large.

Conclusion:

The Bhagavad Gita offers profound insights into various aspects of management, from selfdiscipline and leadership to stress management and ethical practices. Its teachings encourage

Action Taken Report (ATR)

A student research paper presentation was held for Constitutional Day on 27th November 2023. The topic for the presentation "Constitutional Challenges and Issues" intended to create an in-depth knowledge about various constitutional premises and the challenges that are present in the same among undergraduate students. Students gained exposure to various issues and various perspectives for the same. Students had a positive view of the event which in their words was "informative, interactive and helped in better understanding of constitution". Events of a similar nature will be conducted in the future to help the students get better exposure to the field of research and presentation.

Internal Quality Assurance Cell (IQAC)

Report on awareness of voting

Name of the Department: BCA Even Co-Ordinator: Mr.Suresh Reddy Faculty Co-Ordinator: Prof. Manoj Kumar N Faculty 26st April2024 Date: 26st April2024 Venue: Padarayanapura Bengaluru Participants: NCC Students

introduction: The "Awareness on Voting" event was organized to educate students on the importance of voting and encourage their active participation in the democratic process. The event aimed to instill a sense of civic responsibility and empower students with the knowledge needed to make informed decisions during elections.

objectives :

- . To educate students on the significance of voting in a democracy.
- To inform students about the voting process and how elections work.
- . To encourage first-time voters to participate in upcoming elections.
- · To raise awareness about the impact of every vote on governance and policy-making.

Brief Event Report :

The event took place on [insert date] at [insert location], with students from various classes attending. The programmer included a series of interactive sessions, guest lectures, and practical demonstrations on the voting process. A mock voting booth was set up to give students hands-on experience.

Key Highlights :

interactive session on the importance of voting:

- A guest lecture by a local election officer on how elections are conducted and the roles
 of different authorities.
- Mock voting session with students participating to understand the voting process.

Programme Highlights :

 Opening Ceremony: The event began with a welcome address by the school principal, emphasizing the importance of student participation in democracy. Lecture on Voting Importance: A comprehensive talk on why every vote counts,

- Lecture the historical voting trends and their outcomes. highlighting Booth: A simulation of the voting process, where students could practice Mock voting controlled environment. Moth voting in a controlled environment.
- voting in a students engaged in a question-and-answer session with the guest Q&A Session: Students doubts. speakers to clarify their doubts.
- .

Increased awareness among students about the significance of voting.

outcomes : Increased understanding of the electoral process and the responsibilities of voters. Enhanced Enhanced from many students to participate actively in future elections. A commitment

gudent Progress Pie Chart :

Action Taken Report (ATR) :

Action the event, the following actions were undertaken:

Pollowing of voter registration forms to eligible students. . Distribute Organization of follow-up sessions to address further questions and provide additional

information. Mormanne of a "Get Out the Vote" campaign within the school to encourage voter registration.

Name of the Departme	nt: ROTARACT CLUB OF SIMS
Date	: 02/01/2022
Name of the Event	: "Action speaks louder than words" Orphanage visit
Event Coordinator/s	: Ms. Sandhya.R

Objectives:

- To support children in need of care and protection
- To help destitute poor and orphan children
- To help destitute poor and or plant of the students to grow their skill set by making their
 Initiating these activities will help the students to grow their skill set by making their step outside of their normal routine and try something different

Rotaract club of Soundarya Institute of Management and Science organized an Orphana visit named as "Action speaks louder than words" to Shree Shiradi Sai Anathala Charitable Trust, HMT layout, Bengaluru 560073

Shree Shiradi Sai Anathalaya Charitable Trust is home for orphanage children. 6 stude volunteers from Rotaract club accompanied by Faculty Coordinator Ms. Sandhya.R visit the place. At present 20 to 30 orphan children between 3 to 15 years of age are living Shree Shiradi Sai Anathalaya.

We reached the Orphanage at around 10:30 AM. The children of Shree Shiradi s Anathalaya Charitable Trust were very pleasantly excited to receive the member, T children greeted us with great enthusiasm. We also met the caretaker. While interaction with the caretaker, we got to know the history of the orphanage how it was established a it runs under the trust of Shree Shiradi Sai Charitable trust.

After that student volunteers distributed the snacks to the children. The students interact with the children. They also engaged them with various games and fun activities. All t children looked so excited and joyful.

Year celebration faculty member and student volumeers handed of New of New of love which was collected by the student volumeers and kit as a token of love which was collected by the student volumeers and kit as a of Management and Science for this noble cause. The team spent interval institute of Management and served with the lunch before saying goodbye to with the children and served with the lunch before saying goodbye to

satisfying experience for students, as they could bring smiles on children students and understand his/her social responsibilities towards

whiting the orphanage students started appreciating the little things in their life why saw the people who don't have them and became the part of their community by serving needy children as became the part of their community by serving needy children dring self-esteem and enhancement of leadership qualities among students of an club

INSTITUTION'S INNOVATION COUNCIL (IIC)

VISIT TO 'SWACHAGRUHA KALILA KENDRA'

Number of Beneficiaries: 30 SIMS students

Date: 26th November 2022

OBJECTIVE: The main objective of the visit was to educate students and provide them with holistic understanding of Solid Waste Management (starting from its generation to processing with options for reuse, recycle and disposal), Menstrual Hygiene and importance of proper sanitation.

SIMS in association with IIC organized a visit to 'Swachagruha Kalika Kendra'(SGKK) on 26th November 2022. Students had the opportunity to explore and understand the working experiences of SGKK.

The session was divided into two parts. In the first session Dr. Shanthi Tummala, Renowned Composting expert - a recipient of the Kempegowda Award, KWAA, TEDx speaker and active member of SWMRT introduced on waste management and waste composting. In her interaction, Madam gave more insights into the various process involved in solid waste management.

The second session was Menstrual Sustainability which was handled by Dr. Meenakshi Bharath who is a Gynaecologist, Eco warrior and member of SWMRT. She spoke about Menstrual Hygiene. she explained the benefits of Menstrual cups and also explained the harmful effects of using sanitary pads on both, women as well as the environment.

The young girls actively took part in the interactive session and 8 girl students came forward to understand the use of menstrual cups. It was eye opening and very informative session.

We were glad to meet wonderful people from green community Dr. Meenakshi Bharath, Dr. Shanthi Tummala, Mr. Vasuki Iyengar, Odette Katrak and Mr. Siddu for educating our students on Waste wedding and menstrual sustainability.

Learning outcome:

- · Learn basic concepts of solid waste management, beginning from source generation to waste disposal in a system of municipality organizational structure.
- Acquire knowledge on waste to energy productions in the perspectives of sustainable development.
- · Apply basic concepts in hazardous waste management and integrated waste management for urban areas.
- · Acquire a fair amount of knowledge on waste characterization and its management practiced in SGKK.

efabout the event:

pepartment of Business Administration organised an awareness program on less use of plastic, in the name gag initiative-crafting a greener future' on 15th September 2023, faculty coordinator Prof. Vibin Krishnan R 20 enthusiastic 1st Year BBA students participated in the "Use Less Plastic" program. The event focused on and plastic waste by promoting the use of eco-friendly alternatives. The students collected waste materials and newspapers from the college library, creatively transforming them into 250 paper bags. These bags were adistributed to small shopkeepers in the surrounding area as a sustainable alternative to plastic bags.

shands-on activity not only provided students with practical experience in recycling but also helped to spread reness within the community about the harmful effects of plastic pollution. The involvement of the skeepers highlighted the program's broader impact on encouraging sustainable practices in daily life.

Report on awareness on World Environment Day

Name of the Department: BCA

Faculty Co-Ordinator: Prof. Manoj Kumar N & Mr. Suresh Reddy

Date: 31st Aug 2024

Venue: Soundarya Layout

Participants: NCC Students

Introduction :

On 5th June 2024, Government School, Bagalgunte, celebrated World Environment Day with a series of events aimed at raising awareness about environmental conservation. The theme for this year was "Restore Our Earth," reflecting the urgent need for collective action towards healing and sustaining our planet.

Objectives :

- Educate students on the importance of environmental conservation.

- Encourage active participation in eco-friendly activities.

- Promote sustainable practices within the school and the local community.

Inspire students to take individual and collective action towards protecting the environment.

Brief Event Report :

The celebration began with a special morning assembly, followed by a series of activities including a tree plantation drive, awareness rally, competitions, and a guest lecture. The event was graced by the presence of Mr. Rajesh Kumar, an environmentalist, who shared valuable insights on the environmental challenges we face today. Students from classes 6 to 12 participated enthusiastically in all activities.

, free Plantation Drive: Over 50 saplings were planted within the school premises by students, teachers, and the chief guest.

Awareness Raily: Students carried eco-friendly banners and posters around the local community, spreading awareness on reducing waste and conserving resources.

, competitions: Poster making and essay writing competitions saw active participation from students, showcasing their creativity and understanding of environmental issues.

Guest Lecture: Mr. Rajesh Kumar's lecture on environmental conservation provided students with actionable steps they can take to protect the environment.

programme Highlights :

Morning Assembly:

- Environment-related speeches and poems by students.

- pledge to protect the environment.

Tree Plantation Drive:

- Inaugurated by Mr. Rajesh Kumar.

- Participation from all classes.

Awareness Rally:

Covered the local area surrounding the school.

Students promoted messages on sustainability.

Competitions:

- Poster Making on "Green Earth, Clean Earth."

- Essay Writing on "My Role in Protecting the Environment."

Guest Lecture :

- Emphasis on the role of youth in environmental conservation.

- Interactive session with Q&A.

Cultural Program:

- Skits, dances, and songs with environmental themes.

Outcome :

. Increased Awareness: Students gained a better understanding of environmental issues and the importance of sustainable practices.

. community Impact: The awareness rally reached out to the local community, encouraging them to adopt eco-friendly habits.

. Student Engagement: High levels of student participation in all activities, indicating a strong interest in environmental conservation.

photos :

Action Taken Report (ATR) :

- Plantation Drive: Regular monitoring and care plan established for the saplings.

- Sustainability Practices: Initiated waste segregation and composting within the school.

 Environmental Club: Established a student-led club to continue promoting environmental awareness and activities throughout the year.

Presents "Hasire Usiru"

SGI is one of the leading institutions in the town that tends to manifest qualitative education via academic, sports, art and culture whereat NSS and NCC units of SGI who have been endeavoring their best in social activities and community outreach. One more feather in the cap as SGI determined to strengthen the significance of green by offering 5000 saplings to the students and personnel of Soundarya Group of Institutions, and residents to observe the World Environment Day on 5th June 2022 under the banner "Hasire Usiru".

Trees are foliage which complements the evolution of creation. It provides a healthy diet for sustainable biomass and purifies the air for breathing. Trees offer shade, flower-berries, rain, prevents landslide, equipment and wood to construct houses. At all stages from birth to death, trees are associated with human life in origin, evolution, and extinction of life on Earth. The most intelligent animal, man, exploits and destroys the natural resources that are responsible for survival because of his greed and selfishness. It is becoming contagious to the existence of life. In this case, it is our responsibility to preserve the earth's environment for the next generation to be healthy on the planet. In this regard, Soundarya Group of Institutions is presenting 5000 plants to observe World Environment Day on 5th June 2022. The given plants are sheltered in the right places such as temple, government school, library, hospital premises, BBMP parks, lake shore, roadside and villages. The planting program is remarkable as it is a matter of pride for our institutions to celebrate World Environment Day in a meaningful and effective manner. The students are encouraged to send a selfie along with the plant they have nurtured every month to the following email: sims.nss@soundaryainstitutions.in the students, who have nurtured the plant the best, shall be rewarded by the organization and published in the college's magazine.

Plant a plant and save the environment

REPORT ON PLANTATION DRIVE CREATING AWARENESS ON NATURE

Date: 15-08-2024

Objectives:

To enable the students to develop the consciousness about the society they are into wherein they are an integrated part of it and thus contribute of their best to it in order to empower the society. Also, to create awareness about pollution in our society. By conducting plastic drive in our locality, it benefits both for personality development of students and development of the society.

Conduct of the event:

Event was planned as per the instructions received from NCC Directorate Karnataka & Goa, Unit 2/1 Coy Soundarya Institute of Management and Science 1 Karnataka Signal Regiment.

The event was conducted at SOUNDARYA LAYOUT, Bangalore and 30 NCC Cadets participated in the event. Event commenced with the inaugural speech on the importance of nature followed by plantation drive by NCC cadets. NCC cadets of SIMS ,30 participated and contributed wholeheartedly towards the plantation drive and made it a successful event.

Photographs:

293

Conclusion:

The event was great learning experience for NCC cadets of SIMS & other volunteers. Protecting our nature is a key to remind the youth about duty and responsibility towards the nation. This drive is definitely with great goals and objectives, the issues associated with pollution, sustainability & awareness needs to be tackled in the right manner, every citizen of India should involve themselves and inculcate the behavioural changes to the literates and illiterates towards afforestation respectively. This is the responsibility of youth to convey this

REPORT ON

Waste Management in collaboration with ITC WOW

Date of the orientation: 8.12.2023 Number of students attended – 47 Venue -MBA lecture hall

Our B Sc (Pure Science) department conducted a significant program aimed at raising awareness and educating students about the importance of effective waste management. Titled "Waste management" this initiative was a part of our college's ongoing commitment to environmental stewardship. The program, organized by our department featured a series of educational activities designed to enlighten students about waste management practices and their impact on the environment.

Objectives:

- 1. Educate students about the environmental impacts of improper waste disposal.
- Encourage the adoption of sustainable waste management practices such as reducing, reusing, and recycling.
- 3. Foster a culture of environmental responsibility within the college community.
- 4. Demonstrate practical ways to reduce waste on campus.

Outcome:

"Green Footprints" successfully created a buzz around waste management and sustainability on campus. The program:

- Enhanced student knowledge and understanding of waste management.
- Led to the implementation of better waste segregation systems in the college.
- Inspired many students to adopt greener practices in their daily lives.
- Fostered a sense of community and collective responsibility towards the environment.

The "Green Footprints" initiative marked a significant step in our college's journey towards environmental sustainability. By actively engaging students and staff in various educational and hands-on activities, the program not only raised awareness but also equipped the college community with the knowledge and skills to make more environmentally friendly choices. Overall this programme was good and fruitful for students.

Report on awareness on Swatch Bharat

Name of the Department: BCA

Faculty Co-Ordinator: Prof. Manoj Kumar N & Mr. Suresh Reddy

Date: 5th June 2024

Venue: Thotada Guddadhalli

Participants: NCC Students

Introduction :

The "Swatch Bharat Abhiyan" (Clean India Mission) is a nationwide campaign initiated by the Government of India to promote cleanliness, hygiene, and sanitation across the country. To further this mission, a special awareness program was conducted at [School Name] on [Date]. The aim of the event was to educate and inspire students to actively participate in maintaining cleanliness in their surroundings and to instill a sense of responsibility towards a cleaner India.

Objectives:

- To raise awareness about the importance of cleanliness and hygiene among students.

- To educate students on the role they can play in the Swatch Bharat Abhiyan.
- To encourage students to take personal responsibility for their environment.
- To promote sustainable habits that contribute to cleanliness and environmental health.

Brief Event Report :

The awareness event was held at [Venue] on [Date], with [Number] students participating from various grades. The program commenced with a welcome address by [Name/Title], followed by a detailed presentation on the Swatch Bharat Abhiyan. Activities included a cleanliness drive within the school premises, interactive sessions, and a pledge by all attendees to contribute to a clean and green environment. The event concluded with a vote of thanks by [Name/Title].

Key Highlights :

- Active participation of students in the cleanliness drive.

- Educational sessions on waste segregation and proper disposal.
- Inspirational speech by [Guest Name], emphasizing the importance of Swachh Bharat.
- Distribution of pamphlets and educational materials on cleanliness.

Programme Highlights :

- Inauguration Ceremony: The event was inaugurated by [Chief Guest/Principal/Teacher], who spoke about the importance of the Swatch Bharat initiative.

- Awareness Presentation: A multimedia presentation on the Swatch Bharat Abhiyan, showcasing its objectives, achievements, and ongoing efforts.

- Interactive Sessions: Students engaged in discussions about the challenges and solutions related to cleanliness in their local communities.

- Cleanliness Drive: Students and staff participated in a hands-on cleanliness drive, cleaning the school premises and surrounding areas.

- Pledge: All participants took a pledge to keep their surroundings clean and spread awareness about the importance of cleanliness.

Outcome :

The event successfully raised awareness about the Swatch Bharat Abhiyan among the students. It encouraged them to adopt cleaner habits and take active roles in maintaining cleanliness in their school and community. The feedback from students and staff was overwhelmingly positive, with many expressing their commitment to the cause.

Photos :

Student Progress Pie Chart :

Action Taken Report (ATR) :

- Cleanliness Drive: The cleanliness drive led to a visibly cleaner school environment. Students took responsibility for different areas of the school to maintain cleanliness regularly.
- Waste Segregation Initiative: Bins for segregating waste into biodegradable and nonbiodegradable materials were placed in classrooms and common areas.
- Follow-up Sessions: Regular follow-up sessions were planned to reinforce the lessons learned and ensure ongoing participation in cleanliness activities.
- Student Monitors: A group of students was appointed as cleanliness monitors to oversee the maintenance of hygiene standards within the school.

Celebrations of Environmental Day.

Date: 5th June 2023

Soundarya Institute of Management and Science (SIMS) in collaboration with the Central Institute of Coir Technology, along with NSS, NCC, and Rotaract units of the college, inaugurated the celebrations of Environmental Day. The event was graced by Dr. Pratheeksha Keerthan Kumar, Managing Trustee of SET, Principal Dr. Vasu B.A (SIMS), and Principal Dr. B.P. Mahesh (Law College). The inauguration ceremony began with a symbolic act of watering a medicinal plant by the esteemed guests. Students and faculty members then took a pledge to save the environment and to eradicate the use of plastic.

Several competitions were organized for the students, focusing on environmental themes. The participants showcased their knowledge and creativity, contributing to the cause of environmental conservation. Certificates and medicinal plants were awarded to the students in recognition of their efforts and achievements.

Following the inaugural proceedings, a plantation drive was conducted with the participation of Dr. Pratheeksha Keerthan Kumar, Managing Trustee of SET, Principal Dr. Vasu B.A (SIMS), Principal Dr. B.P. Mahesh (Law College), and Shri Venugopal, Principal of Government High School Manjunatha Nagar, Baglugunte. The SIMS team enlightened the students and teachers about the significance and necessity of protecting medicinal plants.

The event aimed to create awareness among the participants about the importance of environmental preservation and sustainability. Through these initiatives, the college endeavors to foster a sense of responsibility towards the environment and encourage actions that contribute to its wellbeing.
